**IN THE SUPERIOR COURT OF BRYAN COUNTY**
**STATE OF GEORGIA**

JOSHUA LANIER,

Plaintiff,

v.

CITY OF RICHMOND HILL, GEORGIA,

Defendant.

CIVIL ACTION NO. SUV2023000398

**MOTION AND SUPPORTING MEMORANDUM OF LAW**
**FOR FINAL APPROVAL OF CLASS ACTION SETTLEMENT**

Pursuant to O.C.G.A. § 9-11-23, Plaintiff Joshua Lanier (the "**Named Plaintiff**"), individually and on behalf of all other persons similarly situated and by and through his undersigned attorneys as identified below, files this Motion and Supporting Memorandum of Law seeking final approval of the parties' settlement on the grounds that the settlement or resolution as set forth in the proposed Order and Judgment (now revised as detailed hereinbelow), which memorializes the settlement by the Parties (the "**Settlement**", "**Order and Judgment**", or "**Judgment**") attached as **Exhibit** ("**Ex.**") **"1"**, is fair, adequate, and reasonable and that all relevant factors weigh in favor of final approval. Specifically, Named Plaintiff requests the Court finally approve the Settlement and certify the following amended proposed class aimed at eliminating all possible conflicts of interest among the prospective class members, while still maintaining a readily identifiable class, created by the existence of ongoing and similar class actions in which certain previously proposed class members have a vested interest contrary to the interests of the remaining class members:

*all taxpayers within the City who were assessed and paid the Fire Fee at any time between November 7, 2018, and the date of final approval of this Settlement, excluding:*

a. *all current members of the Richmond Hill City Council, the Mayor of Richmond Hill including such members' and Mayor's spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;*

b. *all current members of the Bryan County, Georgia Board of Commissioners and Commissioners, City Council Members and Mayors of any Georgia county or municipality defending lawsuits challenging the validity of similar assessments for fire protection or public safety services , including their spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;*

c. *all attorneys, including their spouse and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors, and law firms currently representing any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services; and*

d. *any judge or judicial officer presiding over this matter, including their spouse and adult household members, and any privately held entities in which they are members, shareholders, managers, officers, or directors*

*(the "**Revised Refund Class**" or the "**Revised Settlement Class**").*

In support of this Motion, Named Plaintiff shows the Court as follows:

## I. OVERVIEW OF THE LAWSUIT AND PROPOSED RESOLUTION

### A. Factual and Procedural Background

This case is a refund action under O.C.G.A. § 48-5-380 (the "**Refund Statute**") and involves class action claims arising from the City's levy and collection of illegal taxes to fund its fire protection services (the "**Fire Fee**") as purportedly authorized under Richmond Hill Ordinance Chapter 38, Article IV – Fire Protection Fee, adopted and effective April 2, 2019 (the "**Fire Fee Ordinance**"). A true and correct copy of the Fire Fee Ordinance is attached hereto as **Exhibit "2"**.

The City, recognizing the City of Richmond Hill Fire Department to be the exclusive provider of fire prevention in the incorporated areas of the City of Richmond Hill, adopted the Fire Fee Ordinance providing for the annual assessment and levy of a fire protection fee, *i.e.*, the Fire Fee, to fund the "fire preventing and firefighting operations of the [C]ity" and "ensure that the Richmond Hill Fire Department has sufficient resources to support the cost of fire prevention and firefighting services in the City." *See* Ex. 2 at §§ 38.85, 38.86, 38.89; *see also* that certain April 2, 2019 Resolution attached hereto as **Exhibit "3"**. Importantly, the Fire Fee is assessed annually as a flat fee against each parcel of land located in the City of Richmond Hill aside from linear right of ways and those properties otherwise exempt from *ad valorem* taxation, the amount of which is established by resolution of the City Council and subject to periodic review and adjustment "as necessary to ensure adequate cost recovery for operation of the fire services provided." *See* Ex. 2 at §§ 38.85, 38.86, 38.88. For fiscal years 2019 through 2021, said Fire Fee was imposed in an amount of $185.00 per developed, and $92.50 per undeveloped, residential parcel and $250.00 per developed, and $125.00 per undeveloped, commercial and industrial parcels, per year. *See* Ex. 3; *see also* 2019-2025 Millage Rates attached hereto as **Exhibit "4"**. For fiscal years 2022 through 2025, the Fire Fee was imposed in an amount of $225.00 per developed, and $112.50 per undeveloped, residential parcel and $600.00 per developed, and $300.00 per undeveloped, commercial and industrial parcels, per year. *Id.*

The Fire Fee is included on the annual *ad valorem* tax bills prepared by the officials of Bryan County, Georgia and delivered to the owners of the assessed properties. *See* Ex. 3 at § 38.87. Named Plaintiff owns real estate located at 198 Lewis Drive, Richmond Hill, Georgia 31324, Tax Parcel No. 0543 267 (the "**Subject Property**"), and in relation to the Subject Property, the City assessed Named Plaintiff, and Named Plaintiff paid, *ad valorem* taxes every year from 2019 to

2025, which included a Fire Fee in the amount of One Hundred Eighty-Five Dollars and No/100 ($185.00) for years 2019-2021 and Two Hundred Twenty-Five Dollars and No/100 ($225.00) for years 2022-2025. *See* Tax Bills attached hereto as **Exhibit "5"**. And should a property owner, such as Named Plaintiff, fail to pay the Fire Fee when due, such owner is subject to the same collection efforts provided to a City generally for the collection of delinquent property taxes, namely the imposition of interest and penalties and the filing of a lien against the assessed property and foreclosure thereon. *See*, for example, those certain annual *ad valorem* tax bills including the Fire Fee and corresponding tax Fi.Fa.s attached hereto as **Exhibit "5"**.

The Fire Fee therefore has all the markings of an illegally assessed tax given its mandatory and flat rate nature, application against real property and the owners thereof based on their ownership of property, purpose of raising general revenue for fire protection services, and lack of any direct or special benefit that may inure to the payor or property taxed or the payor's contribution to the burden on the City. Former class representative Eric D. Petricca[1], owner of real property located in the City and subject to the Fire Fee, accordingly filed a Verified Class Action Complaint on or about November 7, 2023, as amended on January 14, 2025, alleging that the Fire Fee is an illegal tax and asserting the following causes of action: refund under O.C.G.A. § 48-5-380; declaratory judgment; injunction; violation of uniformity requirement, due process, and equal protection; and attorney's fees for bad faith and stubborn litigiousness. *See* Complaint and Amended Complaint, generally.

**B. Named Plaintiff's Claims**

Named Plaintiff's position in this case is succinctly that (1) all taxation of **real property** must *be ad valorem*, and (2) the Fire Fee is a tax, specifically a tax on real property, and as it is

[1] Joshua Lanier was thereafter substituted as Named Plaintiff in this action.

imposed on a flat fee and not uniform or *ad valorem*, is illegal and in violation of the Georgia Constitution. An objection recently filed by Carter Infinger, his wife, Karen Infinger, and EJWJ Properties, LLC (the "**Objectors**"),[2] questions the veracity of such position, calling Named Plaintiff's claims "legally dubious" and insisting the Georgia Constitution does not contain a general *ad valorem* requirement. *See* Dkt. No. 97 at p. 12. In addition to ignoring Named Plaintiff's numerous other claims arising out of the Georgia Constitution's uniformity requirement and due process and equal protection clauses, the Objectors are, as discussed in detail below, simply incorrect.

**i. The Georgia Constitution requires real and personal property taxes, when imposed, be uniform and *ad valorem*.**

Contrary to the Objectors' assertions, the Georgia Constitution mandates that taxes assessed against *real or tangible personal property* be uniform and *ad valorem*. This case implicates two key intertwined constitutional requirements restricting the taxing authority of Georgia's counties, the uniformity requirement and the *ad valorem* requirement. The Uniformity Clause, subject to exceptions not applicable here, requires that "***all*** taxation shall be uniform upon the same class of subjects within the territorial limits of the authority levying the tax." Ga. Const. Art. VII, § I, ¶ III(a) (emphasis added). It "mandates that property of the same class be assessed and taxed uniformly." *Heron Lake II Apts., LP v. Lowndes County Bd. of Tax Assessors*, 299 Ga.

[2] Notably, Carter Infinger and EJWJ Properties, LLC's managing member, William Wallace, are Bryan County Commissioners with a significant conflict of interest in this action. Indeed, as this Court is well aware, Bryan County, Georgia is currently engaged in a class action lawsuit in which it and its Commissioners are defending the County's own illegal taxation of its citizens through the imposition of a similar "fire fee" aimed at raising revenue to support Bryan County's fire department and firefighting services provided in the unincorporated areas of the County. *See Steven Morgan, et al. v. Bryan County*, SUV2023000371, Superior Court of Bryan County, Georgia. Commissioner Infinger went so far as to accompany his counsel Mr. Kappler to lobby the legislature to amend the Refund Statute to do away with a taxpayers' right to join in a class to pursue tax refunds. See State and Local Government Operations Committee Hearing, March 2, 2026, beginning at 1:45:40, https://vimeo.com/showcase/12014138?video=1169678148

598, 605 (2016). And where real or tangible personal property is involved, "[t]axation on all [such] property subject to be taxed is required to be *ad valorem*—that is, according to value…" *Hutchins*, 211 Ga. at 830, 89 S.E. 2d 183. *See also* Ga. Const. Art. VII, § II, ¶ I ("[e]xcept as authorized in or pursuant to this Constitution, all laws exempting property from *ad valorem* taxation are void"). Together, the uniformity and *ad valorem* requirements mean that when a property tax is levied in Georgia, "all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation." *Hutchins*, 211 Ga. at 830, 89 S.E. 2d 183. And not only must the same standard of valuation apply, but every property must be taxed "equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn." *Id.*

Thus, Named Plaintiff's position in this case is that all taxation ***of real (and personal) property*** must be uniform and *ad valorem*. The Objectors, however, turn a blind eye to Named Plaintiff's uniformity argument and gravely misunderstand Named Plaintiff's position concerning the *ad valorem* requirement, arguing that "'the current constitution does not contain a general ad valorem requirement for taxation.'" *See* May 27, 2026, Objection at p. 2 (citing *Homewood Assocs. v. Unified Gov't of Athens-Clarke County*, 922 S.E.2d 90, 104 n.15 (2025) ("*Homewood II*") (Chief Justice Peterson concurring). Defendant is correct that there is no general *ad valorem* requirement for taxation requiring that *all taxation* be *ad valorem*. Named Plaintiff does not claim otherwise. Controlling Georgia precedent confirms, however, that all taxation ***of real (and personal) property*** must be *ad valorem*.

Looking first to the Objectors' argument, the Objectors claim there is no general *ad valorem* requirement, and in support of such argument, the Objectors make no great revelation but rather rely on *dicta* relegated to a footnote in a concurring opinion. *Id.* (citing *Homewood II*, 922

S.E.2d at 104 n.15 (Chief Justice Peterson concurring). Named Plaintiff suspects such argument is further based on yet another footnote in Chief Justice Peterson's concurring opinion in *Homewood II*, 922 S.E.2d at 101 n.12, in which Chief Justice Peterson details revisions to the Georgia Constitution over the last two centuries, stating that

> The uniformity provision in the 1868 Constitution provided that 'taxation on property shall be *ad valorem* only, and uniform on all species of property taxes.' Ga. Const. of 1868, Art. I, Sec. XXVII. The 1877 Constitution changed the language slightly. Ga. Const. of 1877, Art. VII, Sec. II, Par. I ("All taxation shall be uniform upon the same class of subjects, and *ad valorem* on all property subject to be taxed, within the territorial limits of the authority levying the tax[.]"). The 1945 Constitution removed the "*ad valorem*" language (***at least in its express form in this provision***) but kept the uniformity language. *See* Ga. Const. of 1945, Art. VII, Sec. I, Par. III ("All taxation shall be uniform upon the same class of subjects within the territorial limits of the authority levying the tax."). The 1976 Constitution kept this same language. *See* Ga. Const. of 1976, Art. VII, Sec. I, Par. III. And the 1983 Constitution, which now controls, contains materially identical language. *See* Ga. Const. of 1983, Art. VII, Sec. I, Par. III(a)."

(emphasis added). While such revisions to the Georgia Constitution, as noted by Chief Justice Peterson, left "the current constitution [without] a general *ad valorem* requirement for taxation", *Homewood II*, 922 S.E.2d at 104 n.15 (Chief Justice Peterson concurring), such conclusion and the Objector's reliance thereon literally has nothing to do with this case. Again, the issue is not whether there is a general requirement that *all taxation* be *ad valorem*.[3] Rather, Named Plaintiff contends that all taxation *of real property* must be *ad valorem* as required by the Georgia Constitution and repeatedly and consistently held by Georgia's appellate courts for over one hundred (100) years.

[3] Examples of such non-*ad valorem* taxes include such things as Cable Franchise Taxes, Alcohol Excise Taxes, Financial Institution Taxes, Hotel/Motel Taxes, Occupation Taxes, and Railroad Equipment Taxes, to name a few. *See, e.g.*, O.C.G.A. § 36-18-2 (Cable Franchise Taxes); O.C.G.A. § 3-4-80 (c) (Alcohol Excise Taxes); O.C.G.A. § 48-6-93 (a) (Financial Institution Taxes); O.C.G.A. § 48-13-51 (a)(1)(A) (Hotel/Motel Taxes); O.C.G.A. § 48-13-6 (a) (Occupation Taxes); and O.C.G.A. § 48-5-521 (b) (Railroad Equipment Taxes).

Indeed, the 1983 Constitution reintroduced an express *ad valorem* requirement for the first time since the 1877 Constitution, providing that "[e]xcept as authorized in or pursuant to this Constitution, all laws exempting property from *ad valorem* taxation are void." Ga. Const. Art. VII, § II, ¶ I. Moreover, longstanding precedent plainly establishes that the Uniformity Clause's requirement that taxation of real and personal property be *ad valorem* has been retained and has remained the law across the various iterations of the Georgia Constitution discussed above. Specifically, the Supreme Court noted in *Hutchins*, 211 Ga. 830, 89 S.E. 2d 183, 186, that pursuant to the Uniformity Clause:

> **[t]axation on all real and tangible personal property subject to be taxed is required to be *ad valorem* – that is, according to value**, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.

*Id.* (emphasis added). Such requirement has been applied and referenced numerous times both before and after the promulgation of the 1945 iteration of the Georgia Constitution (which, as noted by Chief Justice Peterson, removed the ***express*** *ad valorem* language from ***the Uniformity Clause***) and remains the law of this state. *See, e.g., Verdery v. Vill. of Summerville*, 82 Ga. 138, 8 S.E. 213, 214 (1888) (applying 1877 Constitution and stating that "taxation on all property subject to be taxed is required to be *ad valorem*" (emphasis added)); *Hutchins, supra* (applying the then-applicable 1945 Constitution and stating that "[t]axation on all real and tangible personal property subject to be taxed is required to be *ad valorem*"); *Colvard, et al. v. Ridley, et al.*, 218 Ga. 490, 128 S.E.2d 732 (1962) (same); *Lott Inv. Corp. v. City of Waycross*, 218 Ga. 805, 809, 130 S.E.2d 741 (1963) (same); *O'Quinn v. Ellis*, 224 Ga. 328, 330, 161 S.E.2d 832 (1968) (same); *Griggs v.*

*Greene*, 230 Ga. 257, 267, 197 S.E.2d 116 (1973), abrogated on other grounds by *SNJ Properties, LLC v. Fulton County Bd. of Assessors*, 296 Ga. 793, 770 S.E.2d 832 (2015) (same).[4]

And most significantly, Georgia's appellate courts have recognized the *ad valorem* requirement following the adoption of the 1983 Constitution. In *McLeod v. Columbia County*, 278 Ga. 242, 243, 599 S.E.2d 152 (2004), the Georgia Supreme Court, acting under the 1983 Constitution, referenced both Ga. Const. Art. VII, § I, ¶ III (the Uniformity Clause) and Ga. Const. Art. VII, §II, ¶ I ("all laws exempting property from *ad valorem* taxation are void") and addressed whether a stormwater charge imposed against real property was a valid fee or an unlawful tax as it was non-*ad valorem*. There, the Supreme Court ultimately held that the stormwater charge was a valid fee; however, *McLeod* clearly indicates that the rule that all taxation of real property must be *ad valorem* still very much applies following the adoption of the 1983 Constitution. Similarly, the Georgia Court of Appeals recently applied the Georgia Supreme Court's precedent and the Georgia Constitution, again referencing both Ga. Const. Art. VII, § I, ¶ III (the Uniformity Clause) and Ga. Const. Art. VII, §II, ¶ I ("all laws exempting property from *ad valorem* taxation are void."), to find that any taxes levied on real property by a County must be *ad valorem* in *Lincoln Cnty. v. Serenity Builders & Dev., LLC*, 373 Ga. App. 395, 908 S.E.2d 663 (2024), cert. denied (Mar. 18, 2025). There, as discussed in detail hereinbelow, the *Serenity Builders* Court determined a "water

[4] *See also* Ga. Const. Art. VII, § I, ¶ III ("All taxes shall be levied and collected under general laws and for public purposes only...all taxation shall be uniform upon the same class of subjects within the territorial limits of the authority levying the tax."; Ga. Const. Art. VII, §II, ¶ I ("Except as authorized in or pursuant to this Constitution, all laws exempting property from *ad valorem* taxation are void."); Ga. Const. of 1983, Art. VII, § I, ¶ II (limiting millage for state *ad valorem* taxes on property); Ga. Const. of 1983, Art. VII, § II, ¶ II (governing exemptions from *ad valorem* property taxation); Ga. Const. of 1983, Art. VII, § II, ¶ III (authorizing limited local exemptions from *ad valorem* taxation); Ga. Const. of 1983, Art. VII, § II, ¶ IV (preserves certain exemptions from *ad valorem* taxation); O.C.G.A. § 48-5-6 ("[a]ll property shall be returned for taxation at its fair market value"). A tax on real property that is non-*ad valorem* violates the Uniformity Clause of the Georgia Constitution. *See Heron Lake II Apartments, LP*, 299 Ga. 598 (statute excluding tax credits from consideration of fair market value created a subclass of tangible property not permitted by constitution and violated uniformity provision).

availability charge" was a tax, specifically a tax on real property, and, as it was imposed on a per lot basis and not *ad valorem*, was illegal. *Serenity Builders*, 373 Ga. App. at 402, 908 S.E.2d 663 (emphasis added).

Given that the *ad valorem* requirement (and particularly the Supreme Court's interpretation of the Uniformity Clause as mandating real property be taxed *ad valorem*) has remained in place before and after the adoption of the 1945 and 1983 Georgia Constitutions and across multiple prior iterations of the Georgia Constitution (1877, 1945, 1976 and 1983) and was explicitly reintroduced in the 1983 Constitution, *see* Ga. Const. of 1877, Art. VII, § II, ¶ I; Ga. Const. Art. VII, § II, ¶ I, such rule is very much a part of the Georgia Constitution—"where a constitutional provision has received a settled judicial construction *and is afterwards incorporated into a new or revised constitution, or amendment, it will be presumed to have been retained with a knowledge of the previous construction*." *Elliott v. State*, 305 Ga. 179, 186, 824 S.E.2d 265 (2019) (emphasis added).

Moreover, determining the meaning of the constitution, which is binding on everyone, is an exclusive function of courts in adjudication of cases properly brought before them. *See Thompson v. Talmadge*, 201 Ga. 867, 872, 41 S.E.2d 883 (1947); *Gwinnett Cnty. Sch. Dist. v. Cox*, 289 Ga. 265, 272, 710 S.E.2d 773 (2011). And when the Supreme Court has addressed an issue in clear terms, this Court is not at liberty to decline to follow the established rule of law. *See Thomason v. Harper*, 162 Ga. App. 441, 289 S.E.2d 773 (1982). "[A] written constitution itself has a meaning that is fixed upon ratification and cannot change absent a constitutional amendment. Thus, when a court engages in judicial review, the court does not supply the Constitution with a meaning the Constitution does not already have but instead attempts to discern the meaning of the Constitution through interpretation so it can, among other things, resolve conflicts between the Constitution itself and the statutory law." *State v. SisterSong Women of Color Reprod. Just.*

*Collective*, 317 Ga. 528, 533, 894 S.E.2d 1 (2023). Once a court interprets the constitution, such interpretation becomes an integral part of the constitution. *See Gulf C. & S. F. R. Co. v. Moser*, 275 U.S. 133, 136, 48 S.Ct. 49, 50 (1927).

Thus, contrary to the Objectors' assertions, the *ad valorem* requirement remains very much a part of the Georgia Constitution, and to the extent any tax on real or tangible personal property is not *ad valorem*, it is illegally assessed in that it is not authorized by general law or the Constitution and violates the Uniformity Clause and the Georgia Constitution.[5]

**ii. The Fire Fee is an illegal tax.**

The Fire Fee is a tax, specifically a tax on real property, and, as it is imposed on a per lot basis and not *ad valorem*, is illegal. "The distinction between a tax and a fee is not one of names but of substance." *McLeod*, 278 Ga. at 244, 599 S.E.2d 152. "Given the inherent danger that legislative bodies might circumvent constitutional constraints by levying charges that, while officially labeled something else, possess all the basic attributes of a tax, courts must look beyond a charge's official designation and analyze its core nature by focusing on its purpose, design, and function in the real world." 16 McQuillin Mun. Corp. § 44:24 (3d ed.).

To assist with such analysis, Georgia courts have over the years supplied definitions for, and characteristics of, taxes and fees. By far the most comprehensive and instructive explanation

[5] Such conclusion is further consistent with the definition of "property tax", which is a legal term of art. Black's Law Dictionary 6th Edition (1990), the latest edition as of 1997, defines "property tax" as "an *ad valorem* tax, usually levied by a city or county government, on the value of real or personal property that the taxpayer owned on a specified date." Black's Law Dictionary, p. 1218 (6th Ed. 1990). Consistent with Black's definition, the Georgia Constitution recognizes property tax as a single class of taxation, made up of real and tangible personal property taxes assessed based on the property's value or *ad valorem*. *Gwinnett County Bd. of Tax Assessors v. Ackerman/Indian Trail Ass'n*, 198 Ga. App 723,724 (1991) (disapproved of on other grounds). And most telling, the Supreme Court recently relied on Black's definition of "property tax" and the general rules of statutory construction to find in *City of Winder v. Barrow Cnty.*, 318 Ga. 550, 561, 899 S.E.2d 157 (2024), that the use of the term "property taxes" in O.C.G.A. § 36-70-24 (concerning funding sources for county road maintenance) referred only to "a subcategory of taxes—*ad valorem* taxes levied on real or personal property".

of such definitions and characteristics appears in *Bellsouth Telecommunications, LLC, et al., v. Cobb County, et al.*, 305 Ga. 144, 146-147, 824 S.E.2d 233 (2019). The *Bellsouth* Court began its analysis by reiterating the definition of a tax as stated in its prior opinions: "[a] tax is an enforced contribution exacted pursuant to legislative authority for the purpose of raising revenue to be used for public or governmental purposes, and not as payment for a special privilege or service rendered." *Id.* at 146 (citing *Gunby v. Yates*, 214 Ga. 17, 19, 102 S.E.2d 548 (1958)).[6] "In contrast, fees are a charge for a particular service provided, based on the payer's contribution to the problem." *Id.* at 147.[7]

The *Bellsouth* Court t interprets and applies *McLeod* and other cases, identifying four (4) "criteria" Georgia courts should apply when "considering whether a charge is a tax" or a fee. *Id.* at 146-47. Taxes, the Supreme Court says, exhibit the following features:

> (1) a means for the government to raise general revenue based on the payer's ability to pay (i.e., income or ownership of property), without regard to direct benefits that may inure to the payer or to the property taxed; (2) mandatory; (3) not related to the payer's contribution to the burden on government; and (4) not resulting in a 'special benefit' to the payer different from those to whom the charge does not apply." *Id.*, 305 Ga. at 146-147.

*Id.* (citing *McLeod*, 278 Ga. at 244-245, 599 S.E.2d 152, and *Homewood Village, LLC v. Unified Govt. of Athens-Clarke County*, 292 Ga. 514, 515, 739 S.E.2d 316 (2013) ("*Homewood I*") (the "***Bellsouth* Factors**" or "***Bellsouth* Criteria**").

Applying such criteria, Georgia courts routinely find charges similar to the Fire Fee to be taxes, not fees. For instance, the Georgia Supreme Court applied the tax versus fee factors in

---

[6] Under this well-established definition, taxes pay for overall public goods and benefits like "sewers … [and] paved streets and sidewalks." *Hayden v. City of Atlanta*, 70 Ga. 817, 824 (1884); *see also Dunlap v. Tift*, 209 Ga. 201, 209 (1952) (describing roads as public benefits); *Fulton County Taxpayers Association v. City of Atlanta*, 1999 WL 1102795, *4 (Fulton Cty. Supr. Ct. Sept. 22, 1999) (describing police, fire, and stormwater management services as public benefits).

[7] Fees are generally described as having two critical elements: a voluntary payment made for a particular "privilege," unique "benefit," or "service[]." *Luke v. Ga. Dept. of Nat'l Res's.*, 270 Ga. 647, 648 (1999).

*Bellsouth* and held that a charge assessed on telephone subscribers to offset the cost of 911 services was a tax, not a fee. Specifically, Cobb and Gwinnett County imposed a monthly "911 charge" on each telephone subscriber served by their respective 911 systems to offset the cost of operating the 911 systems. The *Bellsouth* court reasoned that:

1) The 911 charge was "assessed based on the extent to which a person or business subscribe[d] to telephone service, not the extent to which a person c[ould] or in fact d[id] summon emergency services." *Id.* at 147. The 911 charge, the Court noted, was "not charged to persons who ha[d] access to phone service paid for by someone else, such as a house phone in a hospital lobby or a homeless shelter. And the assessment d[id] not depend on whether a person actually call[ed] 911." *Id.*

2) The 911 charge was mandatory as people could not opt out of or avoid the charge by subscribing to an alternate phone service. *Id.* at 148.

3) There was no relationship between the obligation to pay the 911 charge and the burden the payer placed on emergency services systems, and those who paid the charge received no special access to emergency services. Specifically, "[a] person who pa[id] the charge year after year might well never make a 911 call on the associated telephone line, while another person [could have] use[d] a public phone or borrowed phone to summon emergency services (or others [could have] summon[ed] emergency services on their behalf) on a regular basis", and "a visitor to the state [could have] easily dial[ed] 911 and summon[ed] emergency service on her cell phone (or a public or borrowed phone), even though she [was] not subject to the charge." *Id.* at 149.

4) Those who paid the charge received no special access to emergency services. Emergency services were available to all within a given emergency services area regardless of payment of the 911 charge. *Id.*

Thus, the Court found the 911 charge possessed all the recognized characteristics of, and consequently was, a tax.

Applying the *Bellsouth* Criteria to the Fire Fee involved here supports Named Plaintiff's allegations that the Fire Fee, like the 911 charge in *Bellsouth*, is a tax assessed against Named Plaintiff and the prospective class members, not a fee:

1) ***The Fire Fee is not a charge for a particular service but is rather a means for the City to raise general revenue for fire protection services, including fire prevention and fire operations, based on the payor's ability to pay***. Indeed, payment of the Fire Fee is required

for all owners of each parcel of land located in the City of Richmond Hill aside from linear right of ways and those properties otherwise exempt from *ad valorem* taxation, *regardless of any actual provision or use of the City's firefighting services*. *See* Ex. 2 at § 38.88. The Fire Fee is therefore assessed based on the payor's ability to pay, that is property ownership, rather than on the extent to which the payor of the Fire Fee actually uses the City's firefighting services. *Id.*; *see also Bellsouth*, 305 Ga. at 147, 824 S.E.2d 233 (reasoning the 911 charge was a means to raise general revenue based on the payor's ability to pay as it was "assessed based on the extent to which a person or business subscribe[d] to telephone service, not the extent to which a person c[ould] or in fact d[id] summon emergency services"). Furthermore, the express purpose of the Fire Fee is to raise revenue for and fund the "fire preventing and firefighting operations of the [C]ity" and "ensure that the Richmond Hill Fire Department has sufficient resources to support the cost of fire prevention and firefighting services in the City." *See* Ex. 2 at §§ 38.85, 38.86, 38.89; Ex. 3; *see also Gunby*, 214 Ga. at 19 (where a charge is "not for the purpose of compensating the [government] for a service rendered, but [rather] for the purpose of raising revenue for the expenses" of government operations, Georgia law considers the charge a tax, rather than a fee).

2) ***The Fire Fee is mandatory***. "The essential characteristics of a tax are that it is not a voluntary payment or donation, but an enforced contribution, exacted pursuant to legislative authority." *Luke*, 270 Ga. 647, 648 (1999). Stated differently, if a charge is voluntary rather than mandatory, it cannot be a tax. *Id.* at 649. And when considering whether a charge is mandatory, Georgia courts consider whether the payer has the ability to opt out of paying the charge or otherwise has a practical or legal means to avoid it. *See Bellsouth*, 305 Ga. at 148, 824 S.E.2d 233 (finding the 911 charge mandatory where people could not opt out of the emergency services system by subscribing to an alternative phone service). Again, payment of the Fire Fee is required for all owners of each parcel of land located in the City of Richmond Hill aside from linear right of ways and those properties otherwise exempt from *ad valorem* taxation. *See* Ex. 2 at § 38.88. A property owner subject to the Fire Fee cannot opt out of paying the Fire Fee nor can he reduce the amount of the Fire Fee. *Id.*, generally; Ex. 3. And should a property owner fail to pay the Fire Fee, such owner is subject to the same collection efforts provided to a City generally for the collection of delinquent property taxes, namely the imposition of interest and penalties and the filing of a lien against the assessed property and foreclosure thereon. *See*, *e.g.*, Ex. 5; *see also Serenity Builders*, 373 Ga. App. at 400 (noting the county's imposition of liens against property of those who failed to pay the water availability charged confirmed the mandatory nature thereof).

3) ***The Fire Fee is not related to the payor's contribution to the problem***. *Bellsouth* confirms that the relevant burden is not the likelihood that a fire occurs, the seriousness of a fire, should it occur, or the expense of maintaining services capable of responding to a given area. It is whether fire protection is actually summoned. *See Bellsouth*, 305 Ga. at 149 (distinguishing between a phone service subscriber "who pays the charge year after year [and] might well never make a 911 call on the associated telephone line" and others who "may use a public phone or borrowed phone to summon emergency services" or for whom "others may summon emergency services on their behalf"). Thus, the City's assessment of

the Fire Fee or the amount thereof is not related to the payor's contribution to the burden on the City as a property owner could pay the Fire Fee year after year and never utilize the City's firefighting services. *See* Ex. 2 at § 38.88; Amended Complaint at ¶77. Moreover, the Fire Fee is assessed as a flat fee uninfluenced by factors such as property size and square footage. *See* Exs. 2-4.

4) ***Those who pay the Fire Fee receive no special benefit or particularized or enhanced service different from those who do not pay the Fire Fee.*** Fees, as opposed to taxes, "are charged in exchange for a particular governmental service which benefits the party paying the fee in a manner not shared by other members of society." *T-Mobile, S., LLC*, 305 Ga. App. at 471, 699 S.E.2d 802 (citation omitted); *Mcleod*, 278 Ga. at 244, 599 S.E.2d 152 ("A charge is generally not a tax if its object and purpose is to provide compensation for services rendered.") (citation omitted). For a charge to confer a special benefit sufficient to make it a lawful fee, as opposed to a tax, the benefit purportedly conferred on the payor must, however, be "*recognizable*...to [such] payor" and beyond the "*mere availability*" of government services. *Monticello, Ltd. v. City of Atlanta*, 231 Ga. App. 382, 387, 499 S.E.2d 157, 162 (1998) (emphasis added). Indeed, the "*inchoate opportunity to take advantage of the service at some future date*" is not a recognizable benefit that can support a fee. *Id.* (emphasis added). Accordingly, where the payor of a charge receives no benefit, access, or service not received by the general public, the charge is routinely held to be a tax, not a fee.[8] In this case, payment of the Fire Fee results in no special benefit or access to the payor of the Fire Fee not enjoyed by the general public. *See* Exs. 2-4; Amended Complaint at ¶¶82-84. The fire protection services funded through the Fire Fee instead benefit the general public in precisely the same manner that the services benefit the payer of the Fire Fee in that payment of the Fire Fee is not payment for a service actually rendered or to be rendered but is a payment for the *availability* of fire protection services. *See* Exs. 2-4 ("the City must ensure that the Richmond Hill Fire Department has sufficient resources to support the cost of fire prevention and firefighting services in the City"); Amended Complaint at ¶¶69, 71, 74-76, 78-84. In other words, those who pay the Fire Fee receive no benefit not received by the general public because all members of the public can access the City's fire protection services, irrespective of payment of the Fire Fee. Again, the payor may pay the Fire Fee year after year and never utilize the fire protection services while the non-payor of the Fire Fee may utilize such services repeatedly.

[8] *See, e.g., Serenity Builders*, 373 Ga. App. at 400, 908 S.E.2d 663 (water availability assessment was a tax – "Those who pay the water availability assessment receive no water from Lincoln County. Likewise, those to whom the water availability assessment does not apply receive no water from Lincoln County."); *Bellsouth*, 305 Ga. at 149, 824 S.E.2d 233 (911 charge was a tax where payors received no benefit not received by the general public and all members of the public could access the 911 system); *T-Mobile, S., LLC*, 305 Ga. App. at 471, 699 S.E.2d 802 (same); *Gunby*, 214 Ga. at 19, 102 S.E.2d 548 (one dollar for each marriage license sold in the state, in addition to the regular license fee, to be allocated to the probate judges' retirement fund, "was not for the purpose of compensating the ordinary for a service rendered, but was for the purpose of raising revenue for the expenses of operating the retirement board and paying benefits to retired ordinaries," and was thus an unconstitutional tax"). *Compare, e.g., Levetan v. Lanier Worldwide*, 265 Ga. 323, 454 S.E.2d 504 (1995) (charges for removing and disposing of garbage are merely a fee for special services); *Crestlawn Mem. Park v. City of Atlanta*, 235 Ga. 194, 195, 219 S.E.2d 122 (1975) (assessment for removal of trash and refuse from streets abutting cemetery is not a tax).

Pursuant to the reasoning of *Bellsouth*, Named Plaintiff argues the Fire Fee is consequently a tax.

Notably, the Georgia Court of Appeals recently applied the *Bellsouth* Criteria and rationale in an analogous context to the case at bar in *Serenity Builders*, 373 Ga. App. 395, 908 S.E.2d 663. There, Lincoln County mandated property owners either connect to the county water system as required by Lincoln County Code Section 70-51 or pay a charge in lieu thereof. Specifically, Lincoln County assessed a "water availability charge" against the owners of all real property lots or parcels to which water service was available (meaning that a water service connection was installed and the water line and/or system approved by the county engineer) but not actually connected or used. The Court applied the *Bellsouth* Factors and determined that "the water availability assessment ha[d] all of the features of a tax and none of the features of a fee." *Id.* at 400. The Court found that the water availability assessment was assessed based on property ownership, intended to cover the general cost of maintaining the County's water infrastructure, and "imposed regardless of the fact that no direct benefit (*i.e.*, water) inure[d] to the persons and properties against which it [wa]s assessed. *Id.* at 400. Additionally, the Court reasoned that the water availability assessment was mandatory as the payors had no ability to reduce the amount of the assessment and, significantly, the County was authorized to impose a lien directly against the property of those who failed to pay the charge. *Id.* And finally, the water availability assessment, the Court held, was imposed regardless of the burden, if any, that owners of undeveloped lots without water service connections placed on the County and resulted in no special benefit to the payer of the assessment different from those to whom the charge did not apply. *Id.* at 400. "Those who pa[id] the water availability assessment receive[d] no water from Lincoln County. Likewise, those to whom the water availability assessment d[id] not apply receive[d] no water from Lincoln County." *Id.* The water availability assessment was, therefore, "a tax, specifically ***a tax on real***

***property***, and, as it was imposed on a per-lot basis and ***not ad valorem***, was illegal." *Id.* at 402 (emphasis added).

Such ruling and analysis is equally applicable, and in fact controlling, here as the Fire Fee, like the water availability assessment, is nothing more than an "availability fee", and as alleged by Named Plaintiff, is imposed on property owners regardless of whether the payor of the Fire Fee ever uses the City's fire protection "services". Thus, the Fire Fee, Named Plaintiff contends, is a tax, specifically, a tax on real property, and, as it is imposed on a per lot basis and not *ad valorem*, is an illegal tax unauthorized by the Georgia Constitution. Named Plaintiff and the prospective class members argue they are consequently entitled to refunds of the illegal assessed and collected taxes in the form of Fire Fees under the Refund Statute. *See Hojeij Branded Foods, LLC v. Clayton County, Georgia, et al.*, 355 Ga. App. 222, 843 S.E.2d 902 (2020) (cert denied Dec. 07, 2020) (Subsection (g) of the Refund Statute allows for the filing of a suit for a tax refund within five (5) years of the date the disputed taxes were paid).

**C. Settlement and Grant of Preliminary Approval**

After thoroughly investigating the facts of this Lawsuit and related law, and particularly with the understanding of Named Plaintiff's claims as discussed hereinabove, the Parties began settlement negotiations, held numerous discussions, and were ultimately able to reach a settlement. *See* Affidavit of James L. Roberts, IV ("**Roberts Aff.**") attached hereto as **Exhibit "6"** at ¶11-17, 23. Such discussions were conducted by senior attorneys from both sides, and all participants in the settlement discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit. *Id.* at ¶¶23-24. Each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the

amount owed, and the defenses thereto. *Id.* at ¶¶13-16. The City ultimately elected to settle the claims at issue the terms of which are memorialized in the Order and Judgment. *Id.* at ¶15.

After reaching a settlement, Named Plaintiff and the City filed a Joint Motion for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing, which the Court granted on November 19, 2025 (the "**First Preliminary Approval Order**"). *Id.* at ¶27; Dkt. No 77. In such First Preliminary Approval Order, the Court provisionally certified one (1) class consisting of *all taxpayers within the City who paid a Fire Fee at any time between November 7, 2018, and the date of the Court's final approval of the Order and Judgment*, scheduled a final approval hearing (the "**First Final Approval Hearing**") for January 6, 2025 at 9:00 a.m., and directed that notice of the proposed settlement and the First Final Approval Hearing be provided to the provisionally certified class, including through first class mail, publication, and creation of a settlement webpage. *Id.* at ¶ 18; Dkt. No. 77. Unfortunately, due to the brief period between the Court's entry of the First Preliminary Approval Order and the First Final Approval Hearing and the intervening Thanksgiving and Christmas holidays, counsel for Named Plaintiff was alerted shortly before the First Final Approval Hearing of issues with the Court ordered notice procedure. *Id.* at ¶19. Specifically, at least some of the required notices to the provisionally certified class members were mailed as late as December 19, 2025, apparently resulting in the delivery of some notices after the objection deadline on December 27, 2025; the final publication notice ran after the objection deadline on December 30, 2025; and the City created settlement webpage was not actually "live" until shortly before or after the objection deadline on December 27, 2025. *Id.*

Moreover, a late Motion for Leave to File Untimely Objection to the initially proposed settlement was filed by prospective class member Thompson, O'Brien, Kappler & Nasuti, P.C.

("**TOKN**") objecting to the adequacy of notice among other things. *See* Dkt. No. 85. TOKN is a law firm currently representing Bryan County, Georgia, Randolph County, Georgia, Sumter County, Georgia, and Augusta-Richmond County, Georgia, in similar class actions challenging local government assessment of so called "fees" as illegal taxes.[9] TOKN's involvement and objection to the initially proposed settlement consequently alerted counsel for Named Plaintiff to the existence of a significant conflict of interest between TOKN and the remaining prospective class members. *See* Ex. 6, Roberts Aff., at ¶20. Namely, TOKN has a substantial interest in (1) avoiding the appearance of any acquiescence in Named Plaintiff's argument by not objecting to the underlying basis for and accepting a refund in this case and (2) opposing any proposed settlement in this case to bolster its arguments in the aforementioned class actions that the involved charges are proper "fees" or that there is no *ad valorem* requirement for taxes on real property. *Id.* at ¶21.

Thus, after considering the notice issues coupled with the conflict presented by TOKN's objection, counsel for Named Plaintiff requested and agreed to the postponement of any Court approval of the initially proposed settlement to address the notice deficiencies and the conflicts in the proposed class. *Id.* at ¶22. Named Plaintiff and the City then revised the settlement, particularly the proposed class definition, and filed a Second Joint Motion for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing, seeking certification of one (1) class consisting of *all taxpayers within the City who were assessed and paid the Fire Fee at any time between November*

[9] *See Steven Morgan, et al. v. Bryan County, Georgia*, Civil Action No. SUV2023000371, Superior Court of Bryan County, Georgia; *Thomas Bonner, et al. v. Randolph County, Georgia*, Civil Action No. SUCV2026000020, Superior Court of Randolph County, Georgia; *Alex Harrell Farms, LLC v. Sumter County, Georgia*, Civil Action No. 26CV00028, Superior Court of Sumter County, Georgia; *Rachel K. S. Bell v. Id.* at ¶23.

The Court granted the Parties' Second Joint Motion for Preliminary Approval on April 30, 2026 (the "**Second Preliminary Approval Order**"), finding "for settlement purposes, that the O.C.G.A. §9-11-23 factors are present and thus certification of the proposed Settlement Class is appropriate", provisionally certified the revised proposed class, scheduled a final approval hearing (the "**Second Final Approval Hearing**") for July 1, 2026, at 9:00 a.m. and directed that notice of the Order and Judgment and the Final Approval Hearing be provided to the provisionally certified class. Dkt. No. 93. The Court further directed that (1) notice be mailed by first class mail to all Prospective class members to their last known addresses as appearing in the records maintained by the City (the "**Full Notice**"); (2) an advertisement be placed in the Bryan County News (the "**Publication Notice**"); and (3) a webpage be created (the "**Settlement Webpage**") where Prospective class members can access documents related to the Lawsuit (the "**Notice Program**"). *Id.*.

In accordance with the Court's Second Preliminary Approval Order and the terms of the Notice Program, Eight thousand one hundred (8,100) Full Notices were mailed on or before May 15, 2026, to prospective class members to their last known addresses as appearing on the records maintained by the City. Administrator's Affidavit attached hereto as **Exhibit "7" at ¶2**. Likewise, the webpage was created providing information about the Lawsuit, and the Publication Notice was placed in the Bryan County News on May 7, 14, 21 and 28, 2026. *See* Ex. 7 at ¶¶3-4; Publishers Affidavit, **Exhibit "10"**. The form and content of the Full Notice and the Publication Notice was

approved by the Court in its Second Preliminary Approval Order. Dkt. No. 93. The Notice Program provided Prospective class members with the material terms of the Order and Judgment and instructions on how to object if they believed that any aspect of the Order and Judgment was not fair, reasonable, and adequate. *Id.* The Notice Program also advised the Prospective class members of the date, time, and location of the Final Approval Hearing. *Id.*

### D. Proceedings Following Preliminary Approval and Notice Program Necessitating Further Revisions to the Class Definition

Following the Court's Second Preliminary Approval Order and the Parties' compliance with the Notice Program, TOKN filed yet another objection to the proposed settlement, this time on behalf of Carter Infinger, his wife, Karen Infinger, and EJWJ Properties, LLC. *See* May 27, 2026, Objection. As previously mentioned, Karen Infinger is the wife of Carter Infinger, and Carter Infinger and EJWJ Properties, LLC's managing member, William Wallace, are Bryan County, Georgia Commissioners currently engaged in a class action challenging Bryan County's imposition of a similar "fire fee" in the unincorporated areas of the County, the very same class action in which TOKN serves as counsel for Bryan County. *See Steven Morgan, et al. v. Bryan County*, SUV2023000371, Superior Court of Bryan County, Georgia. Ex. 6 at ¶26.

Such Objection alerted counsel for Named Plaintiff to additional conflicts of interest amongst the proposed class members necessitating further revision of the proposed class – the same basic conflict that led to the amendment to the class definition conditionally approved by the Court and related to counsel representing cities and counties in similar suits. Indeed, the Court and parties to class actions are obligated to amend the class definition up through the time of final approval in order to remove class members with potential conflicts or who lack standing. *Shin v. Cobb County Bd. of Educ.*, 248 F.3d 1061, 1064 (11th Cir. 2001) (judge must "'define, redefine, subclass, and decertify as appropriate in response to the progression of the case from assertion to

facts'"); *Vision Constr. Ent Inc v. Argos Ready Mix LLC*, 2019 WL 11075886, at *1 (N.D. Fla. Nov. 7, 2019) ("While it is not permissible to broaden a class without amending the pleadings, it is permissible to seek certification of a narrower class without amendment"). Further, Named Plaintiff and its counsel are the masters of their complaint and allegations, including the class definition. *Lincoln Prop. Co. v. Roche*, 546 U.S. 81, 91 (2005) (quoting 16 J. Moore et al., Moore's Federal Practice § 107.14[2][c], p. 107–67 (3d ed. 2005)). Accordingly, Named Plaintiff requests the Court finally approve and certify the following revised proposed class aimed at eliminating all possible conflicts of interest among the class members, while still maintaining a readily identifiable class, created by the existence of ongoing and similar class actions in which certain previously proposed class members have a vested interest contrary to the interests of the remaining class members:

> *all taxpayers within the City who were assessed and paid the Fire Fee at any time between November 7, 2018, and the date of final approval of this Settlement, excluding:*
>
> a. *all current members of the Richmond Hill City Council, the Mayor of Richmond Hill, and all current members of the Bryan County, Georgia Board of Commissioners, including such members' and Mayor's spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;*
>
> b. *all attorneys, including their spouse and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors, and law firms currently representing any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services; and*
>
> c. *any judge or judicial officer presiding over this matter, including their spouse and adult household members, and any privately held entities in which they are members, shareholders, managers, officers, or directors.*

(hereinafter the 'Revised Refund Class"). ***Most importantly, no objections were received by members of the Revised Refund Class -which is the class for which final approval is sought.***

In order to effectuate this amendment to the class definition and enforce the definition of the Revised Refund Class, Named Plaintiff further requests the Court finally approve one additional change to the proposed Order and Judgment requiring prospective class members to execute and submit a claim form attesting that they are satisfy the class definition set forth above. Specifically, the Administrator will identify all prospective class members using the City's records within nine (9) months of final approval of the Order and Judgment. *See* Ex. 1 at Section H. The Administrator shall then post the list of prospective class members, among other information as more fully set forth hereinbelow and in the Order and Judgment, on the Settlement Webpage and provide notice in the Bryan County News. *Id.* Thereafter, the prospective class members shall have forty-five (45) days to submit, among other claim forms again as discussed more fully hereinbelow and in the Order and Judgment, a claim form attesting that they are in fact a member of the Revised Refund Class and not an excluded person or entity. *Id.* If a prospective class member fails to return such claim form, it shall be presumed the prospective class member is an excluded person or entity and not a member of the Revised Refund Class. *Id.* A copy of such newly proposed claim form is attached hereto as **Exhibit "8"** for the Court's review and approval (the **"Class Member Certification Form"**).

**E. Terms of the Order and Judgment**

The direct benefits of the parties' Settlement, as laid out in the Order and Judgment, to the Class Members include the creation of an aggregate refund fund in the amount of Five Million Dollars and No/100 ($5,000,000.00) (the "**Aggregate Refund Fund**") as well as a permanent injunction enjoining collection of the Fire Fee under the Fire Fee Ordinance as currently adopted. The Aggregate Refund Fund will be used to pay (i) all refunds and interest owed to Class Members;

(ii) Named Plaintiff's Counsel for attorneys' fees and expenses; (iii) Class Representative Service Payments; and (iv) administrative costs. The City shall pay the Aggregate Refund Fund as follows:

1) $2,000,000 within fifteen (15) days of the date of Final Approval (the "**Initial Refund Fund Payment**"); and
2) $3,000,000 on or before January 10, 2027 (the "**Final Refund Fund Payment**").

In the event the City fails to make the payments into the Aggregate Refund Fund as provided in the Order and Judgment, post judgment interest shall accrue at a rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

As fully stated in the Order and Judgment, each "**Qualified Class Member**", as defined in the Order and Judgment, will receive his or her pro-rata share of the Aggregate Refund Fund based on the Fire Fees paid during the Refund Period. Each Qualified Class Member's pro rata share of the Aggregate Refund Fund, or the "**Presumptive Refund Amount**", is expected to return to each Qualified Class Member up to 60% of the total Fire Fees paid during the Refund Period, less "**Fees and Expenses**"[10] (the "**Pro-Rata Refund**"). "**Pro-rata**" shall mean the proportion each Qualified Class Member's Presumptive Refund Amount bears to the total Aggregate Refund Fund. This percentage shall be used to calculate each Qualified Class Member's pro rata share of the Fees and Expenses to be subtracted from the Presumptive Refund Amount. The Fees and Expenses shall be totaled and multiplied by the ratio of each Class Member's Presumptive Refund Amount to the Aggregate Refund Fund. The resulting number shall be each Qualified Class Member's portion of the Fees and Expenses ("**Pro-Rata Fees and Expenses**"). The difference between the Pro-Rata share of the Aggregate Refund less the Pro-Rata Fees and Expenses shall be each Qualified Class

[10] Class Counsel's fees and expenses, Named Plaintiff's service award, and the fees and expenses arising from the administration of the Aggregate Refund Fund are collectively referred to as "Fees and Expenses" in the Order and Judgment. *See* Ex. 1, Judgment at Section E.

Member's final refund ("**Final Refund**") and shall be the amount distributed to each Qualified Class Member as set forth in the Order and Judgment. *See* Ex. 1 at Sections F-I for a more detailed explanation of the method by which refunds will be calculated and the identification of class members.

Under the Order and Judgment, within thirty (30) days of the later of the expiration of the period for submitting claim forms and objecting to individual refund amounts or a final ruling by the "**Special Master**" on any individual refund calculation, the "**Administrator**" shall identify to the "**Lanier QSF Administrator**" the "**Category 1 Class Members**", each of such terms being defined in the Order and Judgment, who have properly filled out and returned claim forms, the amount of refund due each taxpayer, and the address to which the refund is to be mailed . The Lanier QSF Administrator shall then issue refund checks from available funds in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the City. Similarly, within thirty (30) days following the expiration of the period to submit "**Claim Forms**", the Administrator shall identity to the Lanier QSF Administrator the "**Category 2 Class Members**", again each of such terms being defined in the Order and Judgment, who have properly filled out and returned claim forms, the amount of refund due each taxpayer, and the address to which the refund is to be mailed. The Lanier QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 2 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the City. *See id.* at Sections F-I.

In exchange, the Class Members will release the City from claims and demands for the payment of taxes asserted in the Lawsuit related to or arising out of issues in this Lawsuit. *See id.* at Section J. For more information concerning the release, *see id.* at Section J.

## II. THE ORDER AND JUDGMENT IS FAIR, REASONABLE, AND ADEQUATE AND THEREFORE MERITS FINAL APPROVAL

O.C.G.A. § 9-11-23 governs class action litigation and provides that "[a] class action shall not be dismissed or compromised without the approval of the court and notice of the proposed dismissal or compromise shall be given to all members of the class in such manner as the court directs." O.C.G.A. § 9-11-23(e). Thus, any resolution of class action litigation must be approved by the court. Such approval involves a two-step process. First, the Court must conduct a preliminary review to determine whether the proposed Order and Judgment is "within the range of possible approval." *Fresco v. Auto Data Direct, Inc.*, 2007 WL 2330895, at *4 (S.D. Fla. May 11, 2007) (internal citations omitted).[11] That step was completed when the Court issued its Second Preliminary Approval Order on April 30, 2026. Following the preliminary approval, the second and last step is for the Court to determine the Order and Judgment's fairness. A class action settlement should be approved "if it is fair, adequate, reasonable and free of fraud or collusion." *Bennett, et al. v. Behring Corporation, et al.*, 737 F.2d 982, 986 (11th Cir. 1984). "A settlement is fair, reasonable and adequate when the interests of the class as a whole are better served if the litigation is resolved by the settlement rather than pursued." *See also In re Checking Account Overdraft Litigation*, 2020 WL 4586398, at *8 (S.D. Fla. 2020) ("**Overdraft Litg. II**") (internal citations and punctuation omitted).

Largely due to the complexity and difficulties of class action litigation, "[p]ublic policy strongly favors the pretrial settlement of class action lawsuits." *In re U.S. Oil and Gas Litig.*, 967

[11] Since its enactment in 1966 Georgia courts have read O.C.G.A. § 9-11-23 to track Federal Rule of Civil Procedure 23, and in 2003, O.C.G.A. §9-11-23 was modified to actually conform to the federal rule. Thus, Georgia courts rely on federal cases interpreting FRCP 23(e) when interpreting O.C.G.A. § 9-11-23(e). *See Sta-Power Indus., Inc., v. Avant*, 134 Ga. App. 952-953 (1975) ("Since there are only a few definitive holdings in Georgia on [O.C.G.A. § 9-11-23], we also look to federal law to aid us.").

Supp. 2d 1329, 1333 (N.D. Ga. 1993) (in approving proposed class action settlement, recognizing and being guided by the strong judicial policy favoring settlements; that compromise is the essence of settlement; and that "settlements of class actions are highly favored … and will be upheld wherever possible because they are a means of amicably resolving doubts and preventing lawsuits.") The ultimate determination of whether a proposed class action settlement warrants approval resides in the court's discretion. *See Protective Comm. For Indep. S'holders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424-25 (1968). The Eleventh Circuit has identified

the following factors that a court should consider in determining whether a settlement is fair, reasonable, and adequate:

> (1) the likelihood of success at trial; (2) the range of possible recovery; (3) the point on or below the range of possible recovery at which a settlement is fair, adequate and reasonable; (4) the complexity, expense and duration of litigation; (5) the substance and amount of opposition to the settlement; and (6) the stage of proceedings at which the settlement was achieved.

*Columbus Drywall & Insulation, Inc, et al v. Masco Corp., et al*, 258 F.R.D. 545, 558-59 (N.D. Ga. 2007) (quoting *Bennett*, 737 F.2d at 986). Such factors are known as the *Bennett* factors. *See also Overdraft Litg. II*, 2020 WL 4586398, at *9.

Nevertheless, "[j]udges should not substitute their own judgment as to the optimal settlement terms for the judgment of the litigants and their counsel." *Armstrong v. Board of School Directors*, 616 F.2d 305, 315 (7th Cir. 1980), overruled on other grounds in *Felzen v. Andreas, et al.*, 134 F.3d 873 (7th Cir. 1998). Thus, "[i]n determining whether to approve a proposed settlement, the Court is entitled to rely upon the judgment of the parties' experienced counsel," and, absent fraud or collusion should be hesitant to substitute its own judgment for that of counsel. *Domestic Air Transp.*, 148 F.R.D. at 312-313. *See also Nelson v. Mead Johnson & Johnson Co.*, 484 Fed. Appx. 429, 434 (11th Cir. 2012) (In making a determination of whether the settlement is fair, reasonable, and adequate, the court may rely on "the judgment of experienced counsel for the parties.").

### A. The *Bennett* Factors Support Final Approval of the Order and Judgment.

When evaluating the *Bennett* factors, it is important to keep in mind that the court is not to try the case on the merits. *See Perez v. Asurion Co.*, 501 F. Supp. 2d 1360, 1380 (S.D. Fla. 2007). "Rather the court must rely upon the judgment of experienced counsel and, absent fraud, should

be hesitant to substitute its own judgment for that of counsel." *Id.* (Citation omitted). Here, each *Bennett* factor weighs in favor of granting final approval.

**i. The benefits outweigh the risks at trial.**

The first *Bennett* factor, the likelihood of success at trial (similar to Rule 23(e)(2)(C)(i)), must be weighed "against the amount and form of relief contained in the settlement." *Saccoccio v. JP Morgan Chase Bank, NA*, 297 F.R.D. 683, 692 (S.D. Fla. 2014) (quotation omitted). Additionally, in considering the risks involved in continued litigation, "[t]he [c]ourt should consider the vagaries of litigation and compare the significance of immediate recovery by way of the compromise to the mere possibility of relief in the future, after protracted and expensive litigation." *Overdraft Litg. II*, 2020 WL 4586398, at *10 (internal citations omitted); *see also In re U.S. Oil & Gas Litig.*, 967 F.2d at 493 (noting that complex litigation "can occupy a court's docket for years on end, depleting the resources of the parties and taxpayers while rendering meaningful relief increasingly elusive"). In this regard, the Eleventh Circuit recently noted that "[s]uccess at trial is always uncertain, but the complexity, expense, and likely protracted litigation that would be expected in [a class action] case increase the chances that [p]laintiffs and the [c]lass might not ultimately succeed in [the] case." *McGaffin*, 2020 WL 3491609, at *6.

With such considerations in mind, if the Court enters final approval of the Order and Judgment, the direct benefits to the Class Members include the creation of an Aggregate Refund Fund in the amount of Five Million Dollars and No/100 ($5,000,000.00). *See* Ex. 1, Order and Judgment, at Section C. The Order and Judgment provides immediate cash refunds for the Class Members amounting to up to ***sixty percent (60%)*** of the total calculated refund due less fees and expenses. *See* Ex. 1, Order and Judgment. On the other hand, should the Order and Judgment not be approved, Named Plaintiff will file a Motion to Certify the Suit as a Class Action and face

substantial hurdles affecting the likelihood of Named Plaintiff and the proposed class's success on the merits. Class certification is always challenging and assuming that a class is actually certified, and as the Objectors concede, the issues presented in this case are novel and complex. Dkt. No. 97 at p. 8. Indeed, this Lawsuit concerns the taxing power of local governing authorities, the constitutional restrictions on such power, and the ever-confounding distinction between taxes, fees, and assessments. The law in this area is not at all settled but rather has been and continues to be litigated extensively with a particularly relevant case involving questions fundamental to this case — whether Fire Fees such as those involved here are taxes and whether the Constitution requires taxation of real property be ad valorem – currently on appeal before the Georgia Supreme Court. *See Chatham County v. Damon and Sebrell E. Smith*, S26A0699. A ruling in *Chatham County* is expected later this year and should either of the questions presented therein be answered in the negative, Named Plaintiff's position in this case would suffer a significant blow and potentially result in a decision favorable to the City.

Certainly, should this case proceed, Named Plaintiff risks losing on summary judgment, at trial, or on appeal. Moreover, if this matter proceeds to trial the outcome could result in relief either greater or less than the Aggregate Refund Fund. Thus, the possibility of a trial producing a more favorable recovery is impossible to gauge, and the Class would risk the many hazards of litigation, such as trial errors and appeals and potentially recovering nothing. *See In re Motorsports*, 112 F. Supp. 2d at 1334 ("[T]he trial process is always fraught with uncertainty."); *Allapattah Servs., Inc. v. Exxon Corp.*, 454 F. Supp. 2d 1185, 1206 (S.D. Fla. 2006) ("[C]lass actions involving various legal theories are, by their nature, very difficult."). The Order and Judgment avoids these uncertainties and provides the Class Members with meaningful and certain relief. Accordingly, the first *Bennett* factor weighs in favor of granting final approval of the Order and Judgment.

### ii. The Settlement is within the range of possible recoveries and is fair, adequate, and reasonable.

The second and third *Bennett* factors – whether the settlement is within the range of possible recoveries and is fair, adequate, and reasonable – can be considered together. *See Burrows v. Purchasing Power, LLC*, 2013 WL 10167232, at *6 (S.D. Fla. Oct. 7, 2013). In assessing the Order and Judgment, "[t]he Court's role is not to engage in a claim-by-claim, dollar-by-dollar evaluation, but to evaluate the proposed settlement in its totality." *Lipuma v. American Express Co.*, 406 F. Supp. 2d 1298, 1323 (S.D. Fla. 2005). "[T]he Court must determine whether it falls within the range of reasonableness, not whether it is the most favorable possible result in the litigation." *In re Domestic Air Transp. Antitrust Litig.*, 148 F.R.D. 297, 319 (N.D. Ga. 1993). Furthermore, as the District Court for the Southern District of Florida explained, "[i]n evaluating a proposed class action settlement, the Court will not substitute its business judgment for that of the parties." *Overdraft Litg. II*, 2020 WL 4586398, at *7 (internal citations and punctuation omitted). "[T]he only question is whether the settlement, taken as a whole, is so unfair on its face as to preclude judicial approval." *Id.* (Internal citations and punctuation omitted).

Here, the possible range of recovery is negatively impacted by the novelty and complexity of the issues and consequently reduced likelihood of success on the merits, as well as the resources available to the City. The source of any recovery in this action is limited to City funds and bonds, which will only be further eroded by continuing defense costs incurred in this Lawsuit should the Settlement not be approved. Thus, "the fact that this case is complex, expensive[,] and time consuming, combined with the limited source[s] of recovery, mean[s] that the range of possible recovery [continually] decreases." *Greco v. Ginn Dev. Co., LLC*, 635 Fed. Appx. 628, 633 (11th Cir. 2015).

Despite such complexities, anticipated legal hurdles, and limitations on the possible range of discovery, should the Court approve the Order and Judgment, the Class Members will receive up to sixty percent (60%) of the total calculated refund due less fees and expenses as well as an injunction preventing the City's continued assessment of the Fire Fee. *See* Ex. 6 at 32; Ex. 1, Order and Judgment, Section B, C. *Compare WinSouth Credit Union v. Mapco Express, Inc.*, No. 3:14-cv-01573 (M.D. Tenn. Jan. 12, 2017) (approving settlement despite arguments that it provided less than 10 percent of the potential recovery). This is an extraordinary result and an immediate and substantial benefit to the Class Members. Indeed, in similar class actions brought by Named Plaintiff's counsel, the settlements approved therein did not all include an injunction and amounted on average to thirty-six percent (36%) of the total calculated refund due less fees and expenses, twenty-four percent (24%) less than the Class Members stand to receive here.[12] *See* Ex. 6, Roberts Aff. at ¶33.

Moreover, and significantly, by previously granting preliminary approval of the Order and Judgment, this Court has already determined that the Order and Judgment falls within the range of possible recovery. *See Matter of Skinner Group, Inc.*, 206 B.R. 252, 261 (Bankr. N.D. Ga. 1997). Therefore, the Order and Judgment is within the range of possible recoveries and is fair, adequate, and reasonable, and the second and third *Bennett* factors favor its final approval.

[12] *See Deer Run Timber, LLC v. Johnson County*, Civil Action No. 2023-CV-0125, Superior Court of Johnson County, Final Approval order (February 10, 2025) (approving settlement of forty five percent (45%) of total potential refund); *Grange Investments, LLC v. City of Port Wentworth*, Civil Action No. SPCV23-00216-KA, Superior Court of Chatham County, Final Approval Order (June 10, 2025) (approving settlement of twenty eight percent (28%) of total potential refund); *Steven Schreck v. Emanuel County*, Civil Action No. 25CV00072, Superior Court of Emanuel County, Final Approval Order (November 5, 2025) (approving settlement of thirty seven percent (37%) of total potential refund); and *Bobby Black v. Garden City, Georgia* Civil Action No. SPCV25-01358-ST, Superior Court of Chatham County, Final Approval Order (June 9, 2026) (approving settlement of nineteen percent (19%) of total potential refund ).

The Objectors nevertheless contest the fairness of the proposed Order and Judgment, arguing that prospective class members will be "actively harmed" by the Settlement because they, as taxpayers, will essentially pay themselves the refund contemplated in the Order and Judgment through increased property taxes. *See* May 27, 2026, Objection, generally. Such argument is based on pure speculation concerning the potential future actions of the City and is not relevant to the fairness analysis. Indeed, the Objectors presented no evidence in their May 27, 2026, Objection showing that the City will increase the millage rate and accordingly its property taxes to pay the proposed Settlement. *Id.*, generally. And when asked in his deposition if he had any knowledge as to how the City will fund the proposed Settlement, Objector Carter Infinger repeatedly responded in the negative:

> **Q**. Have you had any conversations with any employees, officers, officials of Richmond Hill about how they intend to fund a proposed settlement?
> …
> **A**. I said no.
> …
> **Q**. To your knowledge, where will the funds to pay the proposed settlement come from?
> **A**. I have no idea, but it's going to be charged back to the citizens of Richmond Hill.
> **Q**. And when you say it's going to be charged back to the citizens of Richmond Hill, has anyone with the City told you that?
> **A**. No. It's not going to come out of the sky. It's got to come from somewhere.
> **Q**. To your knowledge, there's been no announcement from Richmond Hill about how the settlement will be funded, has there?
> **A**. Not -- not to my knowledge.
> **Q**. There's been no announcement by Richmond Hill of its intent to raise the millage rate in the coming years, has there?
> **A**. Not to my knowledge.

*See* Deposition of Carter Infinger attached hereto as **Exhibit "9"** at pp. 24, 28.

Thus, the Objectors' contention that the City will increase property taxes to fund the Settlement is based not on facts but rather amounts to pure speculation about what the City *may* do in the future. And contrary to the Objectors' speculative claims, Class Counsel has negotiated

settlements in several similar class actions challenging fees as illegal taxes, not one of which resulted in the involved local governments raising the millage rate to fund the settlement. *See* **Exhibit "11"** attached hereto. This is likely largely attributable to each of the government's negotiation, much like the City's negotiation here, of a structured settlement with payments over time as opposed to one lump sum. The proposed Settlement with structured pay outs over time affords the City the time and ability to absorb the cost of the Settlement. The Objectors' argument is consequently highly speculative and meritless, and the Order and Judgment is fair, adequate, and reasonable.[13] Such a speculative objection has been held to be irrelevant in evaluating the propriety of class treatment in a virtually identical case from the state of Florida involving fire fees. *Discount Sleep of Ocala, LLC v. City of Ocala*, 245 So. 3d 842 (Fla. Dist. Ct. App. 2018)

**iii. Continued litigation would be expensive and lengthy.**

A settlement that "will alleviate the need for judicial exploration of...complex subjects [and] reduce litigation costs..." merits approval. *Lipuma*, 406 F. Supp. 2d at 1324. In analyzing whether the complexity, expense, and duration of litigation support final approval of a proposed settlement, courts compare the benefits of immediate recovery against the uncertainties of complex,

[13] Similarly meritless and in conflict with the law is the Objectors' opinion that citizens and taxpayers should not be permitted to recover improperly or illegally assessed fees and taxes from the assessing local government. *See* Ex. 9 at p.28-29 (Q. "...I'm asking you generally if that's -- is that your belief, that taxpayers just shouldn't be able to recover from the government for fees and taxes, even if they were collected improperly?" A. "In this case, yes."). "Government at all levels has a legal duty to follow the law; a local government owes that legal duty to its citizens, residents, taxpayers, or voters". *Sons of Confederate Veterans v. Henry Cnty. Bd. of Commissioners*, 315 Ga. 39, 39, 880 S.E.2d 168, 171 (2022). That duty extends to and includes the obligation to follow the law when assessing and collecting taxes. Indeed, "the power to levy and collect taxes is so great," *Bellsouth Telecommunications v. Cobb County*, 305 Ga. 144, 151 (2), 824 S.E.2d 233 (2019), and, as such, government "can only exercise the power of taxation as conferred upon it either directly by the Constitution or by the General Assembly when authorized by the Constitution..." *DeKalb Co. v. Brown Builders*, 227 Ga. 777, 778, 183 S.E.2d 367, 369 (1971) (internal citations omitted); *Bellsouth*, 305 Ga. at 151, 824 S.E.2d at 239 (citing *McCulloch v. Maryland*, 17 U.S. 316, 427 (1819) ("The power to tax is the power to destroy.")). When such power is abused, the Refund Statute affords taxpayers the right to seek a refund of taxes illegally or erroneously assessed and collected by their local government. O.C.G.A. § 485-380(a). "[T]his is the very injustice to taxpayers remedied by the refund statute." *Marconi Avionics, Inc. v. DeKalb Cnty.*, 165 Ga. App. 628, 630, 302 S.E.2d 384, 385–86 (1983) (citation omitted). And as the Supreme Court has noted, claims regarding the government's uniform imposition of a tax are uniquely suited to class certification. *Amchem Products, Inc. v. Windsor*, 521 U.S. 591, 614 (1997).

expensive, and potentially lengthy litigation. *See Columbus Drywall & Insultation, Inc. v. Masco Corp.*, 2012 WL 12906499, at *3 (N.D. Ga. Oct. 26, 2012) (comparing benefits of "certain and substantial recovery" provided by settlement with "no assurance of any recovery, let alone a larger one, if the litigation were to continue against [defendant] through trial and the delay of an appeal"); *Ingram v. the Coca-Cola Co.*, 200 F.R.D. 685, 691 (N.D. Ga. 2001) (comparing expenses and duration of further litigation with "the strength of the relief [and] the added benefit of obtaining it now rather than years from now.").

Here, as discussed above, the Order and Judgment provides significant immediate monetary relief. Moreover, final approval of the Order and Judgment will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court as trying this Lawsuit to verdict would involve expert involvement, extensive argument and voluminous briefing, and possible *Daubert* challenges and appeals. Thus, the fourth *Bennett* factor favors final approval of the Order and Judgment.

**iv. There is little to no opposition to the Order and Judgment.**

The fifth *Bennett* factor requires the Court to consider "the substance and amount of opposition to the settlement." *Bennett*, 737 F.2d at 986. "[A] low percentage of objections demonstrates the reasonableness of the Consent Judgment and supports the Consent Judgment's approval." *In Re: The Home Depot, Inc., Customer Data Security Breach Litigation*, 2016 WL 6902351, at *6 (N.D. Ga. Aug. 23, 2016).

Out of the 8,100 prospective class members, a single objection was filed by Bryan County's counsel on behalf of a Bryan County Commissioner (Carter Infinger), a County Commissioner's wife (Karen Infingert) and an entity controlled by a Bryan County Commissioner (William

Wallace as Managing Member for EJWJ, Properties, LLC).[14] When considering and weighing an objection, this Court may "properly consider [whether the Objectors] (or [their] counsel) may have…an ulterior motive in objecting to the settlement… *Greco*, 635 Fed. Appx. at 633; *see also In re Prudential Ins. Litig.*, 148 F.3d 283, 318 (3d Cir.1998) (determining that in assessing the weight of objections to class settlement agreements, the district court may properly consider the fact that the most vociferous objectors were persons enlisted by counsel seeking control of the litigation). Here, each of the individuals and entities behind the lone objection are either a law firm or a Bryan County, Georgia Commissioner (or the spouse of a County Commissioner) currently engaged in a class action lawsuit in which Bryan County, Georgia and its Commissioners are attempting to defend Bryan County's own illegal taxation of its citizens through the imposition of a similar "fire fee". *See* Ex. 6, Roberts Aff. at ¶¶ 20-21, 26; May 27, 2026, Objection, generally; *Steven Morgan, et al. v. Bryan County*, SUV2023000371, Superior Court of Bryan County, Georgia. The Objectors' counsel, specifically Aaron Kappler, is also counsel in multiple similar class action cases, each of which will be influenced by the final certification of the Revised Refund Class and approval of the proposed Settlement. *See* FN 14, *supra*. Accordingly, there exists a conflict of interest between the Objectors and the Class Members, the nature of which is strikingly obvious. TOKN and the Objectors, contrary to the interest of the Class Members in receiving a refund, have a substantial financial and political interest in objecting to the proposed Settlement and seeking its disapproval so as to (1) avoid the appearance of any acquiescence in Named

[14] Courts have held that where only a small number of class members object to a settlement, there is convincing evidence of the fairness and adequacy of the proposed settlement and should be approved. *See e.g. Stoetzner v. United States Steel Corp.*, 897 F.2d 115 (3d Cir. 1990) (settlement strongly favored where there were only 29 objections out of 281 class members); *Rodriquez v. West Pub. Corp.*, 563 F.3d 948, 967 (9th Cir. 2009) (explaining that the "court ha[s] discretion to find a favorable reaction…among class members where there were "only fifty-four objections" out of 376,301 class members receiving notification); *Churchill Village, LLC v. Gen. Elec.*, 361 F.3d 566, 577 (9th Cir. 2004) (affirming approval of class action settlement with 45 objections from a 90,000 person class).

Plaintiff's argument by not objecting to the underlying basis for and accepting a refund in this case, (2) protect their selection or re-election as local government counsel or representatives, and (3) bolster their arguments in the aforementioned class action that the involved charges are proper "fees" or that there is no general *ad valorem* requirement for taxes. *See* Ex. 6, Roberts Aff. at ¶¶21,26. For this reason alone, the Court should disregard the Objectors' May 27, 2026, Objection. The crux of the conflict is best expressed in Commissioner Infinger's own words:

> **Q. And your preference is for this case to proceed to trial, and if you're correct, the Richmond Hill fire fee is determined illegal -- is – is determined to be legal and the taxpayers get nothing back, and that would be your preference?**
>
> **A. Yes.**
>
> **Q. And do you agree that that is a worse outcome for the taxpayers -- for the property owners of Richmond Hill that are in this class in the proposed settlement at issue?**
>
> **A. I think it's better for the taxpayers.**

*See* Ex. 9 at 44.

Moreover, the Objectors are not members of the Revised Refund Class for which final approval is sought. As the Objectors are not members of the Revised Refund Class and no rights will be affected by the Settlement, they lack standing to object to the proposed Order and Judgment. *See In re Domestic Air Transp. Antitrust Litig.*, 148 F.R.D. 297, 342–43 (N.D. Ga. 1993) ("Because the government entities are not within the definition of the class and are not appearing on behalf of class members with regard to this objection, they have no standing to bring the objection."); *Gould v. Alleco, Inc.*, 883 F.2d 281, 284 (4th Cir. 1989) ( "The plain language of Fed.R.Civ.P. 23(e) clearly contemplates allowing only class members to object to settlement proposals."); *Mashburn v. National Healthcare, Inc.*, 684 F. Supp. 660, 673 (M.D. Ala. 1988) (where objectors argued that they should be included as members of the class, court held that they were without standing to object to the settlement and are not barred or affected by it); *Seiffer v. Topsy's Int'l,*

*Inc.*, 70 F.R.D. 622, 627–28, n. 5, 6 (D. Kan. 1976) (objectors lacked standing to object to settlement agreement because they were not members of the class).[15] Accordingly, there are no objections to the proposed settlement by the Revised Class Members- those to whom the settlement will apply.

Lastly, even if considered, the Objectors' arguments in opposition to final approval of the Order and Judgment are fatally flawed. Specifically, the Objectors seek disapproval of the Order and Judgment arguing that (1) Named Plaintiff's claims are legally dubious, (2) the Order and Judgment is unfair because the prospective class members will suffer harm in the form of increased taxes should the Settlement be approved and, in Objectors' opinion, citizens and taxpayers should not be able to recover improperly or illegally assessed fees and taxes from the assessing local government; and (3) class certification is improper due to an alleged conflict of interest affecting the adequacy of Named Plaintiff and Class Counsel. *See* May 27, 2026, Objection at pp. 3, 5, 12; Ex. 9, C. Infinger Depo. at pp. 29-30. As discussed hereinabove in Sections I(B) and II(A)(ii) and below in Section III, such arguments are without merit and must once again be disregarded. Accordingly, the fifth *Bennett* factor favors final approval of the Order and Judgment.

**i. The stage of the proceedings supports final approval of the Order and Judgment.**

The purpose of the final *Bennett* factor is "to ensure that [p]laintiffs had access to sufficient information to adequately evaluate the merits of the case and weigh the benefits of settlement against further litigation." *Lipuma*, 406 F. Supp.2d at 1324. The discovery completed, however, need not be exhaustive. *See Jones v. Amalgamated Warbasse Houses, Inc.*, 97 F.R.D. 355, 360

[15] Moving forward, the Objectors' interest in any refund potentially owed them by the City is amply protected as they are not affected by the proposed Settlement and may individually pursue their refund claims against the City if they so desire. *See Mashburn, supra.*

(E.D. N.Y. 1982, *judgment aff'd*, 721 F.2d 881 (2d Cir. 1983). Where information has been gathered through other means "formal discovery [is not] a necessary ticket to the bargaining table." *In re Corrugated Container Antitrust Litig.*, 643 F.2d 195, 211 (5th Cir. 1981); *see also In re Mego Fin. Corp. Sec. Litig.*, 213 F.3d 454, 459 (9th Cir. 2000) (same); *Cotton*, 559 F.2d at 1332 (finding that "very little formal discovery was conducted and there [was] no voluminous records in this case" but that "the lack of such does not compel the conclusion that insufficient discovery was conducted," as plaintiffs "achieved the desired quantum of information necessary to achieve a settlement" through investigation and informal discovery). Moreover, "[t]he law is clear that early settlements are to be encouraged, and accordingly, only some reasonable amount of discovery should be required to make these determinations." *Ressler v. Jacobson*, 822 F. Supp. 1551, 1555 (M.D. Fla. 1992). Indeed, in analyzing the final *Bennett* factor it must be remembered that "penalizing class counsel for achieving a settlement [early] would work against the interests of the class and undercut the judicial policy favoring early settlement." *In re Equifax Inc. Customer Data Security Breach Litigation*, 2020 WL 256132, at *35 (N.D. Ga. 2020), *aff'd in part and remanded by In re Equifax Inc. Customer Data Security Breach Litigation*, 999 F.3d 1247 (11th Cir. 2021).

Although Class Counsel was able to reach the Order and Judgment in this Lawsuit more efficiently than in some other cases (*see, e.g., Altamaha Bluff, LLC, et al. v. Thomas, et al.*, Superior Court of Wayne County, 14CV0376 (6 years) and *Coleman v. Glynn County*, Superior Court of Glynn County, CE12-01785-063, CE13-01480-063; and CE14-00750-063 (7 years)), such efficiency reflects Class Counsel's experience in handling tax and fee refund matters and outcomes in other similar matters. Class Counsel knew the work and investigation that was required in order to reach a fair, adequate and reasonable Settlement. Moreover, based on lead Class Counsel's experience with refund cases, Class Counsel knew the issues they faced at every

stage in the Lawsuit, knew the potential refund recovery to be had and the chance of achieving it. *See Overdraft Litg. II*, 2020 WL 4586398, at *10 ("Information obtained from other cases may be used to assist in evaluating the merits of a proposed settlement of a different case.") (internal citations omitted). Similarly, this experience enabled Class Counsel to convince the City not only that Class Counsel were adequate to the task and willing to do what it took to achieve an excellent result, but that they genuinely understood – for both sides – what the case was worth given the law, facts, and risks. In short, Class Counsel was well positioned to evaluate the strengths and weaknesses of the claims in part as a result of their litigation and settlement of similar tax refund cases. *Compare Overdraft Litg. II*, 2020 WL 4586398, at *12 ("Class Counsel were well positioned to evaluate the strengths and weaknesses of [p]laintiffs' claims, as well as the appropriate basis upon which to settle them, as a result of their litigation and settlement of similar claims reached [in other cases].").

Thus, Class Counsel was well informed of the merits of the Lawsuit and had sufficient information to weigh the benefits of settlement against further litigation. As a result, and in combination with Class Counsel's litigation experience, Class Counsel determined that the Order and Judgment is fair, adequate and reasonable. Accordingly, the sixth *Bennett* factor favors final approval of the Order and Judgment.

**b. The Judgment of Class Counsel Should be Afforded Great Weight.**

Where experienced counsel represents the Class Members, the court, "absent fraud, collusion, or the like, should be hesitant to substitute its own judgment for that of counsel." *Cotton*, 559 F.2d at 1330. As the District Court for the Northern District of Georgia recently stated, "in evaluating whether the settlement is fair, reasonable, and adequate the [c]ourt also gives due weight to the judgment of class counsel." *Equifax*, 2020 WL 256132, at *11. *See also Ingram*, 200 F.R.D.

at 691 (taking into account experienced class counsel's "collective judgment that the benefits of the settlement far outweigh the delay and considerable risk of proceeding to trial"). Here, Class Counsel has extensive experience in refund actions such as this Lawsuit, as well as tax law, including property tax law and litigation having handled tax appeals and tax refund matters for thousands of parcels in over 60 counties in the State of Georgia as well as Florida, Virginia, Alabama, and North Carolina at the administrative, trial court, and appellate court levels. *See* Ex. 6, Roberts Aff. at ¶¶3-9. Class Counsel regularly provides advice and counsel to clients on matters related to taxation and the valuation of property for taxation, exemption, and special use valuation programs. *Id.*

Class Counsel, guided by such experience, believes that the Order and Judgment represents an excellent result. It is the opinion of Class Counsel that the Settlement achieved in this Lawsuit is fair, reasonable, and adequate under the circumstances. Therefore, Class Counsel recommends that the Court grant final approval of the Order and Judgment and the Court should give "great weight to the recommendation of counsel for the parties, given their considerable experience in this type of litigation." *Lunsford v. Woodforest Nat'l Bank*, 2014 U.S. Dist. LEXIS 200716, at *26 (N.D. Ga. 2014) (internal citations omitted); *see also Overdraft Litg. II*, 2020 WL 4586398, at *12 (same). Further, the Order and Judgment is not a product of collusion. *See* discussion at Section II(C), *infra*. Thus, Class Counsel's judgment provides further support that the Order and Judgment is fair, adequate and reasonable.

**c. The Order and Judgment is the Result of Good Faith Negotiations and is Not the Produce of Collusion Between the Parties.**

In addition to the *Bennett* factors, a court in granting final approval of a class action settlement must find that the settlement "is not a product of collusion between the parties." *Bennett*, 757 F.2d at 986; FRCP 23(e)(2)(B). In determining whether the settlement is a product of collusion,

the Court examines "whether the settlement was achieved in good faith through arms-length negotiations, whether it was the product of collusion between the parties and/or their attorneys, and whether there was any evidence of unethical behavior or want of skill or lack of zeal on the part of class counsel." *Berman v. General Motors LLC*, 2019 WL 6163798, at 4 (S.D. Fla. Nov. 18, 2019) (internal citations omitted). Courts have found no collusion where the settlement is the result of extensive arms-length negotiations. *See e.g. Ingram*, 200 F.R.D. at 693; *In re Checking Account Overdraft Litig.*, 275 F.R.D. 654, 661 (S.D. Fla. 2011) ("Settlement negotiations that involve arm's length, informed bargaining with the aid of experienced counsel support a preliminary finding of fairness.").

The Order and Judgment was negotiated at arm's length and without collusion. The Parties engaged in extensive arm's length resolution negotiations, discussions concerning the terms of the Order and Judgment were conducted by senior attorneys from both sides, all participants in the resolution discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit, and each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the amount owed, and the defenses thereto. The Order and Judgment is therefore not a product of collusion between the Parties but is instead the result of hard-fought, arms-length negotiations. There is no evidence of collusion as counsel for both Parties zealously represented the best interests of their clients. Moreover, Class Counsel believes that the Order and Judgment is fair and reasonable thereby entitling the Order and Judgment to a presumption of fairness. *See Slomovics v. All For A Dollar, Inc.*, 906 F. Supp. 146, 150 (E.D.N.Y. 1995) (Courts give considerable weight to the views of experienced counsel as to the merits of a settlement).

Because all of the *Bennett* factors heavily weigh in favor of approval of the Order and Judgment, there is no collusion between the Parties, and Class Counsel's judgment should be afforded great weight, final approval of the Order and Judgment should be granted.

**d. Class Members Received Excellent Representation.**

The record shows that the Named Plaintiff and Class Counsel have provided exceptional representation to the Class Members as required by Rule 23(e)(2)(A). To begin, Named Plaintiff, as the Class Representative, shares the same interests as the absent Class Members and asserts claims stemming from the same event – the City levied and assessed illegal taxes in the form of Fire Fees – and accordingly shares the same injuries. Named Plaintiff has no claim and no interest different from or antagonistic to the absent Class Members. *See* generally Named Plaintiff's Class Action Complaint. Finally, Named Plaintiff vigorously prosecuted this Lawsuit leading to the proposed Order and Judgment. *See* discussion of Named Plaintiff's involvement in the Lawsuit in the Application for Attorney's Fees, Reimbursement of Expenses and Service Award to Class Representative with Memorandum of Law in Support, Dkt. No. 96.

Named Plaintiff retained Class Counsel who is experienced in class action litigation generally and specifically refund class actions. Class Counsel thoroughly researched the facts of and legal issues in this Lawsuit. Lead Class Counsel's extensive knowledge in complex litigation and tax refund litigation, as well as the investigation and early discovery conducted in the Lawsuit, allowed Class Counsel to better understand the merits of the Lawsuit and damages involved, prepared Class Counsel for resolution discussions, and successfully positioned Class Counsel to engage in vigorous, arm's length negotiations. Stated succinctly, the extensive information gathered permitted Class Counsel and Named Plaintiff to assess their position in great detail and make a reasonable decision on the Order and Judgment. *See Mashburn v. Nat'l Healthcare, Inc.*,

684 F. Supp. 660, 669 (M.D. Ala. 1988) (settlement appropriate given counsel acquired sufficient information "to determine the probability of…success on the merits, the possible range of recovery, and the likely expense and duration of the litigation."). In light of the foregoing, the Order and Judgment represents an informed, educated, and fair resolution of the Lawsuit.

**e. The Order and Judgment Treats Class Members Equitably.**

Each Class Member (as defined in the Order and Judgment) will receive payment from the Aggregate Refund Fund and all terms of the Order and Judgment will apply to all Class Members equitability relative to each other. *See* Rule 23(e)(2)(D) factor; That is, each Qualified Class Member will receive his or her pro-rata share of the Aggregate Refund Fund ***up to 60%*** of the total Fire Fees paid during the Refund Period, less Fees and Expenses, *i.e.*, the Pro-Rata Refund. For a detailed explanation of the calculation, see Sections F-I of the Order and Judgment.

**f. The Proposed Method of Distribution of Refunds is the Best Method of Distribution Possible.**

Rule 23(e)(2)(C)(ii) requires the Court to review the effectiveness of any proposed method of distributing relief to the class. As set forth in the Order and Judgment, all Class members are treated equally in the Settlement. Courts have consistently concluded that where the settlement terms apply to all Class Members, the "method of distributing relief to the class" will effectively benefit every member of the Class and treat them equitability relative to each other." *Gumm v. Ford*, 2019 WL 479506, at *6 (M.D. Ga. Jan. 17, 2019).

**g. The Class Received Adequate Notice and Had Opportunity to be Heard.**

O.C.G.A. §9-11-23(e) provides "notice of the proposed…compromise shall be given to all members of the class in such manner as the court directs." Due process likewise requires that class members be given notice and an opportunity to be heard. *See Phillips Petroleum v. Shutts*, 472 U.S. 797, 812 (1985). The method and manner of the notice process is "left to the discretion of the

court subject only to the broad 'reasonableness' standards imposed by due process." *Grunin v. Int'l House of Pancakes*, 513 F.2d 114, 121 (8th Cir. 1975), *cert. denied*, 423 U.S. 864 (1975); *see also* O.C.G.A. §9-11-23(e).

In deciding which method of notice is sufficient, courts look solely to the notice language and the manner of distribution. *See Adams v. Southern Farm Bureau Life Ins. Co.*, 493 F.3d 1276 (11th Cir. 2007). Notice to the class need not include every material fact or be overly detailed. *See Faught v. Am. Home Shield Corp.*, 668 F.3d 1233 (11th Cir. 2011). Nor is there any single way in which the notice must be transmitted. Mail, however, "is the preferred means for notifying identified members of a class." Newberg on Class Actions, §8:28 (5th ed. 2013). Mail is sufficient when the class members are known. Wright & A. Miller, Federal Practice and Procedure, §1797.6 (3rd ed. 2005). Publication is nevertheless an acceptable substitute when individual notice to Class Members is not possible. *See Hughes v. Kore of Indiana Enterprise, Inc.*, 731 F.3d 672, 676–77, 86 Fed. R. Serv. 3d 647 (7th Cir. 2013) ("The members of the class in this case can't be identified through reasonable effort, effort commensurate with the stakes…When reasonable effort would not suffice to identify the class members, notice by publication, imperfect though it is, may be substituted."); *Mirfasihi v. Fleet Mortg. Corp.*, 356 F.3d 781, 786, 57 Fed. R. Serv. 3d 1158 (7th Cir. 2004) ("When individual notice is infeasible, notice by publication in a newspaper of national circulation…is an acceptable substitute."); *Shurland v. Bacci Cafe & Pizzeria on Ogden, Inc.*, 271 F.R.D. 139, 145 (N.D. Ill. 2010) ("In instances where the names and addresses of class members are not easily ascertainable, notice by publication alone continues to find support in more recent case law."). Notice by email is also recognized by courts as a means by which the Class can be notified. *See Browning v. Yahoo!, Inc.*, 2007 WL 4105971, at *4-7 (N.D. Cal. Nov. 16, 2007) (finding a notice program that included email notice to be the best practicable under the

circumstances and satisfied due process); *Holman v. Student Loan Xpress, Inc.*, 2009 WL 4015573, at *6 (M.D. Fla. November 19, 2009) (approving notice by first class mail to most recent known address).

**i. The best practicable notice was furnished.**

The Notice Program employed here was multi-faceted and included (a) distribution of Court-approved Full Notice by U.S. Mail; (b) Court-approved Publication Notice; and (c) Settlement Webpage. Each facet of the Notice Program was timely and properly accomplished. Ex. 7,; and Exhibit "10" t Publisher's Aff. Eight thousand one hundred (8,100) Full Notices were mailed to Class Members. Ex. 7, Administrator's Affidavit at ¶2. The addresses used were the last known addresses appearing in the records maintained by the City. Named Plaintiff believes that in providing notice in this manner he provided actual, individual notice to every taxpayer who can be located that may be entitled to a refund under the issues raised in this Lawsuit. *See e.g., Holman v. Student Loan Xpress, Inc.*, 2009 WL 4015573, at *6 (M.D. Fla. November 19, 2009) (approving notice by first class mail to most recent known address). In any event, the Constitution of the United States does not require that each individual member receive actual notice of a proposed settlement. *See Juris v. Inamed Corp.*, 685 F.3d 1294, 1318 (11th Cir. 2012).

In addition, Class Counsel's phone number was provided in the Full Notice, the Publication Notice, and on the Settlement Webpage for Class Members to call with questions. Approximately fifteen (15) phone calls have been handled to date. *See* Ex. 6, Roberts Aff. at ¶28. The response has been uniformly in favor of the Settlement. *Id.*

**ii. The notice was reasonably calculated to inform class members of their rights.**

The Court-approved Full Notice satisfied due process requirements because it described the Lawsuit and the substantive claims and contained information reasonably necessary for Class

Members to make a decision regarding objecting to the Order and Judgment. *See generally Lunsford*, 2014 U.S. Dist. LEXIS 200716. The Full Notice, among other things, defined the proposed class and described the releases provided the City under the Order and Judgment, how the refunds will be calculated, and the proposed distribution method. The Full Notice further informed Class Members of their right to object, the procedures and deadline for doing so, and the time and place of the Final Approval Hearing. The Full Notice, the Publication Notice, and the Notice posted on the Settlement Webpage – all written in plain English – told the Class Members where they could get more information on the proposed Order and Judgment, *i.e.*, the Settlement Webpage. The Settlement Webpage contained copies of relevant filings from the Lawsuit that could be downloaded by Class Members, including the Full Notice, the Order and Judgment, the Preliminary Approval Order, and other important Court documents.

The Court-approved Notice Program was therefore reasonably calculated to apprise Class Members of the Order and Judgment and afford them an opportunity to comment or present their objections. As discussed above, the Notice Program involved notice by mail, publication, and online notification. Any Class Member who wished to express comments or objections had ample opportunity to do so. The Notice Program clearly satisfies the requirements of O.C.G.A. § 9-11-23 as well as due process.

**B. THE COURT SHOULD CERTIFY THE SETTLEMENT CLASS**

The Court previously found that the Settlement Class met all of the requirements of O.C.G.A. § 9-11-23(a) and O.C.G.A. § 9-11-23(b)(1) and (b)(2). *See* Second Preliminary Approval Order, Dkt. No. 93; Second Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Dkt. No. 90. Nothing has changed regarding the application

of the O.C.G.A. § 9-11-23 factors to this Lawsuit since the Preliminary Approval Order was signed on April 30, 2026.

Nevertheless, the Objectors oppose class certification on the grounds that an alleged conflict of interest exists affecting the adequacy of Named Plaintiff and Class Counsel. *See* Dkt. No. 97 at ¶¶ 3, 5, 12. Specifically, the Objectors argue that some sort of antagonism or conflict exists between Named Plaintiff and class counsel and the prospective class members merely because the former requests payment for their services in this case. The record in this case, however, makes clear that no such conflict exists. The proposed Order and Judgment is not, and never has been, subject to or conditioned on the Court's approval of any requested attorney's fees and expenses or class representative service or incentive award. *See* Ex. 1, generally. Furthermore, Named Plaintiff filed three separate motions with this Court: one for preliminary approval of the proposed Settlement and certification of the class, this present motion for final approval of the proposed Settlement and certification of the class, and one for attorney's fees and expenses and a service award for Named Plaintiff. Neither of the motions for approval of the Settlement is contingent on the Court approving the requested attorney's fees and expenses or the service award. Thus, Named Plaintiff and Class Counsel's decision to agree to the proposed Settlement and to seek its approval was not influenced by the possibility of receiving payment. *See In re Equifax Inc. Customer Data Sec. Breach Litig.*, 999 F.3d 1247, 1282 (11th Cir. 2021) (although vacating incentive award as prohibited in the Eleventh Circuit, finding class representatives' representation of the class was not affected by the possibility of receiving incentive awards because the settlement agreement expressly stated that it remained in effect even if the court declined to approve the incentive awards, and the motion for settlement approval was not contingent on approval of the incentive awards). Indeed, class counsel and representatives are routinely awarded fees, expenses,

and service awards commensurate with those requested here, further suggesting that the request for such fees, expenses, and service award does not amount to a conflict of interest between class counsel and class representative and the class members.[16]

For the reasons already considered by the Court and the reasons stated herein, Named Plaintiff therefore requests that the Court confirm its preliminary decision and finally certify the Settlement Class.

## CONCLUSION

For the reasons set forth herein, and in the Court's Second Preliminary Approval Order, the Plaintiff requests that the Court grant this Motion, finally certify the Revised Settlement Class, and enter the Final Approval Order attached hereto as **Exhibit "12"**.

**IN THE SUPERIOR COURT OF BRYAN COUNTY**
**STATE OF GEORGIA**

| | |
|---|---|
| JOSHUA LANIER,<br><br>Plaintiff,<br><br>v.<br><br>CITY OF RICHMOND HILL, GEORGIA,<br><br>Defendant. | CIVIL ACTION NO. SUV2023000398 |

**ORDER AND JUDGMENT**

Plaintiff Joshua Lanier ("**Named Plaintiff**", "**Lanier**" or "**Class Representative**") filed the instant class action lawsuit (the "**Lawsuit**") against the City of Richmond Hill ("Defendant" or the "**City**") pursuant to O.C.G.A. §48-5-380 (the "**Refund Statute**") on behalf of himself and all taxpayers similarly situated seeking refunds for taxes illegally assessed and collected pursuant to City of Richmond Hill Ordinance Chapter 38, Article IV- Fire Protection Fee as adopted April 2, 2019 (the "**Fire Fee**" and the "**Fire Fee Ordinance**") and injunctive relief .[1]

Having read and considered the pleadings and facts presented, the Court finds as follows:

The Fire Fee has been assessed and collected based on the ownership of property on a *non-ad valorem* basis. Under the Georgia Constitution and Georgia law, taxation of real and personal property is required to be *ad valorem*. That is, property must be assessed based upon the value of the property. *See Hutchins, et la. v. Howard, et al.*, 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) ("Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of

[1] Named Plaintiff also asserts claims for declaratory judgment, prejudgment interest, and violation of uniformity requirement, due process and equal protection.

taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.").

Specifically, and as alleged in the Complaint as amended, the Court finds the following:

1) The Fire Fee is a means for the government to raise general revenue exclusively to be used for fire protection services, based on the taxpayer's ability to pay, specifically based on ownership of property, without regard to the direct benefit that may inure to the payer or to the property taxed;

2) The Fire Fee is mandatory;

3) The Fire Fee is not related to the payer's contribution to the burden on the government;

4) The Fire Fee does not result in a special benefit to the payer different from those to whom the charge does not apply; and

5) The Fire Fee is not calculated in a manner whereby the payer is reasonably paying for services rendered or to be rendered.

Therefore, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law;

**THEREFORE, IT IS ORDERED** as follows:

**A. Class Certification**

Named Plaintiff and Defendant hereby stipulate to the certification of one class pursuant to O.C.G.A. § 9-11-23(b)(1) and O.C.G.A. § 9-11-23(b)(2) and the Court finds that such certification is appropriate. The class consists of:

> ***all taxpayers within the City who were assessed and paid the Fire Fee at any time between November 7, 2018, and the date of final approval of this Settlement, excluding:***

a. ***all current members of the Richmond Hill City Council, the Mayor of Richmond Hill including such members' and Mayor's spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;***

b. ***all current members of the Bryan County, Georgia Board of Commissioners and Commissioners, City Council Members and Mayors of any Georgia county or municipality defending lawsuits challenging the validity of similar assessments for fire protection or public safety services , including their spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;***

c. ***all attorneys, including their spouse and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors, and law firms currently representing any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services; and***

d. ***any judge or judicial officer presiding over this matter, including their spouse and adult household members, and any privately held entities in which they are members, shareholders, managers, officers, or directors***

*(the "**Revised Refund Class**" or the "**Revised Settlement Class**").*

The Court specifically finds that class certification is appropriate because:

1) The potential class members are so numerous that joinder of all members is impractical, satisfying the requirements of O.C.G.A. § 9-11-23(a)(1);

2) There are questions of law or fact common to each class member, satisfying the requirements of O.C.G.A. § 9-11-23(a)(2);

3) The claims of the representative party are typical of the claims of Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(3);

4) Class Representative will fairly and adequately protect the interests of the Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(4);

5) Certification of the Refund Class is appropriate under O.C.G.A. § 9-11-23(b)(1) as the prosecution of separate actions by or against individual Class Members would create a risk of inconsistent or varying adjudications with respect to individual Class Members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual Class Members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their

ability to protect their interests;

6) Certification of the class is appropriate under O.C.G.A. § 9-11-23(b)(2) as Defendant has acted or refused to act on grounds generally applicable to each class member, thereby making appropriate final injunctive relief or corresponding declaratory relief with respect to members of the class;[2]

7) The law firms of Roberts Tate, LLC and Manly Shipley, LLP will fairly and adequately represent the interests of the Refund Class as Class Counsel; and

8) The action is manageable as a class action.

Plaintiff Lanier shall serve as class representative for the Refund Class as defined herein.

The law firms of Roberts Tate, LLC and Manly Shipley, LLP are appointed as Class Counsel for the Refund Class certified herein.

**B. Permanent Injunction**

Additionally, as of the date of this Order and Judgment and thereafter, Defendant is permanently enjoined and restrained from billing or collecting Fire Protection Fees pursuant to City of Richmond Hill Code of Ordinances Chapter 38, Article IV as adopted April 2, 2019.

**C. Judgment on the Aggregate Refund Amount**

The Court hereby approves and enters judgment pursuant to the Refund Statute in favor of Named Plaintiff and the class in the amount of Five Million and No/100 Dollars ($5,000,000.00) (hereinafter the "**Aggregate Refund Fund**") to pay refunds to the Refund Class.

Defendant shall pay the Aggregate Refund Fund as follows:

(1) $2,000,000 within fifteen (15) days from the date of Final Approval (the "**Initial Refund Fund Payment**"); and

(2) $3,000,000 on or before January 10, 2027 (the "**Final Refund Fund Payment**").

[2] Additionally, while the Court has elected to only certify the Refund Class under 9-11-23(b)(1) and 9-11-23(b)(2), the Court also finds that certification under 9-11-23(b)(3) would be appropriate as questions of law or fact common to the members of the Refund Class predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

In the event that Defendant fails to make the payment into the Aggregate Refund Fund as provided above, post judgment interest shall accrue at the rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

The Aggregate Refund Fund shall be the sole source used to pay: (i) all refunds and interest owed to Class Members as set forth herein (the "**Class Refunds**"); (ii) Plaintiff's Counsel for attorneys' fees and expenses as set forth herein and as approved by the Court; (iii) Class Representative Service Payment as set forth herein and as approved by the Court; and (iv) the costs of administering the Aggregate Refund Fund including the cost and expenses of the Administrator and the costs of notice to the Class Members as described herein, the costs and expenses of the Special Master, and the direct costs and expenses for the distribution and mailing of refunds to Class Members.

The Aggregate Refund Fund shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the "**Lanier QSF**") to carry out the payment of approved Fees and Expenses of Class Counsel and the Class Representative Service Payment set forth in Section F and the Refund Payment Process set forth in Section K herein. The Final Order will appoint Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 as administrator of the Lanier QSF (the "**Lanier QSF Administrator**"). The Lanier QSF Administrator will be paid a flat fee of $30,000.00. The costs of the Lanier QSF Administrator shall be paid from the Aggregate Refund Fund. The Aggregate Refund Fund shall be deposited into an interest-bearing bank account (the "**Aggregate Refund Fund Account**") established by the Lanier QSF Administrator. The Aggregate Refund Fund Account shall have a unique Taxpayer Identifier Number.

The Lanier QSF Administrator shall act as a fiduciary with respect to the handling, management and distribution of the Aggregate Refund Fund.

Except as set forth above, the costs of administering the Class Refunds shall not include any costs incurred by Defendant related to the webpage used for notification of Class Members or time devoted by employees of Defendant to fulfilling the terms of this Order and Judgment. The Aggregate Refund Fund shall be the sole and exclusive source for payment of the Class Refunds and fees and expenses and payment in full of the amount of the Aggregate Refund Fund owed by Defendant shall be in sole satisfaction of all claims against Defendant.

**D. Appointment of Administrator**

Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 is appointed Administrator to identify Class Members (hereinafter referred to as the "**Administrator**") entitled to refunds based on the City of Richmond Hill's databases, records and resources, and to calculate the individual refund amounts, if any, due each Class Member. The Administrator is to be given full access to the pertinent records of the City of Richmond Hill necessary to identify Class Members and determine individual refund amounts. In the event that Terry Turner cannot serve, a substitute Administrator consented to by the Parties shall be appointed.

The Administrator's fees will be paid from the Aggregate Refund Fund. The Administrator will be paid the hourly rate of $120 per hour for his services and $80 per hour for administrative personnel hired to assist. Upon completion of the Administrator's work the Administrator shall submit an accounting of all charges and expenses to Named Plaintiff's Counsel and Defendant's Counsel at least fifteen (15) days prior to submission of such charges and expenses to the Lanier QSF Administrator for payment. Named Plaintiff's Counsel and Defendant's Counsel shall notify

the Administrator of any objections to the charges and expenses within five (5) days of receipt. The Lanier QSF Administrator will pay the Administrator's charges and expenses within ten (10) days of submission provided there are no unresolved objections. Any unresolved objections shall be submitted to the Special Master as set forth below for resolution and whose decision shall be binding.

### E. Preliminary Approval of Proposed Order and Judgment, Notification of Class and Objection Procedure

Named Plaintiff and Defendant shall promptly move the Court for an Order granting preliminary approval of this Order and Judgment (the "**Preliminary Approval Order**"). The proposed Preliminary Approval Order will be attached to the motion and shall be in a form agreed upon by Named Plaintiff's Counsel and Defendant's Counsel. The Motion for Preliminary Approval shall request that the Court: (i) approve the Order and Judgment as set forth herein as being within the range of fair, adequate and reasonable; (ii) certify the proposed Refund Class and appoint Class Counsel and the Class Representative; (iii) approve the Notice program as overviewed herein and as set forth in more detail in the Motion for Preliminary Approval including the form and content of the Notices which will be attached to the Motion for Preliminary Approval; and (iv) schedule a Final Approval hearing for a time and date mutually convenient for the Court, Named Plaintiff's Counsel and Defendant's Counsel, at which time the Court will conduct an inquiry into the fairness of the Order and Judgment, determine whether it was made in good faith, finally certify the Refund Class, and determine whether to approve the Order and Judgment and Named Plaintiff's Counsel's application for attorneys' fees, service award to class representative, costs and expenses (the "**Final Approval Hearing**").

Notice of the Order and Judgment shall be sent to those set forth in **Exhibit A**. Those set forth in **Exhibit A** are potential Class Members.

The proposed notice to the Class Members shall include, among other information; a description of the material terms of the Order and Judgment; a description of the administration process; the timing of the calculation of individual refund amounts; a date by which the Class Members may object to the fee, service award and expense motion; a date by which the Class Members may object to the calculation of individual refund amounts; the address of the webpage created by the Administrator (the "**Settlement Webpage**") where Class Members may access this Order and Judgment and other related documents and information; the date that the Final Approval Hearing will occur; and the procedure for the Class Members to object (the "**Notice**"). A form of Notice to be sent to the Class will be submitted to the Court as an exhibit to the Motion for Preliminary Approval. Notice will be provided by U.S. Mail to the last known address for each taxpayer who paid the Fire Fee from November 7, 2018 to present, excluding all attorneys and law firms currently representing any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services, the current members of the Richmond Hill City Council, and the Mayor of Richmond Hill. An advertisement will be placed in The Bryan County News containing the information provided in the Notice and directing the taxpayers to the Settlement Webpage.

Objections to the Order and Judgment or to the Fee Petition and Service Award (as described in Section F) must be mailed to the Clerk of Court, Named Plaintiff's Counsel and Defendant's Counsel. For an objection to be considered by the Court, the objection must be received by the Court, Named Plaintiff's Counsel and Defendant's Counsel at least thirty (30) days prior to the Final Approval Hearing. For an objection to be considered by the Court, the objection must also set forth:

a. The name of the Lawsuit;

b. The objector's full name, address and telephone number;

c. An explanation of the basis upon which the objector claims to be a Class Member;

d. All grounds for the objection, accompanied by any legal support for the objection known to the objector or the objector's counsel;

e. The number of times the objector has objected to a class action settlement within the five (5) years preceding the date on which the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders or opinions to or ruling upon the objector's prior such objections that were issued by any court in each listed case;

f. The identity of all counsel who represented the objector, including any former or current counsel who may be entitled to any compensation for any reason related to the objection to the Order and Judgment or to Fee Petition, and Service Award;

g. The number of times the objector's counsel and/or counsel's law firm have objected to a class action settlement within the last five (5) years preceding the date the objector files the objection, the caption of each case in which the counsel or the firm has made such objection, and a copy of any order or opinions related to or ruling upon counsel or the firm's prior such objections that were issued by any court in each listed case;

h. Any and all agreements that relate to the objection or the process of objecting – whether written or verbal – between the objector or objector's counsel and any other person or entity;

i. The identity of all counsel representing the objector who will appear at the Final Approval Hearing;

j. A list of all persons who will be called to testify at the Final Approval Hearing in support of the objection;

k. A statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and

l. The objector's signature (an attorney's signature is not sufficient).

The Court, in its discretion, may determine which, if any, Class Member(s) who objected and who requested to appear at the Final Approval Hearing will be entitled to appear and be heard. Any Class Member who fails to object in the manner set forth in this Section shall be deemed to have forever waived his or her objections and forfeit any and all rights the Class Member may otherwise have to appear separately and/or to object and shall be bound by all the terms of this Order and Judgment and by all proceedings, orders and judgments in the Lawsuit.

**F. Fees and Expenses**

Class Counsel intends to file a motion for attorney's fees and expenses to be awarded as well as a motion for a class service payment to the Class Representative at least thirty-five (35) days prior to the Final Approval Hearing. Class Counsel intends to seek the payment of attorneys' fees plus documented out of pocket costs and expenses for prosecuting this action from the Aggregate Refund Fund ("**Fee Petition**"). Any award of attorney's fees, costs and expenses to Class Counsel shall be payable solely out of the Aggregate Refund Fund and is subject to Court approval. The City lacks standing to either object or agree to Class Counsel's Fee Petition.

Additionally, Class Counsel intends to file on behalf of Class Representative a petition for class service payment from the Aggregate Refund Fund ("**Class Service Petition**"). Following the date of notice to the Class as described below, the Court, if necessary, will hold a hearing (see Section G) to resolve any objections and pending motions and will determine the amount of fees

and expenses to be paid to Class Counsel and fees to be paid to the Class Representative. Class Counsel's fees and expenses, Class Representative's fees, and fees regarding the administration of the Aggregate Refund Fund (including without limitation the fees and expenses of the Administrator and Lanier QSF Administrator) are collectively referred to as "**Fees and Expenses**". Fees and Expenses shall be paid from the Aggregate Refund Fund.

The Attorney's Fees and Expenses and Service Payments shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order.

All Fees and Expenses awarded by the Court to Class Counsel shall be payable from the Initial Aggregate Refund Fund Payment and shall be paid by the Lanier QSF Administrator within thirty (30) days of receipt of the Initial Refund Fund Payment, subject to the availability of sufficient funds in the Aggregate Refund Fund with any remaining Fees and Expenses owed to be paid at such time as additional funds are placed into the Aggregate Refund Fund sufficient to satisfy the award of Fees and Expenses to Class Counsel. Fees and Expenses awarded to Class Counsel shall be paid notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the award or this Order and Judgment or any part thereof, subject to Class Counsel's obligation to make appropriate refunds or repayments to the Aggregate Refund Fund plus accrued interest at the same net rate as is earned by the Aggregate Refund Fund, if and when, as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the fee or expense award is reduced or reversed. Additionally, class service payment awarded by the Court shall be payable from the Initial Aggregate Refund Fund Payment and shall be paid by the Lanier QSF Administrator within thirty (30) days of receipt of the Initial Refund Fund Payment, subject to the availability of sufficient funds in the Aggregate

Refund Fund with any remaining class service payment owed to be paid at such time as additional funds are placed into the Aggregate Refund Fund sufficient to satisfy the class service payment.

**G. Final Approval Order and Entry of Order and Judgment**

Named Plaintiff shall file its Motion for Final Approval of Order and Judgment, the Fee Petition and the Class Service Petition no later than seven (7) days prior to the date of the Final Approval Hearing. The Court, if necessary, will hold a hearing to resolve any objections properly submitted and enter the Order and Judgment and award attorneys' fees and expenses and service award for Class Representative. The Motion for Final Approval of the Order and Judgment will contain a proposed Final Order in a form agreed to by Named Plaintiff's Counsel and Defendant's Counsel. Such Final Order shall, among other things:

a. Finally certify the Refund Class for settlement purposes pursuant to O.C.G.A. §9-11-23(e);

b. Determine that the Order and Judgment is fair, adequate and reasonable;

c. Determine that the Refund Class has been fairly and adequately represented;

d. Determine that the Notice provided satisfies Due Process requirements;

e. Enter a final order and judgment giving effect to the terms of this Order and Judgment;

f. Rule on the Fee Petition and award attorney's fees and expenses as may be determined to be fair, adequate, and reasonable in the discretion of the Court;

g. Rule on the Class Service Petition and award class service payment as may be determined to be fair, adequate, and reasonable in the discretion of the Court;

h. Bar and enjoin Named Plaintiff and all Class Members from asserting any of the Released Claims;

i. Release Defendant and Released Parties as set forth in Section L (1);

j. Direct payment of the Aggregate Refund Fund as provided herein; and

k. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Order and Judgment, to administer, supervise, construe and enforce this Order and Judgment in accordance with its terms.

**H. Identification of Class Members and Calculation of Individual Refunds**

Following Final Approval of the Order and Judgment, the Administrator is directed to identify the Refund Class and Class Members and determine the refunds owed. "Class Member" or "Class Members" means a member or members of the Refund Class. The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the records of and full cooperation by Defendant's departments including, but not limited to, Information Technology and Finance Departments, in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members. The period for which refunds will be determined is November 7, 2018, through the date of entry of this Order (the "**Refund Period**"). The amount of Fire Fees paid by each Class Member during the Refund Period shall be determined and then summed to determine the total of all Fire Fees paid by all Class Members during the Refund Period. The percentage of Fire Fees paid during the Refund Period for each Class Member multiplied by the amount of the Aggregate Refund Fund shall be the presumptive refund amount ("**Presumptive Refund Amount**").

The Administrator will not calculate interest on the refund from the date of payment through the date of final approval of this Order and Judgment in calculating the Presumptive Refund Amount owed to each Class Member.

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of final approval of the Order and Judgment.

Upon completion of the identification of the Class Members entitled to refunds and the Presumptive Refund Amount to each Class Member, the Administrator will post the list of Class Members and the Presumptive Refund Amount owed to each on the Settlement Webpage and provide notice in the Bryan County News.

The City and any Class Member shall have the right to object to the calculation of any individual refund calculations made by the Administrator including the City's ability to assert any individual defenses to such individual's entitlement to the refund or the amount thereof. Such objection shall be filed with the Special Master as defined below within forty-five (45) days of the Administrator's notice of completion of the Presumptive Refund Amount.

Finally, the Settlement Webpage will provide a claim form for any taxpayer who paid the Fire Fee not identified as a Class Member by the Administrator to submit in the event they believe they are entitled to a refund with a time limit of forty-five (45) days from the posting of the individual refund calculation on the Settlement Webpage ("**Missing Class Members**"). The Administrator shall review any such claims by additional applicant(s) and determine whether they are in fact entitled to any refund, submit his conclusions to the applicant(s) and Defendant who shall have fifteen (15) days to object to the Administrator's findings. Any such objections shall be heard by the Special Master as defined below. The Special Master's ruling is final and binding,

except as to questions of law, which are subject to review by the Judge and/or any appellate court of this state with jurisdiction over the subject matter. The Presumptive Refund Amount for Class Members shall be adjusted based on any refunds determined to be owed for Missing Class.

Finally, the Settlement Webpage will provide a form for any applicant identified as a Class Member to utilize to update their address.

**I. Administration of the Class**

The Presumptive Refund Amount for each Class Member will be posted on the Settlement Webpage along with information about how a Class Member can object to the Presumptive Refund Amount.

After the Administrator identifies the Presumptive Refund Amount for each Class Member, the Administrator will divide the Class Members into the following categories for purposes of distributing the refunds to the Class Members:

- Class Members still owning the property for which a refund is determined to be owed (hereinafter "**Category 1 Class Members**").
- Class Members who no longer own the property for which a refund is determined to be owed (hereinafter "**Category 2 Class Members**").

A claim form for collection of individual refunds for Category 2 Class Members will be submitted to the Court for approval along with the Motion for Preliminary Approval (the "**Category 2 Class Member Claim Form**") and claim form certifying that all Class Members satisfy the class definition will be submitted for approval with the Final Approval Motion ("**Class Member Certification Form**") (The Category 2 Class Member Claim Form and Class Member Certification Form are hereinafter referred to as the **"Claim Forms"**). Additionally, the Settlement Webpage will be created and provide the information contained in the Claim Form for the collection of individual refunds.

For all Class Members, the Class Member Certification Form will be will be sent to what is believed to be the current mailing address for each Class Member. For Category 2 Class Members, the Category 2 Class Member Claim Form will be sent to what is believed to be the current mailing address with a form requiring that the taxpayer certify that he or she is the same taxpayer for which the refund has been calculated. The taxpayer shall have sixty (60) days to return the Claim Forms.

Rita Spalding is appointed Special Master to rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master's decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

All Class Members who returned the properly executed Claim Forms shall be the "**Qualified Class Members**" to whom refunds shall be paid as set forth below. The individual refund amounts shall be mailed to the Class Members in accordance with the timing procedures set forth below.

**J. Qualified Class Member Refunds**

The Administrator will determine each Qualified Class Member's pro-rata share from the Aggregate Refund Fund (the "**Pro-Rata Refund**") following the submission of all Category 2 Claim Forms and resolution of all objections as set forth hereinabove. "Pro-Rata" shall mean the proportion each Qualified Class Members' total payment of Fire Fees during the Refund Period bears to the payments of all Qualified Class Members during the Refund Period. The Pro-Rata Refund is expected to return to each Qualified Class Member up to 60% of the Fire Fees paid during the Refund Period less fees and expenses. The Pro-Rata percentage shall be used to calculate each Qualified Class Member's share of the Fees and Expenses to be subtracted from the

Pro-Rata share of the Aggregate Refund Fund. The Fees and Expenses shall be totaled and multiplied by the Pro-Rata share. The resulting number shall be each Qualified Class Member's portion of the Fees and Expenses ("**Pro-Rata Fees and Expenses**"). The difference between the Pro-Rata share of the Aggregate Refund less the Pro-Rata Fees and Expenses shall be each Qualified Class Member's final refund ("**Final Refund**") and shall be the amount distributed to each Qualified Class Member as set forth herein.

**K. Refund Payment Process**

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any Presumptive Refund calculation, the Administrator shall identify to the Lanier QSF Administrator the amount of the Final Refund due each taxpayer and the address to which the refund is to be mailed for the Category 1 Class Members. The Lanier QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to all Qualified Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the City.

Any and all checks returned or uncashed after one hundred and twenty (120) days from issuance shall be canceled by the Lanier QSF Administrator (the "**Expiration Date**"). Following the Expiration Date, all monies remaining in the Aggregate Refund Fund after all payments have been made as outlined herein shall be returned to the City.

The Lanier QSF Administrator shall maintain accurate accounting records of all deposits and payments from the Aggregate Refund Fund Account and shall provide such accounting to Named Plaintiff's Counsel and Defendant's Counsel upon request. The Lanier QSF Administrator shall file a notice of completion of administration ("**Notice of Completion**"), the form of which shall be included in the Motion for Preliminary Approval, with the Court within thirty (30) days of completion of the administration and return of any remaining funds from the Aggregate Refund

Fund Account to the City.

I have extensive experience in tax law, including property tax law, and litigation having handled tax appeals and tax refund matters for thousands of parcels in over 60 counties in the State of Georgia as well as Florida, Virginia, Alabama and North Carolina at the administrative, trial court, and appellate court levels. I served on the Board of Governors of the State Bar of Georgia, am a past President of the Glynn County Bar Association, and am rated "Preeminent", the highest legal rating available from the leading legal rating service, Martindale Hubbell. 8.

I regularly provide advice and counsel to clients on matters related to taxation and to the valuation of property for taxation, exemption and special use valuation programs.

9.

I am lead counsel for Named Plaintiff and the Class.

**The Lawsuit**

10.

Named Plaintiff retained Roberts Tate, LLC and Manly Shipley, LLC and agreed to be a class representative in this Lawsuit against Defendant City of Richmond Hill, Georgia (the "**City**" or "**Defendant**") to recover refunds on behalf of itself and similarly situated taxpayers for illegal taxes levied and assessed in the form of fire fees (the "**Fire Fees**") for 2018 to present. This Lawsuit is a refund class action and alleges that the City failed to comply with the Georgia Constitution and the Georgia law in assessing and levying Fire Fees.

11.

Our firms conducted early, informal discovery, including investigation of facts, the law and extensive analysis and calculation of refunds potentially owed. Our firm issued numerous Open Records Requests ("**ORRs**") to the City for documents. From the documents provided pursuant to the ORRs and the informal discovery provided by the City, we thoroughly researched the facts of this Lawsuit and were able to determine the total potential damages and number of potential class members.

12.

The early, informal discovery and the research of the legal basis for this Lawsuit was conducted prior to filing the Complaint and before conducting settlement discussions with the City.

13.

The City is represented by Ray C. Smith and Benjamin Perkins who are extremely capable counsel and were worthy, highly competent, and professional adversaries.

14.

After thoroughly investigating the facts of this Lawsuit and filing the Complaint, the Parties began resolution discussions and continued such discussions for several months.

15.

Ultimately, the parties were able to reach a resolution (the "**Settlement**"). The Settlement is memorialized in the Order and Judgment (the "**Order and Judgment**").

16.

The City's attorneys mounted defenses, and the Order and Judgment was only reached after negotiations concerning the parameters and provisions of a fair, reasonable and adequate settlement.

17.

After reaching a settlement, Named Plaintiff and the City filed a Joint Motion for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing, which the Court granted on November 19, 2025 (the "**First Preliminary Approval Order**"). Dkt. No 77.

18.

In such First Preliminary Approval Order, the Court provisionally certified one (1) class consisting of *all taxpayers within the City who paid a Fire Fee at any time between November 7, 2018, and the date of the Court's final approval of the Order and Judgment*, scheduled a final approval hearing (the "**First Final Approval Hearing**") for January 6, 2025 at 9:00 a.m., and directed that notice of the proposed settlement and the First Final Approval Hearing be provided to the provisionally certified class, including through first class mail, publication, and creation of a settlement webpage.

19.

Unfortunately, due to the brief period between the Court's entry of the First Preliminary Approval Order and the First Final Approval Hearing and the intervening Thanksgiving and Christmas holidays, counsel for Named Plaintiff was alerted shortly before the First Final Approval Hearing of issues with the Court ordered notice procedure. Specifically, at least some of the required notices to the provisionally certified class members were mailed as late as December 19, 2025, apparently resulting in the delivery of some notices after the objection deadline on December 27, 2025; the final publication notice ran after the objection deadline on December 30, 2025; and the City created settlement webpage was not actually "live" until shortly before or after the objection deadline on December 27, 2025.

20.

Moreover, a late objection to the initially proposed settlement was filed by prospective class member Thompson, O'Brien, Kappler & Nasuti, P.C. ("**TOKN**") objecting to the adequacy of notice among other things. TOKN is a law firm currently representing Bryan County, Georgia, Randolph County, Georgia, Sumter County, Georgia, and Augusta-Richmond County, Georgia, in

similar class actions challenging local government assessment of so called "fees" as illegal taxes. TOKN's involvement and objection to the initially proposed settlement consequently alerted counsel for Named Plaintiff to the existence of a significant conflict of interest between TOKN and the remaining prospective class members.

21.

Namely, TOKN has a substantial interest in (1) avoiding the appearance of any acquiescence in Named Plaintiff's argument by not objecting to the underlying basis for and accepting a refund in this case and (2) seeking the disapproval of any proposed settlement in this case so as to bolster its arguments in the aforementioned class actions that the involved charges are proper "fees" or, as asserted by the Objectors, that there is no *ad valorem* requirement for taxes on real property.

22.

Thus, after considering the notice issues coupled with the conflict presented by TOKN's objection, counsel for Named Plaintiff requested and agreed to the postponement of any Court approval of the initially proposed settlement to avoid any unnecessary and costly appeal and afford counsel time to address the notice deficiencies and the conflicts in the proposed class.

23.

Named Plaintiff and the City then revised the settlement, particularly the proposed class definition, and filed a Second Joint Motion for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing, seeking certification of one (1) class consisting of *all taxpayers within the City who were assessed and paid the Fire Fee at any time between November 7, 2018, and the date of final approval of this Settlement,* ***excluding all attorneys and law firms currently representing***

***any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services, the current members of the Richmond Hill City Council, and the Mayor of Richmond Hill.***

24.

The Court granted the Parties' Second Joint Motion for Preliminary Approval on April 30, 2026 (the "**Second Preliminary Approval Order**"), finding "for settlement purposes, that the O.C.G.A. §9-11-23 factors are present and thus certification of the proposed Settlement Class is appropriate", provisionally certified the revised proposed class, scheduled a final approval hearing (the "**Second Final Approval Hearing**") for July 1, 2026, at 9:00 a.m. and directed that notice of the Order and Judgment and the Final Approval Hearing be provided to the provisionally certified class. The Court further directed that (1) notice be mailed by first class mail to all Prospective class members to their last known addresses as appearing in the records maintained by the City (the "**Full Notice**"); (2) an advertisement be placed in the Bryan County News (the "**Publication Notice**"); and (3) a webpage be created (the "**Settlement Webpage**") where Prospective class members can access documents related to the Lawsuit (the "**Notice Program**").

25.

The Order and Judgment was negotiated at arm's length without collusion. There are no agreements in connection with the Settlement other than specifically articulated in the Order and Judgment.

26.

Pursuant to the Preliminary Approval Order, the period for filing timely objections ended on June 1, 2026. Objections were received from Carter Infinger, a Bryan County Commissioner ("Commissioner Infinger"), Karen Infinger, the wife of Commissioner Infinger ("Mrs. Infinger"), and EJWJ Properties, LLC, the managing member of which is William Wallace who is also a Bryan County Commissioner ("Commissioner Wallace") (Commissioner Infinger, Mrs. Infinger and Commissioner Wallace are hereinafter referred to as the "Bryan County Objectors"). The Bryan County Objectors are not members of the class for which final approval is sought.

27.

In light of the existence of the same conflict in Objectors that existed in TOKN which led to the amended class definition approved by the Court pursuant to the Second Motion for Class Certification, Named Plaintiff seeks final approval of the following class:

> *all taxpayers within the City who were assessed and paid the Fire Fee at any time between November 7, 2018, and the date of final approval of this Settlement, excluding:*
>
> a. *all current members of the Richmond Hill City Council, the Mayor of Richmond Hill including such members' and Mayor's spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;*
>
> b. *all current members of the Bryan County, Georgia Board of Commissioners and Commissioners, City Council Members and Mayors of any Georgia county or municipality defending lawsuits challenging the validity of similar assessments for fire protection or public safety services , including their spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;*
>
> c. *all attorneys, including their spouse and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors, and law firms currently representing any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services; and*

d. *any judge or judicial officer presiding over this matter, including their spouse and adult household members, and any privately held entities in which they are members, shareholders, managers, officers, or directors*

*(the "**Revised Refund Class**" or the "**Revised Settlement Class**").*

28.

There were no objections received from members of the proposed class for which final approval is sought. Of the approximately fifteen (15) calls received, no one objected to the Settlement. Most of the calls were requesting general information about the Settlement. Those who have contacted counsel have uniformly been supportive of the proposed Settlement.

29.

Therefore, the Settlement was approved overwhelmingly by the Class Members.

30.

The Parties engaged in extensive arm's length settlement negotiations. Discussions concerning the terms of the Settlement were conducted by senior attorneys from both sides. All participants in the settlement discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit. Each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the amount owed and the defenses thereto. Counsel for both parties zealously represented the best interests of their clients.

31.

The terms of the Settlement are set forth in the Order and Judgment and covers refunds for taxes paid from November 7, 2018, to present.

32.

Despite such complexities, anticipated legal hurdles, and limitations on the possible range of discovery, should the Court approve the Order and Judgment, it is estimated that the Class Members will recover up to sixty percent (60%) of the total calculated refund due less fees and expenses as well as an injunction preventing the City's continued assessment of the Fire Fee.

33.

Indeed, in similar class actions brought by Named Plaintiff's counsel, the settlements approved therein did not all include an injunction and amounted on average to thirty-six percent (36%) of the total calculated refund due less fees and expenses, twenty-four percent (24%) less than the Class Members stand to receive here. *See Deer Run Timber, LLC v. Johnson County*, Civil Action No. 2023-CV-0125, Superior Court of Johnson County, Final Approval Order (February 10, 2025) (approving settlement of forty-five percent (45%) of total refund due); *Grange Investments, LLC v. City of Port Wentworth*, Civil Action No. SPCV23-00216-KA, Superior Court of Chatham County, Final Approval Order (June 10, 2025) (approving settlement of twenty eight percent (28%) of total refund due); *Steven Schreck v. Brooks County*, Civil Action No. 23-CV-00067, Superior Court of Brooks County Final Approval Order (August 18, 2025) (approving settlement of eighteen percent (18%) of total refund due); *DRT Investments, LLC v. Emanuel County*, Civil Action No. 25CV00072, Superior Court of Emanuel County, Final Approval Order (November 5, 2025) (approving settlement of thirty seven percent (37%) of total refund due); and *Bobby Black v. Garden City, Georgia* Civil Action No. SPCV25-01358-ST, Superior Court of Chatham County, Final Approval Order (June 9, 2026) (approving settlement of nineteen percent (19%) of total refund due).

34.

The facts of this Lawsuit have been thoroughly researched. Class Counsel spent a substantial number of hours investigating the potential refund claims. We analyzed the potential refund claims for 2018, 2019, 2020, 2021, 2022, 2023, 2024, and 2025.

35.

Legal issues have been thoroughly researched, and I have briefed and argued the same refund issues in other tax refund and tax appeal matters involving alleging that a charge was in fact an unlawful tax rather than fee. I am very familiar with the statutory requirements for refund matters under O.C.G.A. § 48-5-380 (the **"Refund Statute"**).

36.

This information was essential to our ability to understand the facts, scope of the refund claims, pertinent evidence, legal and factual arguments and potential defenses, and the number of and amount of potential refunds owed to the Class.

37.

In sum, the Settlement represents an excellent result. It is the opinion of Class Counsel that the Settlement achieved in this Lawsuit is fair, reasonable, and adequate under the circumstances. For all the reasons cited above and more, Class Counsel recommends final approval of this Settlement.

38.

Each of the above-described efforts taken was essential to achieving the Settlement and the excellent results for the Class.

39.

Final approval of the Settlement will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court as trying this Lawsuit to verdict would involve expert involvement, extensive argument and voluminous briefing, and possible *Daubert* challenges and appeals.

40.

the Atlanta expenses were incurred after Class Counsel discovered Aaron Kappler, the Bryan County Objectors' counsel, was travelling to Atlanta, Georgia and testifying before and petitioning the Georgia Legislature to amend O.C.G.A. § 48-5-380 (the "**Refund Statute**") to disallow class actions seeking a refund of illegally assessed taxes with such amendment applying to this action. See Senate Judiciary Committee Hearing, March 5, 2026 beginning at 10:04, https://www.youtube.com/watch?v=ptMCPhOJnlE&t=513s. Upon learning of this effort to change the rules of the game during the game, Class Counsel likewise travelled to Atlanta, Georgia to represent the interests of Georgia's taxpayers and the members of the class at issue on the importance of preserving the right to seek refunds on a class basis under the Refund Statute. This action and the settlement proposed herein at the time being the most hotly contested by Aaron Kappler and his clients, it seemed the most appropriate in which to bill the expenses associated with Class Counsel's trip to Atlanta, Georgia. Nonetheless, Class Counsel has no opposition to the Court declining to approve a reimbursement of the referenced expenses the Bryan County Objectors claim are unreasonable if it determines such action to be in the best interests of the prospective class members.

41.

Since the Application for Attorney's Fees, Reimbursement of Expenses and Service Award to Class Representative was filed with the Court on May 18, 2026, Class counsel has incurred additional litigation expenses and costs for a total amount of $922.96 bringing the total expenses to $55,123.41. The charge for $52.07 for lunch on March 12, 2025 followed a settlement discussion meeting with opposing counsel. A description of the additional expenses is attached hereto. Should the Court find that the cost of the second notice, Atlanta travel and lunch expenses were not reasonably incurred the total amount of expenses would be $29,503.52.

42.

The total number of hours incurred in this matter by class counsel including Roberts Tate, LLC and Manly Shipley, LLC is over 679 hours.

FURTHER AFFIANT SAITH NOT.

CARTER INFINGER,

having been first duly sworn, was examined and testified as follows:

MR. ROBERTS: This is the deposition of Carter Infinger being taken in the case *Lanier v. Richmond Hill*.

EXAMINATION

BY MR. ROBERTS:

Q. Mr. Infinger, I have loaded up a series of documents, exhibits here, that we will go through. The first one is just your -- let me share my screen so we can make this easy.

Okay. Can you see that okay?

A. Yes, sir.

Q. Okay. That is just your deposition notice for today, Exhibit 1. We'll go ahead and mark that Exhibit 2.

(Plaintiff's Exhibits 1 and 2 were marked for identification.)

Q. (By Mr. Roberts) We asked you to bring some documents today. Did you -- did you bring any

documents responsive to -- to this subpoena?

A. Yes.

Q. Okay. What do you have? Well, let me -- let me just go through -- we'll just go through the list here, if we could. We'll start right -- okay. Do you have any engagement letters with Mr. Kappler?

A. Do I have any engagement letters?

Q. Yeah. Yeah.

A. No.

Q. So the first one asked you to bring any engagement letters that you have between you and Mr. Kappler and his firm.

A. No.

Q. Okay. Do you have any documents responsive to Number 2 here: Identify who is paying your attorney's fee related to this matter?

A. No.

Q. Okay. Number 3, any documents responsive to -- to that: All documents reflecting any third-party arrangement to fund or reimburse your legal fees and expenses?

A. No.

Q. Number 4, any and all communications between you and any county commissioner, county administrator, county elected official, or county

employee concerning the lawsuit -- this lawsuit or the settlement proposed?

A. No. This lawsuit has nothing to do with the County or any of its entities.

Q. I understand. I'm just asking if you had any -- any communication with them --

A. No.

Q. Okay.

A. I've had no communication.

Q. Okay. How about any -- Number 5, any and all communication between you and any city council member, city manager, city elected official, or city employee considering this lawsuit or the settlement proposed?

A. No.

Q. Any and all -- Number 6, any and all communication between you and any person or entity concerning your decision to file an objection in the lawsuit?

A. No.

Q. All right. Number 7, any and all official communications included but not limited to e-mails sent or received using your County e-mail and relating to this lawsuit or the settlement proposed?

A. No. Again, this has nothing to do with

the County.

Q. Okay. Number 8, all documents you reviewed in connection with preparing your objection to this lawsuit?

A. No.

Q. And Number 9, all records showing your payment of any fire service fee or fire protection feet to the City of Richmond Hill or Bryan County for --

A. Yes. Not Bryan County; City of Richmond Hill.

Q. Okay. And so is that the -- the -- what records do you have right there in front of you?

A. I have the fire fee that I paid, Richmond Hill documentation.

Q. Okay.

A. From my properties I have in Richmond Hill.

MR. ROBERTS: Okay. I would like to get those marked as Exhibit 3. Aaron, can you send me a copy of those, please.

MR. KAPPLER: I'll send you those when you send me yours, Jay.

MR. ROBERTS: Oh, they're -- they're in the -- the chat right now, Aaron. You can see

them.

MR. KAPPLER: Well, Jay, I'm -- I thought we were doing this in person, so Carter's using my laptop --

MR. ROBERTS: Oh, well, that -- Aaron, I'll -- I'll e-mail them to you right now. No problem.

MR. KAPPLER: Yeah. Why don't you do that.

MR. ROBERTS: No problem. I'll give you -- why don't we just take a break for two seconds, and I'll send these off.

Will, I'll send you a copy as well.

(Off the record.)

MR. ROBERTS: We'll go back on the record when y'all are ready.

Q. (By Mr. Roberts) Mr. Infinger --

A. Yes.

Q. -- could you describe to me the documents that you brought with me and that your counsel is sending to me.

A. They are the tax cards showing where I paid the taxes, Richmond Hill city tax, school board, and fire fee.

Q. Okay. So the documents that you're

referring to are just printouts from either I guess the City or County's Web site, showing the amount of the fire fee --

A. Yes. Yes.

Q. Mr. Infinger, if you would -- I'm not sure if you've been deposed before. You're going to be able to anticipate a lot of the questions that -- that I ask, but it's hard for the court reporter getting it down when we're both talking at the same time. So even if you know what I'm going to ask, if you would let me finish my question. And, certainly, by the same token, if I cut you off before you're done talking, please let me know.

A. Okay.

Q. All right. Thank you.

So do you have any documents that show that you personally actually paid to fire fees? Canceled checks? Anything like that?

A. These are -- these are payments that are paid through -- well, I may have a check -- I'll have to look and see -- on some of them. Some of them are paid through escrow.

Q. Okay. Which ones are paid through escrow?

A. 291 Landing Way, 220 Kepler Loop.

Q. So then the -- the fire fees for those

properties would actually be paid not by you, but by your escrow company, your mortgage company?

A. Yes. Maybe -- maybe 220 Kepler Loop's paid by a check. Of course we hadn't paid them since, you know, last year, so, yeah, checks.

MR. ROBERTS: Okay. So those documents, the -- the evidence of actual payment is what I'm looking for, and they're covered by our subpoena. Aaron, I'd like to get the actual evidence of payment.

MR. KAPPLER: Well, the tax cards show payment, Jay, so --

MR. ROBERTS: They don't show who paid it.

MR. KAPPLER: Well, it doesn't matter who paid it. They -- they own -- they own the property. If it was paid by them personally or on their behalf, it shows it's been paid, so --

MR. ROBERTS: Okay. But I think I'm entitled to have the discovery that I've asked for, which is evidence of payment.

THE WITNESS: Well, if I didn't pay it, I wouldn't be in the house. I mean, that makes no sense to me.

Q. (By Mr. Roberts) Well, it could've been paid by somebody else.

A. Who?

Q. I'm just trying to get -- yeah. Anyone. So let me just get this straight: You do have -- you would be able to provide documents showing whether you paid the actual fire fees or whether it was paid by a mortgage company, escrow company, or somebody else?

A. Yeah.

Q. Okay.

MR. KAPPLER: And that's what we've already shown. We showed the tax cards showing the payment. You'll see them when you get them. It shows payment has been made.

Q. (By Mr. Roberts) Mr. Infinger, what is your occupation?

A. I'm a consultant in a pharmaceutical company.

Q. Which one?

A. Sumitomo Pharma, SMPA America.

Q. Okay. What do you do for them?

A. I'm a consultant.

Q. Okay. What are you consult -- in what regard?

A. I work in the urology space, in the bladder.

Q. Okay. How long have you lived in Bryan County?

A. Since '96.

Q. And do you have any other -- do you have any other immediate family in Bryan County?

A. No.

Q. So what -- is your wife Karen Infinger?

A. Yes.

Q. All right. So she would be -- that's -- this is your only immediate family in Bryan County?

A. Yeah.

Q. Do you and Karen Infinger reside in the same home?

A. Yes.

Q. And do you reside at 1929 Belle Island Road?

A. Yes.

Q. And Belle Island Road, your residence, it is not in the city limits of Richmond Hill; is that right?

A. No.

Q. And you're also a county commissioner for Bryan County; is that right?

A. Yes.

Q. Do you know William Wallace, William

Eugene "Gene" Wallace?

A. Do what?

Q. Do you know William Eugene "Gene" Wallace?

A. Yes.

Q. Okay. He's also a county commissioner?

A. Yes.

MR. ROBERTS: And, Ms. Tidball, just to be clear, the Exhibit 3 that Mr. Kappler is sending to you, the -- the e-mail that Mr. Kepler's sending you, that will be Exhibit 3 of the deposition, the documents produced by Mr. Infinger.

MR. KAPPLER: I didn't send it to her. I think I sent it to you and Will, Jay.

MR. ROBERTS: Okay. Well, let me send it.

I have not received it yet. Will, have you received those documents?

MR. PHILLIPS: No. Your e-mail just came through a moment ago, and I haven't gotten one from Aaron yet.

MR. KAPPLER: It'll be coming from my colleague Gage Hawkins.

MR. PHILLIPS: Okay.

(Plaintiff's Exhibit 3 was marked for identification.)

Q. (By Mr. Roberts) Okay. All right. 220 Kepler Loop, what is that property used for?

A. It's a rental property.

Q. Okay. And who pays the fire fees for that property? Is it you or the renter?

A. I do.

Q. Do you charge the renter for it?

A. No.

Q. 291 Landing Way, that property is owned by both you and your wife; correct?

A. Yes.

Q. And what is it used for?

A. Rental.

Q. And who pays the fire fee for that property?

A. We do.

Q. And you -- do you charge the renter for that fire fee?

A. No.

Q. 109 Point Drive, that property is owned, according to the deed records, by Karen and James Hawkins.

A. Yes. It's my wife. It's -- that's her father. He's deceased.

Q. Okay.

A. Been deceased for 12 years, 10 or 12 years at least.

Q. That answers the next question. Okay.

All right. Bryan County is currently a defendant in a lawsuit styled *Morgan v. Bryan County*, SUV202300371, which that lawsuit alleges that Bryan County's fire fees and unlawful -- are unlawful taxes and seeks refunds of those taxes. Are you familiar with that lawsuit?

A. Not really. I know it's out there.

Q. Okay. You -- Mr. -- Mr. Kappler is the lawyer defending that lawsuit on behalf of Bryan County; is that -- is that right?

A. I guess he is.

(To Mr. Kappler) Right?

MR. KAPPLER: Yeah. If you know, you know.

THE WITNESS: Yeah.

Q. (By Mr. Roberts) Do you know?

A. I don't know for sure. But, look, this has nothing to do with Bryan County. This is Richmond Hill. So if we can ask me questions about Richmond Hill. I'm the landowner here, and you're getting Bryan County -- you're getting off track and --

Q. Yeah. Well, I think I'm going to ask the questions here, and we'll go through it, and I'm going to ask you some stuff about your role as a Bryan County commissioner.

A. Again, has nothing to do with this.

Q. Understood your position. So do you know whether Bryan County is disputing that its fire fees are lawful or unlawful?

MR. KAPPLER: Yeah. We're not doing this, Jay.

THE WITNESS: Yeah.

MR. ROBERTS: Yeah, we are. Yeah, we are.

MR. KAPPLER: Or you're not going to do this.

MR. ROBERTS: Yeah, we are.

MR. KAPPLER: In this case, you have the right to depose Mr. Infinger concerning the substance of his objection. You do not have a right to depose him concerning any other controversy that might exist, where he might have some tangential knowledge of it. He is not going to --

MR. ROBERTS: What I do have a right to do is determine whether he has a conflict with the class members.

MR. KAPPLER: Jay -- Jay, let me finish my sentence. As you said, we're going to finish our sentences before other people talk.

Bryan County's litigation is not the subject of this dispute, so you are not going to ask him questions and he is not going to answer questions about the litigation involving Bryan County, so you can move on.

MR. ROBERTS: I'm going to ask all of these questions, and you can instruct him if you so choose, not to answer them, and we'll deal with it when we deal with it.

MR. KAPPLER: That's what we'll do, then. That's fine.

MR. ROBERTS: Okay.

Q. (By Mr. Roberts) So do you know whether Bryan County is disputing whether its fire fees are lawful or unlawful?

MR. KAPPLER: Objection. Improper question. Badgering the witness. Abusive litigation. Abusive discovery. Mr. Infinger's not going to answer that question.

Q. (By Mr. Roberts) All right. Mr. Infinger, do you know whether Bryan County has pursued resolving the Morgan County case?

MR. KAPPLER: Objection. That's even more improper. Attempts to settle or settlement discussions are confidential, inadmissible, completely irrelevant, it infringes on attorney-client privilege, abusive, irrelevant. He's not going to answer that question.

Q. (By Mr. Roberts) Mr. Infinger, you're aware that Bryan County denies that its -- the fire fees that it imposes are invalid?

MR. KAPPLER: Objection. Improper question. Abusive discovery. Abusive process. Infringes on the attorney-client privilege. Mr. Infinger's not going to answer that question.

Q. (By Mr. Roberts) Let me ask you a general question, Mr. Infinger. As a county commissioner, one of your jobs as a county commissioner for Bryan County is to decide whether to resolve disputes or lawsuits? Is that right?

MR. KAPPLER: Totally improper question. Infringes on the legislative immunity of a sitting legislator. Infringes on the attorney-client privilege. Irrelevant. Abusive discovery. Abusive litigation. He's not going to answer that question.

Q. (By Mr. Roberts) Mr. Infinger, whether to resolve a lawsuit or -- or claim against Bryan County, that's up to the county commission; is that right?

MR. KAPPLER: Objection. Abusive litigation. Infringes on the legislative immunity. Infringes on the attorney-client privilege. Improper discovery. Irrelevant to the objection. This is getting abusive. If you keep on asking these questions, we're going to stop the deposition.

MR. ROBERTS: I think all of this is relevant, Aaron. I'm going to go through my questions just so we can perfect them for the record that you're not letting him answer.

MR. KAPPLER: I'm not letting him answer any questions about the Bryan County litigation, so if you want to go through every one of them, we'll stop the deposition and we can take it up later.

MR. ROBERTS: All right. I'm going to go through them. I'll do them at the end so that we can get through this.

MR. KAPPLER: Even better.

Q. (By Mr. Roberts) All right.

Mr. Infinger, have you had any communications with the Richmond Hill mayor, city council concerning the proposed settlement in the Lanier case?

A. No.

Q. Have you had any conversations with -- well, let me ask this too: Have you had -- have you had communications with anyone who is an employee of Richmond Hill, about the -- the Lanier case or the proposed settlement?

A. No.

Q. Have you had any communications with any officer, employee of Richmond Hill about their future plans for fire service in the city?

A. No.

Q. Have you had any communications with any officer or official or employee of Richmond Hill about their plans for funding fire service in the city in the future?

A. No.

Q. Do you know whether Richmond Hill has made any determination on how -- on whether or how fire fees or fire service will be funded in the future?

A. No.

Q. Okay. All right. Can you see my screen? This is Exhibit 12.

(Plaintiff's Exhibit 12 was marked for identification.)

MR. KAPPLER: We can see it, but it's really --

THE WITNESS: -- small.

MR. KAPPLER: It's really small. Yeah.

Q. (By Mr. Roberts) Yeah. How about -- how about now?

A. Yeah.

Q. Okay. Exhibit 12 is a notice of proposed class action settlement. Did you receive a copy of this in the mail?

MR. KAPPLER: That's that little card you got, probably.

THE WITNESS: I -- yes, I have.

Q. (By Mr. Roberts) Okay. And when you received it, what did you -- what did you do with it?

A. Well, I read it and -- and looked at it. But I think there was a -- wasn't it -- didn't it include in a time for appeal, but I got it after the time for appeal. So I got it late. I couldn't appeal it.

Q. Let me --

A. I don't know why I didn't get it in time to appeal it. The appeal date, by the time I got it,

had already passed.

Q. Let -- let me -- let me make sure we're talking about the same thing. The notice that I'm showing you here would be a notice that would've been mailed out in -- in May of 2026.

A. So that's the second notice we got.

Q. Yes, sir. Okay. This is the second notice --

A. Because the first notice -- the first notice was -- when I got it, was already past the appeal date, so you had to send these out again.

Q. Okay. So you --

A. Is that right?

Q. Well, let me just make sure we're -- we're on the same page here. This is the second notice, you received it, and this is the notice that you sent the objection in, in response to?

A. Yes.

Q. Okay. I think you were referring to the first notice, and you said you did not get it until after the objection deadline had passed?

A. I believe that's correct. I believe that was over the Christmas holidays, and the appeal date had already passed by the time I got that one.

Q. Okay. So once you received this notice of

proposed class-action settlement, what -- what did you do next?

A. Well, I wanted to appeal it, so I needed an attorney. So I got an attorney to appeal it.

Q. Okay. In paragraph 25, it advises you that you can contact me if you have any questions about -- about the settlement or to get more information. Why didn't you -- why didn't you reach out to me?

A. Why would I call the attorney that's trying to bring a class-action suit against one of our properties? Why wouldn't I get my own attorney? Rightly so, I don't really trust an attorney that's trying to sue me or get money from the -- the City of Richmond Hill or me.

Q. So you view that -- that this lawsuit is trying to get money from you instead of for you?

A. Yes. I think it's a frivolous lawsuit because, let me tell you something, you're -- you're telling me you -- you want $2 million out of this settlement for the little bit of work you did. We're going to have to borrow the money -- borrow the money in a bond to pay myself back, minus your 40 percent.

That's freaking ridiculous. You ought to be ashamed of yourself. Attorneys like you give

attorneys bad name. You're -- to me, you're no more than -- better than a ambulance chaser.

Q. Have you had any conversations with any employees, officers, officials of Richmond Hill, about how they intend to fund a proposed settlement?

MR. KAPPLER: Objection. Asked and answered. You've already answered -- asked that question. He's already answered it.

MR. ROBERTS: No, I didn't ask that. I didn't ask that question. That was a different question. I asked about fire fees. I asked -- now I'm asking about have you had any conversation with anyone at Richmond Hill about how they plan to fund the proposed settlement. Different question.

MR. KAPPLER: Yeah, you did ask that question.

THE WITNESS: You did ask that question.

MR. KAPPLER: Yeah. But you can answer it again.

THE WITNESS: Okay.

Q. (By Mr. Roberts) Your lawyer said you can answer it again. I'm sorry if I asked it before.

A. I said no.

Q. You have not. Okay. All right. Let's go

to Exhibit 13. Can you see that?

A. You have to make it bigger.

(Plaintiff's Exhibit 13 was marked for identification.)

Q. (By Mr. Roberts) Make it bigger. All right, sir. How about now?

A. Uh-huh.

Q. Okay. Do you recognize this document? It's labeled "Objection to Settlement, Request for Attorneys' Fees, and Request for Service Award," and let me come down here --

MR. KAPPLER: Yeah. See an objection filing.

THE WITNESS: Yeah. Yeah. I read it.

Q. (By Mr. Roberts) Okay. So this is -- this is the objection that you -- that you had your lawyer file?

A. Yes.

Q. All right. Bear with me just a second.

THE WITNESS: (To Mr. Kappler) Hey, hand me that (indicating). Let me look at it.

MR. KAPPLER: Yeah. You want to look at it?

THE WITNESS: Yeah.

MR. KAPPLER: Jay, we're going to give him

a paper copy of that, because we have a paper copy here, too, so --

MR. ROBERTS: That's great. Okay.

MR. KAPPLER: -- be easier on the screen.

Q. (By Mr. Roberts) Okay. And I will stop sharing if you -- Mr. Infinger, just tell me when you have your paper copy of that objection.

A. I do.

Q. Okay. That's Exhibit 13. And I want to go over the -- the basis for your objections. The first one starts in paragraph 8, and one -- first, who prepared this objection?

A. My attorney.

Q. Okay. What input did you have on the -- on -- as to the basis for your objections?

MR. KAPPLER: I'm going to object on that. That calls for attorney-client privilege and work product. He's not going to answer that question.

Q. (By Mr. Roberts) All right. Paragraph 8, you object the -- because, the italic language, "The only true beneficiaries of the settlement are Plaintiff's counsel and the plaintiff. The rest of the refund class is receiving a net loss."

Is it safe to say that you're -- you're

not only objecting to the attorneys' fees and the class service payment and the expenses, you're also objecting to the settlement as a whole; you don't think Richmond -- Richmond Hill ought to settle this case?

A. Yes.

Q. And that's because you believe that the only people who are going to benefit from the settlement are not the class members or property owners of Richmond Hill, but Plaintiff's counsel and the plaintiff?

A. Yes.

Q. So tell me why you believe that.

A. Well, because we've -- the -- the fire fee's been paid, so what you're doing, you're bringing a lawsuit against fire fees that they're going to have to pay their own self back. I'm going to have to pay my own self back, minus your 40 percent and the plaintiff's frivolous amount, which is ridiculous because nobody wins. You -- the only person that wins this is you and the plaintiff.

I've already paid the fire fee. Why should we pay it again, minus 40 percent? That's what you're asking us to do.

Q. To your knowledge -- I know I've asked the

question about whether you've talked to anybody at Richmond Hill. This is a different question.

To your knowledge, where will the funds to pay the proposed settlement come from?

A. I have no idea, but it's going to be charged back to the citizens of Richmond Hill.

Q. And when you say it's going to be charged back to the citizens of Richmond Hill, has anyone with the City told you that?

A. No. It's not going to come out of the sky. It's got to come from somewhere.

Q. To your knowledge, there's been no announcement from Richmond Hill about how the settlement will be funded, has there?

A. Not -- not to my knowledge.

Q. There's been no announcement by Richmond Hill of its intent to raise the millage rate in the coming years, has there?

A. Not to my knowledge.

Q. Tell me any evidence you have supporting your claim that class members will pay more out of pocket than they receive?

A. They're not going to pay more out of pocket. They're going to pay their -- they're going to refund you their fire fee that we've been paying,

minus the 40 percent that you want, plus what your plaintiff gets, and plus some unreasonable expenses, I feel, that are in that.

Q. So is it your testimony that you think that -- that the -- that instead of the City of Richmond Hill paying the refund, that each individual taxpayer as a member of the class will pay their pro rata share of the refund?

A. Yes, they will, minus the 40 percent that we've already paid for a fire fee. So it's a refund, minus 40 percent, and then the plaintiff's money and then your expenses.

Q. And so you don't know whether Richmond Hill intends to pay the refund from reserves or -- or other -- other revenues?

A. I have no idea.

Q. Is it -- is it your belief that taxpayers should never recover fees or taxes that have been improperly collected by the government, because at the end of the day, they'll just have to pay them again?

A. That's what's happening here.

Q. But is that -- is that generally -

A. Minus the 40 percent that you're getting.

Q. In all circumstances, you just believe

that citizens should not be able to recover from the government for improperly collected fees and taxes?

MR. KAPPLER: Objection. You're misconstruing his testimony. He said that's what's happening here.

Q. (By Mr. Roberts) Yeah. And I'm asking you generally if that's -- is that your belief, that taxpayers just shouldn't be able to recover from the government for fees and taxes, even if they were collected improperly?

A. In this case, yes.

Q. Okay. Are there other cases where you think --

A. I have no idea.

THE REPORTER: Just one at a time, please.

THE WITNESS: (Laughs.)

Q. (By Mr. Roberts) Isn't it true that any government liability and judgment is ultimately funded by public funds?

MR. KAPPLER: Objection. That's not true either. Misconstrues the evidence. But he can answer if he knows.

THE WITNESS: I don't know.

Q. (By Mr. Roberts) Do you know the various sources of revenue that Richmond Hill has?

A. No.

Q. Okay. Are you aware that they have other sources of revenue, other than real property taxes?

A. No.

Q. If Richmond Hill continued to charge a fee, be it a legal fee, would that change your opinion of the settlement?

MR. KAPPLER: Objection. That's an improper hypothetical. What do you even mean by "a legal fee"?

MR. ROBERTS: Just what it says, a fee that was -- was legal.

MR. KAPPLER: He's not going to answer that question. It calls for a legal conclusion. Improper hypothetical.

Q. (By Mr. Roberts) Mr. Infinger, I'd like, if you could, to separate the settlement from the -- the request for fees and expenses and class service payments, if you can. Okay? Yes?

A. I don't understand your question.

Q. Well, there's no question yet. I guess it was just to say, so --

A. Well, I don't understand your statement. Excuse me.

Q. Okay. So the proposed settlement is for

Richmond Hill to create a fund of $5 million to pay refunds to property owners who paid the fire fee. You understand that; correct?

A. Yes.

Q. And so tell me in your own words what it is about that settlement itself that you object to?

A. I object to -- if it's a refund, a refund. I object that you're going to take 40 percent of that off the top, and you want that up front according to the lawsuit. Again, that's a frivolous -- why would you get paid that much? I don't think you worked that many hours.

I think we did that math on it. You -- you're getting paid $4,000 an hour to do this work, and that's ridiculous. Sir, you should be ashamed of yourself.

Q. And so I understand you object to the fees, but my question is: What is it about the proposed settlement that you -- those are two different things. The fees and the settlement are different things. So the proposed settlement is $5 million to go -- to be used to pay refunds to taxpayers, and ultimately the Court will determine what fees are awarded, what expenses are awarded. That'll up to the Court.

What is it about the settlement, about the payment of $5 million back -- to be -- to be put aside to pay refunds to property owners, that you object to?

A. Because you -- you'll have to pay it. You're going to pay a fire fee to -- to -- for services. You're going to pay for the services. This is the way that the City decided to do it, and -- and I'm okay with that.

Again, my objection is, the two million off the top of the five million is frivolous. It's crazy.

Q. But you're also objecting, you don't think that Richmond Hill should -- should pay back the refunds at all to taxpayers; is that right?

A. No.

Q. Have you calculated -- assuming Richmond Hill did change from a fee to a millage rate, have you calculated whether for your properties you would pay more or less than the current millage rate -- sorry -- than the current fire fee?

A. No.

Q. Do you know what the total exposure for Richmond Hill is if they didn't resolve this case and it was determined that the fire fees were illegal and

they had to pay it all back?

A. No.

Q. Do you know what percentage the settlement -- the proposed settlement at issue proposes to -- to -- to set aside in a fund to pay refunds?

A. No.

Q. Assuming Richmond Hill's exposure for fire fees is over eight and a half million, would you agree that a determination that they are liable for eight and a half million be worse for the City and taxpayers than settling the case for five million?

A. Tell me that again.

Q. Yeah. So -- so you understand that the settlement is compromising the claim, and -- and I'll represent to you that their total exposure is -- is in excess of $5 million.

Would you agree that if they don't settle the case and they go forward and it's determined that Richmond Hill has to pay back eight and a half million dollars, that that would be worse for the City?

A. I don't really have an -- a answer for that.

Q. Do you know why Richmond Hill wants to pay

the proposed settlement over two years instead of a lump sum payment?

A. No.

Q. Do you know whether -- if it was a -- a judgment for liability for the full amount, whether Richmond Hill would have the option of paying it over -- over installments instead of in one lump sum?

A. No.

Q. All right. You also oppose the attorneys' fees provision, which you've gone into the attorneys' fees petition, 40 percent of the fund, which is what the attorneys' fee petition requests. Is there any amount that you would not oppose?

A. I think a -- if it was just a normal fee, whatever your attorney fee is. But right now you're looking at over $4,000 an hour, again, which is ridiculous. You should be ashamed of yourself.

Q. And so you're -- if I'm understanding you, you think that the attorneys handling this case should just be paid an hourly rate for their time involved in the case?

A. Whatever the hourly rate as a normal attorney should be, not this $4,000 an hour. Again, ridiculous. I'm telling you, you give attorneys a bad name.

Q. And so it's your belief that attorneys who handle these types of cases should not receive a percentage of the fund that they obtain for class members?

A. They should receive a hourly rate, a reasonable hourly rate, not this exorbitant amount you're trying to charge. Again, ridiculous.

Q. If other courts in similar cases have awarded 40 percent of the funds in similar cases, would that change your opinion of the reasonableness of the fee request?

MR. KAPPLER: And I'm going to object to that. That calls for speculation, improper legal conclusion, and that's not the law either. I mean, the Eleventh Circuit is clear. Forty percent is not the benchmark for a common fee case, so --

MR. ROBERTS: Wasn't my question. That wasn't my -- my question was --

MR. KAPPLER: -- I'm instructing him not to answer.

MR. ROBERTS: So you're instructing him not to -- to answer the question that if there were other cases awarding -- other similar cases awarding 40 percent, would it change his

opinion, and you're instructing him not to answer that question?

MR. KAPPLER: Do you have an appellate case that reviewed such a fee?

MR. ROBERTS: Aaron --

MR. KAPPLER: I'm not -- I'm asking you a question --

MR. ROBERTS: I'm not answering your questions, my friend. Are you instructing him not -- are you instructing him to answer the question or not answer the question?

MR. KAPPLER: You've asked me a question. I asked you a question back to try to clarify, to resolve the controversy over the objection. You've refused to clarify, so, yes, I'm instructing him not to answer.

MR. ROBERTS: Great.

Q. (By Mr. Roberts) Mr. Infinger, do you know what -- what percentage is typical for clients to pay lawyers handling matters on a contingency basis?

A. No.

Q. Would you agree that -- let's say this case doesn't settle and Richmond Hill goes forward and -- and they win and -- and owe nothing back to

the taxpayers. You'd agree that would be worse for the taxpayers than the proposed settlement?

A. Tell me that again.

Q. Yeah. Yeah, yeah, yeah. So right now there's a proposed settlement that's going to put up $5 million to be used to pay refunds to property owners in Richmond Hill. If we go forward and don't settle this case, one of two things could happen, right: Richmond Hill could lose and owe more money or they could win and owe -- owe nothing.

If Richmond Hill won the case an owed nothing, isn't that worse for these taxpayers? Isn't this settlement better for these taxpayers than going forward and getting nothing?

A. No.

Q. Oh.

A. That's crazy. If they win, we owe nothing and you get nothing.

Q. Ans so by "we," that goes back to your position that you think that the actual taxpayers who are receiving the refunds are also going to pay the refunds?

A. I would assume they would, yeah. They -- they got -- somebody's got to pay it back (indicating to Mr. Kappler).

Q. Are you aware that there are other cities and counties that have resolved similar fire fees suits?

A. No.

Q. And if you -- if you answered this already, please forgive me: Do you know what percentage of the total exposure Richmond Hill, a proposed settlement proposes to pay?

MR. KAPPLER: Yeah, you've already asked that question. You can answer it again.

THE WITNESS: Oh, I said no.

MR. KAPPLER: You said you don't know.

THE WITNESS: I don't know.

Q. (By Mr. Roberts) Yeah. I thought you said no. Sorry. Okay.

Do you know whether the -- the proposed settlement in this case is -- purports to return a higher percentage of the total amount at stake to taxpayers than other cities and counties that have resolved similar suits?

A. I don't know.

Q. You also opposed the class representative fee of two and a half percent of the fund. Tell me why.

A. What did the plaintiff do? Has he been

deposed yet? He's done nothing. Is it your friend? Who is it? I mean, where'd you -- where did the plaintiff come from? You didn't -- he didn't come to you, looking for you. He had to come from somewhere. How did you get in touch with him? Again, is it your friend, "Hey, you want to make $125,000? Maybe you'll be a plaintiff in this case"?

Q. So my question is: Why do you oppose the class representative fee requested of two and a half percent?

A. Because he's done nothing.

Q. Is there any amount that you would not oppose for a class representative participating in a class action or this class action?

MR. KAPPLER: And I'm going to object now, because this is largely a legal issue, Jay. The courts have said that class representative fees are illegal, and so the -- that objection is a legal argument. The case is very clear. There's no dispute about the case. And he's already answered your question, that the plaintiff hasn't done anything, so couple that with the legal argument. That's his answer.

Q. (By Mr. Roberts) Okay. So I have a different question, which is -- and so you're

opposing two and half percent of the fund, and so my question is: Is there any amount of a class service payment that -- that you would not oppose?

A. No.

Q. You would oppose any class service payment?

A. Yes.

Q. Your last basis for your objection states that the plaintiff's claim is dubious. Would you agree that your -- your -- that the main basis for this objection as a whole is that you just don't think the Richmond Hill fire fee is illegal?

A. Yes.

Q. Okay. Yeah, putting aside attorneys' fees, putting aside expenses, putting aside class service payments, if -- if the lawyers were asking for zero dollars and zero expenses and zero class service payments, you would still object to this because you just don't think the Richmond Hill fire fee is illegal?

A. Well, if that was all true, we wouldn't be here --

Q. So if the --

A. -- having this conversation.

Q. My question is -- is that regardless --

that -- if there were no petition for attorney's fees, no expenses, no class service payment, you would still be objecting to the proposed settlement because you don't believe the Richmond Hill fire fee is illegal?

A. Yes. Again, we wouldn't be -- we wouldn't be here.

Q. Okay. And for the same reasons you don't think the Richmond Hill fire fee is illegal, you also don't believe that the Bryan County fire fee is illegal?

MR. KAPPLER: Objection. He is not answering a single question about Bryan County's litigation.

Q. (By Mr. Roberts) You understand that the Richmond Hill mayor and city council has made the decision that's in the best interest of the City to resolve this case?

A. I don't think it's in the best interest of the City and the citizens.

Q. That's not my question. But you understand that the Richmond Hill mayor and city council have made the decision that it is in the best interest of the City to resolve this case?

A. Yeah. They made that decision. Do I

agree with it? No. Again, I think people need to stand up to attorneys like you, and fight, because attorneys like you give other attorneys a bad name.

Q. So you think that your opinion for what is in the best interest of Richmond Hill should be substituted for the elected city council and mayor; is that right?

MR. KAPPLER: Objection. That misconstrues his testimony. That's not what he said.

Q. (By Mr. Roberts) It's a question. Do you think the Court should defer to your opinion on this settlement, or the elected officials of Richmond Hill?

A. I don't need to answer that.

Q. You need to answer that.

MR. KAPPLER: If you even know.

THE WITNESS: Yeah.

MR. KAPPLER: Do you know what the Court should do, ultimately?

THE WITNESS: I don't know what the Court should do, ultimately.

Q. (By Mr. Roberts) Isn't that what you're asking? Aren't you asking the Court to -- to value your opinion on what's in the best interest of

Richmond Hill, over the opinions of the city council and mayor?

A. Yeah. Yeah. I believe they made a mistake.

Q. And your preference is for this case to proceed to trial, and if you're correct, the Richmond Hill fire fee is determined illegal -- is -- is determined to be legal and the taxpayers get nothing back, and that would be your preference?

A. Yes.

Q. And do you agree that that is a worse outcome for the taxpayers -- for the property owners of Richmond Hill that are in this class in the proposed settlement at issue?

MR. KAPPLER: Objection. That's been asked and answered. He's already answered that question.

Q. (By Mr. Roberts) And could you refresh my memory.

MR. KAPPLER: Do you remember the answer? Do you remember the question?

THE WITNESS: I don't remember the question. I know were answered it. Can we look back?

MR. KAPPLER: The question was: If the

City prevails, is that worse for the taxpayers or better for taxpayers if the City wins?

THE WITNESS: I think it's better for the taxpayers.

Q. (By Mr. Roberts) All right. Without getting into what you and Mr. Kappler would've talked about, when did you contact Mr. Kappler about representing you in connection with this objection?

A. When I got the appeal. When I got the letter or the card in the mail.

Q. Did you and him communicate at all by -- via e-mail?

A. No.

Q. Had you spoken with Mr. Kappler about -- about filing an objection prior to receiving the notice in the mail?

MR. KAPPLER: That infringes on the attorney-client privilege. He's not going to answer that question.

Q. (By Mr. Roberts) How did you go about retaining Mr. Kappler to represent you in this matter?

MR. KAPPLER: That infringes on the attorney-client privilege. He's not going to answer that question.

Q. (By Mr. Roberts) That -- that -- you don't have an engagement letter with Mr. Kappler; correct?

A. No.

Q. So how'd you go about engaging him?

MR. KAPPLER: Objection. That infringes on the attorney-client privilege. You can see the joinder which he personally signed, that sets forth the terms of the engagement.

Q. (By Mr. Roberts) How do you distinguish between Mr. -- when Mr. Kappler's representing you individually versus representing you in your capacity as a commissioner for Bryan County?

MR. KAPPLER: I object. You're going way beyond the scope of permissibility. Move on.

MR. ROBERTS: Are you instructing the witness not to answer that question?

MR. KAPPLER: I am.

Q. (By Mr. Roberts) Do you intend to attend the final approval hearing in -- in the Lanier matter?

MR. KAPPLER: That's the hearing on July 1st.

THE WITNESS: I'm planning on it.

Q. (By Mr. Roberts) Okay. And -- but you're

not intending to testify if allowed; is that right?

A. If they ask, I might.

Q. It would "they" be?

A. The judge or whatever. I don't . . .

Q. Okay.

A. I mean --

MR. KAPPLER: Yeah. At the time we filed the objection, we said no.

THE WITNESS: Okay.

MR. KAPPLER: But that can be changed, obviously.

Q. (By Mr. Roberts) So has that changed or is it still what you said in your objection, that you currently don't -- that you don't intend to testify?

A. I don't intend to testify.

Q. All right. Let me go back and hit a couple of questions. As a commissioner for Bryan County, do you try to avoid raising the millage rate if you can?

MR. KAPPLER: Objection. We're not doing this. Are -- are the balance of your questions about Bryan County? Because if so, we can just say we're -- he's not answering any of those.

MR. ROBERTS: Well, I understand. But I want to get them on the record and just -- just

to be clear, Aaron, if that's okay. It'll take two minutes and we'll be done.

MR. KAPPLER: Hurry up.

MR. ROBERTS: (Laughs.)

Q. (By Mr. Roberts) In your capacity as a Bryan County commissioner, have voted on or otherwise participated in any decisions concerning the fire service fee in Bryan County?

MR. KAPPLER: Objection. Improper discovery. Abusive litigation. Improper use of subpoena. Improper use of the objection. The -- it infringes on the attorney-client privilege, infringes on legislative immunity, and it's abusive. Next question, we're going to be filing a motion for fees.

MR. ROBERTS: Good luck with that.

MR. KAPPLER: Okay. Good.

Q. (By Mr. Roberts) Would you agree that your -- that -- that the pending suit against Bryan County and your role as commissioner influences your views on the proposed settlement in the Richmond Hill case?

A. Do I need to answer?

MR. KAPPLER: Well, I mean, the -- the question is: Does the fact that you're an

elected official influence whether or not you objected to this case?

THE WITNESS: No.

MR. KAPPLER: You can answer that question.

THE WITNESS: No.

Q. (By Mr. Roberts) Okay. Would you agree that the outcome of this Richmond Hill case could have an impact on the outcome of the Bryan County case?

A. I have to answer that? It's no.

MR. KAPPLER: Yeah. The answer's no.

THE WITNESS: Yeah. No.

MR. KAPPLER: No.

MR. ROBERTS: All right. That's all I have. Thank you.

EXAMINATION

BY MR. KAPPLER:

A. No.

Q. Did you participate in drafting Richmond Hill's fire fee ordinance?

A. No.

Q. Did you participate in voting to enact Richmond Hill's fire fee ordinance?

A. No.

Q. Did you participate in the preparation of Richmond Hill's fire fee ordinance?

A. No.

Q. Have you talked to any elected official of Richmond Hill about adopting a fire fee ordinance?

A. No.

Q. Have you participated in any way, shape, or form, in anything having to do with the adoption or implementation of Richmond Hill's fire fee ordinance?

A. No.

MR. KAPPLER: I have nothing else.

MR. ROBERTS: Will, any questions?

MR. PHILLIPS: No, I don't have any questions.

MR. ROBERTS: All right. Thank you.

Individual Class Member refunds will be calculated pursuant to the terms of the proposed Judgment and Order ("Order and Judgment" or "Settlement").
You are a member of the Class if you are or were a Richmond Hill, Georgia taxpayer and were assessed and paid Fire Fees at any time between November 7, 2018, and the date of final approval of the proposed Settlement and you are not an attorney or law firm representing any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services, a current member of the Richmond Hill City Council, or the Mayor of Richmond Hill.
A Final Approval Hearing will be held on July 1, 2026 at 9:00 a.m. at the Bryan County Courthouse to determine among other things: (1) whether to finally certify the Settlement Class; (2) whether the proposed Settlement should be granted final approval; (3) whether Class Counsel's request for an award of attorneys' fees, expenses and service award to Class Representative should be approved; (4) whether the Lawsuit and the Class Members' claims against The City of Richmond Hill, Georgia should be dismissed; and (5) whether final judgment should be entered. If no objections are filed, the Court may elect to hold the hearing telephonically or virtually. If you are a member of the Class as defined above, your rights may be effected by the proposed Settlement as set forth in the Order and Judgment.
You do not have the right to exclude yourself from the Settlement in this Lawsuit, but you do have the right to object in writing. Any objection by a Class Member must be postmarked on or before June 1, 2026 and must comply with the requirements stated in paragraph 19 of the Preliminary Approval Order, a copy of which can be found at www.RichmondHillFireFeesSettlement.com.
After the Settlement has been approved by the Court, if you still own the property for which a refund is determined to be owed, you will not be required to do anything to receive your refund. If you no longer own the property for which a refund is determined to be owed, after the Settlement has been approved by the Court, you will receive a Claim Form. The Claim Form will be sent to your current address or your last known address. If you receive a Claim Form you will need to complete and return it as instructed on the Claim Form in order to receive the refund.
If you are a member of the Class and have not yet received the Full Notice of this Settlement, or if you want more information regarding anything in the Publication Notice, you may obtain such information by visiting www.RichmondHillFireFeesSettlement.com, calling the Claims Administrator's office at (800) 345-0837, calling Class Counsel at (912) 638-5200, or writing Class Counsel at ROBERTS TATE, LLC, Post Office Box 21828, St. Simons Island, Georgia 31522.

# Exhibit "12"

**IN THE SUPERIOR COURT OF BRYAN COUNTY**
**STATE OF GEORGIA**

JOSHUA LANIER,

Plaintiff,

v.

CITY OF RICHMOND HILL, GEORGIA,

Defendant.

CIVIL ACTION NO. SUV2023000398

**FINAL APPROVAL ORDER**

WHEREAS, the instant action pending before the Court is a class action (the "**Lawsuit**") brought by Josh Lanier ("**Named Plaintiff**"), individually and on behalf of all persons similarly situated (the "**Class Members**") against Defendant City of Richmond Hill, Georgia (the "**City**");

WHEREAS, this matter came before the Court on the Named Plaintiff's Joint Motion for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and Scheduling Final Approval Hearing (the "**Motion for Preliminary Approval**");

WHEREAS, the Court **GRANTED** the Motion for Preliminary Approval and entered the Preliminary Approval Order on April 30, 2026 (the "**Preliminary Approval Order**");

WHEREAS, this matter is currently before the Court on Named Plaintiff's Unopposed Motion for Final Approval of Class Action Settlement pursuant to O.C.G.A. § 9-11-23(e) in which the Court has been asked to give final approval to the Order and Judgment (hereinafter the "Order and Judgment") proposed and agreed to by Named Plaintiff and the City, through counsel, which, together with the exhibits, sets forth the terms and conditions of the proposed resolution of this Lawsuit;

WHEREAS, the Court held a Final Approval Hearing on July 1, 2026, as scheduled in the Preliminary Approval Order and as made known to the Class Members through the notice procedures (the "**Notice Program**") approved by the Court in the Preliminary Approval Order;

WHEREAS, no objections were filed to the Order and Judgment by members of the class certified herein, and the Court having considered the entire record of this Lawsuit, including the filings in support of preliminary approval and final approval, the Order and Judgment and the exhibits, and the arguments and representations of counsel, the Court finds that the requirements for final approval have been met and that the proposed resolution of this Lawsuit as set forth in the Order and Judgment is a fair, reasonable and adequate compromise of the claims and defenses asserted in this Lawsuit and should therefore be approved pursuant to O.C.G.A. § 9-11-23.[1]

**NOW, THEREFORE, IT IS ORDERED, ADJUDGED, AND DECREED THAT:**

1. This Order of Final Approval incorporates herein and makes a part hereof the Order and Judgment, including all exhibits and amendments thereto. Unless otherwise provided herein, the terms defined in the Order and Judgment shall have the same meanings for purposes of this Final Order and Judgment.

[1] The Court notes that objections were filed by Carter Infinger (a Bryan County Commissioner), Karen Infinger (the spouse of a Bryan County Commissioner), and EJWJ Properties, LLC (the managing member of which is William Wallace who is also a Bryan County Commissioner hereinafter (the "Bryan County Objectors"). Bryan County is currently litigating a similar action challenging the lawfulness of its fire fees in *Steven Morgan, et al. v. Bryan County*, SUV2023000371, Superior Court of Bryan County, Georgia. Additionally, counsel for the Bryan County Objectors Thompson, O'Brien, Kappler & Nasuti, P.C. ("Bryan County Counsel") has filed a motion to intervene. Neither the Bryan County Objectors nor Bryan County Counsel are members of the class for which final approval is sought. As such, the Bryan County Objectors and Bryan County Counsel lack standing to object or intervene. Accordingly, Bryan County Counsel's Motion to Intervene is hereby DENIED. No objections were filed by the class members for which final approval is sought. As set forth herein and in Plaintiff's Motion for Final Approval such objection to the proposed settlement lack merit. The gravamen of such objection is that the fire fees at issue are actually legal. Such a merits determination is not proper in evaluating settlement of a class.

2. This Court has jurisdiction over the subject matter of this Lawsuit and over all Parties to this Lawsuit including Named Plaintiff, all Class Members and Defendant. Venue is proper.

3. The record shows that notice has been given to the Class Members via the Notice Program approved by the Court in the Preliminary Approval Order. The Court finds the Notice Program consisted of individual notice mailed to Class Members (the "**Full Notice**"), a notice in the Savannah Morning News (the "**Publication Notice**"), and a webpage on the City's website (the "**Settlement Webpage**"). In accordance with the terms of the Notice Program, Full Notice was mailed to Class Members identified in Exhibit A to the Affidavit of Notice Mailing and Publication to Class Members' last known addresses as appearing on the records maintained by the City; Four Thousand one hundred and eleven (8,100) Full Notices were mailed. The record further shows that the webpage was added to the City's website providing information about the Lawsuit. *See* RichmondHillFireFeesSettlement.com. The Publication Notice, the record shows, was placed in the Bryan County News on May 7, 2026, May 14, 2026, May 21, 2026, and May 28, 2026.

4. The Court finds that the Notice Program (a) constitutes notice that was reasonably calculated under the circumstances to apprise the Class Members of the terms of the Order and Judgment and the Settlement, the Class Members' right to object and the date and time of the Final Approval Hearing; (b) constitutes due, adequate, and sufficient notice to all persons or entities entitled to receive notice; and (c) meets the requirements of O.C.G.A. § 9-11-23 and the due process requirements of the Constitution of the United States and the Constitution of the State of Georgia and all other applicable law. *See Juris v. Inamed Corp.*, 685 F.3d 1294, 1318

(11th Cir. 2012) (the Constitution of the United States does not require that each individual member receive actual notice of a proposed settlement).

5. For any Full Notice that was returned as undeliverable, the Administrator is directed for any Class Member who is entitled to a refund to cross reference the Class Member's name with the City's records to determine if there is a new address. Generally, the Administrator is directed to use reasonable efforts to confirm the address of any Class Member who is entitled to a refund.

**Final Approval of Proposed Settlement**

6. The Court finds that the Settlement set forth in the Order and Judgment was the result of extensive and intensive arm's length negotiations taken place in good faith among highly experienced counsel, with the benefit of sufficient facts and with full knowledge of the risks inherent in litigation. The record shows the Order and Judgment was negotiated at arm's length and without collusion; that the Parties engaged in extensive arm's length settlement negotiations with discussions concerning the terms of the Settlement conducted by senior attorneys from both sides; that all participants in the settlement discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit; and that each side had a thorough understanding of the aggregate damages owed, the facts in support of the amount owed, and the defenses thereto.

7. The Court hereby approves the Settlement set forth in the Order and Judgment and finds that the Settlement is, in all respects, fair, reasonable, adequate, meets the requirements of due process, and is in the best interest of the Class Members. This is especially so in view of the complexity, expense, and probable duration of further litigation; the discovery (including informal discovery) conducted to date; and the reasonableness of the recovery obtained, and the

meaningful benefits provided to the Class Members, considering the range of possible recovery and the attendant risks of litigation. The Court further finds that all of the factors set forth above support approval of the proposed settlement and the Court adopts the reasoning set forth in Plaintiff's Unopposed Motion for Final Approval as to each. Similarly, for the reasons set forth in the Unopposed Motion for Final Approval, the Court has considered the basis of the objections and determined that such objections do not warrant denial of settlement approval. The Objectors are not members of the class for which final approval is granted and as such they are not bound by the judgment nor are their rights implicated.

8. The record shows the direct benefits to the Class Members include the creation of an Aggregate Refund Fund in the amount of $5,000,000.00. The City shall pay the Aggregate Refund Fund $2,000,000.00 within 15 days of the Court's final approval of the Order and Judgment, and an additional $3,000,000.00 on or before January 10, 2027. ("**Aggregate Refund Fund Payment**").

The Court finds that this Settlement provides immediate cash refunds for the Class Members expected to return up to 60% of the total calculated refund due less fees and expenses for tax years 2018 to 2025. Therefore, this Court finds that the possibility of a trial producing a more favorable recovery is remote and the Class Members would risk the many hazards of litigation, such as trial errors and appeals including recovering nothing. Further, the Court finds that Settlement will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court.

The record shows that Class Counsel conducted early, informal discovery and that the facts of this Lawsuit have been thoroughly researched as Class Counsel spent a substantial number of hours investigating the potential refund claims for each tax year at issue. The record

further shows that Class Counsel expended significant resources researching and developing the legal theories and claims presented in the First Amended Class Action Complaint and that Class Counsel devoted significant time and effort to preparing a comprehensive damage analysis and calculation of the aggregate total refund owed, which was integral to negotiating the Settlement with the City. Additionally, the record shows that the legal issues involved in this case have been thoroughly researched and that Class Counsel has briefed and argued the same issues in other tax refund and tax appeal matters and is very familiar with the statutory requirements for refund matters under O.C.G.A. § 48-5-380. The Court finds that Class Counsel was well informed of the merits of the Lawsuit and had sufficient information to weigh the benefits of settlement against further litigation.

9. Based on the foregoing, the Court finds that Class Counsel and Named Plaintiff have adequately represented the Class Members.

10. The Court finds that the Settlement treats Class Members equitably. The record shows that each Qualified Class Member (as defined in the Order and Judgment) will receive payment from the Aggregate Refund Fund pursuant to a formula that ensures they will be fairly compensated. That is, each Qualified Class Member will receive his or her pro-rata share of his or her calculated tax refund of the total calculated refund due from the Aggregate Refund Fund less Fees and Expenses (as defined in the Order and Judgment). This is called the "**Pro-Rata Refund**". "Pro-rata" means the proportion each Qualified Class Member's Pro-Rata Refund bears to the total Aggregate Refund Fund. The record shows that this percentage shall be used to calculate each Qualified Class Member's pro rata share of the Fees and Expenses.

11. The Court finds that the proposed method of distribution of refunds to the Class Members to be the best method of distribution possible. The record shows that if the Class

Member is a Qualified Class Member as defined in the Order and Judgment and still has the same address as found in the City's records, the Class Member needs to take no further action in order to receive his or her refund. As provided in the Order and Judgment, if the Class Member is a Qualified Class Member as defined in the Order and Judgment and no longer owns the property for which the refund is due, the Class Member must fill out a claim form (which will be sent to what is believed to be the current address or can be obtained from the Settlement Webpage on the City's website) certifying that he or she is the same taxpayer for which the refund has been calculated and then the refund will be mailed to such Class Member.

12. The Court hereby establishes the Lanier Qualified Settlement Fund (the "**Lanier QSF**") pursuant to Court Order as a "Qualified Settlement Fund" as that term is described in Internal Revenue Code §468B (26 U.S.C. §468B) and the Treasury Regulations thereto, established by Order of this Court, to hold, invest, administer, and distribute the Lanier QSF assets, which shall consist of a proposed service award to the Named Plaintiff and Class Counsel attorney fees and expenses.

The Settlement monies held by the Lanier QSF's bank account shall be held and managed, as required by Treasury Regulations §468B-1(c)(3). Such Lanier QSF settlement amounts are to be held, managed, invested, and re-invested, as directed by the Fund Administrator appointed by the Court, in a manner to preserve any accrued income and principal in the Lanier QSF until it can be fully distributed. **Terry D. Turner, Jr. of Gentle Turner & Benson, LLC**, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 **is appointed as the Lanier QSF Administrator** (the "**Lanier QSF Administrator**"). The Lanier QSF Administrator shall charge a flat fee of $30,000.00 for his services plus expenses which shall be paid from the Aggregate Refund Fund as set forth in the Order and Judgment.

Class Counsel Fees Awarded and Service Fees shall be paid by the Lanier QSF Administrator. The Lanier QSF shall hold such settlement amount, with any earnings thereon, and the Lanier QSF Administrator shall make payments on behalf of the Named Plaintiff and Class Counsel from the Lanier QSF, whether directly, structured settlement payments, or otherwise, and fund administration fees of the Lanier QSF.

**Rita Spalding is hereby appointed as Special Master.** The Special Master will rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master's decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

The Court shall retain jurisdiction of the Lanier QSF, the Lanier QSF Administrator, and all related matters. The Lanier QSF is hereby authorized to effect qualified assignments on behalf of the Named Plaintiff or Class Counsel of any resulting structured settlement liability within the meaning of Section 130(c) of the Internal Revenue Code to the qualified assignee.

13. The Parties are hereby directed to implement and consummate the Settlement according to the terms and provisions of the Order and Judgment.

14. The Parties are Ordered to cooperate fully with each other regarding the implementation of the terms of the Order and Judgment as approved in this Final Order and Judgment.

**Certification of Settlement Class**

15. Even when certifying a class under O.C.G.A. §9-11-23 for settlement purposes only, all O.C.G.A. §9-11-23(a) factors and at least one of the requirements under O.C.G.A. §9-11-23(b) must be satisfied – except that the court need not consider the manageability of a

potential trial, since the settlement if approved, would obviate the need for a trial. *See Amchem Products, Inc. v. Windsor*, 521 U.S. 591, 620 (1997).

The Unopposed Motion for Final Approval seeks certification the following Settlement Class:

> ***all taxpayers within the City who were assessed and paid the Fire Fee at any time between November 7, 2018, and the date of final approval of this Settlement, excluding:***
>
> a. ***all current members of the Richmond Hill City Council, the Mayor of Richmond Hill including such members' and Mayor's spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;***
>
> b. ***all current members of the Bryan County, Georgia Board of Commissioners and Commissioners, City Council Members and Mayors of any Georgia county or municipality defending lawsuits challenging the validity of similar assessments for fire protection or public safety services , including their spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;***
>
> c. ***all attorneys, including their spouse and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors, and law firms currently representing any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services; and***
>
> d. ***any judge or judicial officer presiding over this matter, including their spouse and adult household members, and any privately held entities in which they are members, shareholders, managers, officers, or directors***

*(the "**Revised Refund Class**" or the "**Revised Settlement Class**").* Additionally, the Court hereby approves the Class Member Certification Form for verification by taxpayers that they satisfy the Revised Refund Class definition.

16. The Court specifically determines that, for settlement purposes, the proposed Settlement Class meets all the requirements of O.C.G.A. §9-11-23(a) and O.C.G.A. §9-11-23(b)(1) and O.C.G.A. §9-11-23(b)(2), namely that the Settlement Class is so numerous that joinder of all members is impractical; that there are common issues of law and fact; that the claims of the class representative are typical of absent class members; that the class representative will fairly and adequately protect the interests of the Settlement Class, as it has no interests antagonistic to or in conflict with the Settlement Class and has retained experienced and competent counsel to prosecute this Lawsuit; and that the prosecution of separate actions by or against individual class members would create a risk of inconsistent or varying adjudications with respect to individual class members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual class members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests.[2]

**Releases, Dismissal and Final Judgment**

1. All claims asserted in this Lawsuit are dismissed with prejudice on the merits and without costs to any party except as otherwise provided in this Court's Order on the Application for Attorney's Fees, Reimbursement of Expenses and Service Award to Class Representative or as otherwise provided in the Order and Judgment.

[2] Additionally, while the Court has elected to only certify the Classes under O.C.G.A. §9-11-23(b)(1) and O.C.G.A. O.C.G.A. §9-11-23(b)(2) the Court also finds that certification under 9-11-23(b)(3) would be appropriate as questions of law or fact common to the members of the classes predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

2. Upon entry of this Final Order and Order and Judgment, Named Plaintiff and each Class Member, on behalf of themselves and any other legal or natural persons and entities who or which may claim by, through, or under them, release their claims as outlined in the Order and Judgment.

3. Without affecting the finality of this Order, the Court retains continuing and exclusive jurisdiction over all matters relating to the administration, consummation, enforcement and interpretation of the Order and Judgment, to protect and effectuate this Order, and for any other necessary purpose.

4. The Clerk shall promptly enter the Order and Judgment attached hereto as **Exhibit A** in the docket of this Lawsuit which shall become a final Judgment of this Court.

5. The Clerk shall promptly enter this Order as a Final Judgment in the docket of this Lawsuit.

| JOSHUA LANIER,<br><br>Plaintiff,<br><br>v.<br><br>CITY OF RICHMOND HILL, GEORGIA,<br><br>Defendant. | CIVIL ACTION NO. SUV2023000398 |

**ORDER AND JUDGMENT**

Plaintiff Joshua Lanier ("**Named Plaintiff**", "**Lanier**" or "**Class Representative**") filed the instant class action lawsuit (the "**Lawsuit**") against the City of Richmond Hill ("Defendant" or the "**City**") pursuant to O.C.G.A. §48-5-380 (the "**Refund Statute**") on behalf of himself and all taxpayers similarly situated seeking refunds for taxes illegally assessed and collected pursuant to City of Richmond Hill Ordinance Chapter 38, Article IV- Fire Protection Fee as adopted April 2, 2019 (the "**Fire Fee**" and the "**Fire Fee Ordinance**") and injunctive relief .[1]

Having read and considered the pleadings and facts presented, the Court finds as follows:

The Fire Fee has been assessed and collected based on the ownership of property on a *non-ad valorem* basis. Under the Georgia Constitution and Georgia law, taxation of real and personal property is required to be *ad valorem*. That is, property must be assessed based upon the value of the property. *See Hutchins, et la. v. Howard, et al.*, 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) ("Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of

[1] Named Plaintiff also asserts claims for declaratory judgment, prejudgment interest, and violation of uniformity requirement, due process and equal protection.

taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.").

Specifically, and as alleged in the Complaint as amended, the Court finds the following:

1) The Fire Fee is a means for the government to raise general revenue exclusively to be used for fire protection services, based on the taxpayer's ability to pay, specifically based on ownership of property, without regard to the direct benefit that may inure to the payer or to the property taxed;

2) The Fire Fee is mandatory;

3) The Fire Fee is not related to the payer's contribution to the burden on the government;

4) The Fire Fee does not result in a special benefit to the payer different from those to whom the charge does not apply; and

5) The Fire Fee is not calculated in a manner whereby the payer is reasonably paying for services rendered or to be rendered.

Therefore, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law;

**THEREFORE, IT IS ORDERED** as follows:

**A. Class Certification**

Named Plaintiff and Defendant hereby stipulate to the certification of one class pursuant to O.C.G.A. § 9-11-23(b)(1) and O.C.G.A. § 9-11-23(b)(2) and the Court finds that such certification is appropriate. The class consists of:

> ***all taxpayers within the City who were assessed and paid the Fire Fee at any time between November 7, 2018, and the date of final approval of this Settlement, excluding:***

a. ***all current members of the Richmond Hill City Council, the Mayor of Richmond Hill including such members' and Mayor's spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;***

b. ***all current members of the Bryan County, Georgia Board of Commissioners and Commissioners, City Council Members and Mayors of any Georgia county or municipality defending lawsuits challenging the validity of similar assessments for fire protection or public safety services , including their spouses and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors;***

c. ***all attorneys, including their spouse and adult household members and any privately held entities in which they are members, shareholders, managers, officers, or directors, and law firms currently representing any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services; and***

d. ***any judge or judicial officer presiding over this matter, including their spouse and adult household members, and any privately held entities in which they are members, shareholders, managers, officers, or directors***

*(the "**Revised Refund Class**" or the "**Revised Settlement Class**").*

The Court specifically finds that class certification is appropriate because:

1) The potential class members are so numerous that joinder of all members is impractical, satisfying the requirements of O.C.G.A. § 9-11-23(a)(1);

2) There are questions of law or fact common to each class member, satisfying the requirements of O.C.G.A. § 9-11-23(a)(2);

3) The claims of the representative party are typical of the claims of Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(3);

4) Class Representative will fairly and adequately protect the interests of the Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(4);

5) Certification of the Refund Class is appropriate under O.C.G.A. § 9-11-23(b)(1) as the prosecution of separate actions by or against individual Class Members would create a risk of inconsistent or varying adjudications with respect to individual Class Members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual Class Members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their

ability to protect their interests;

6) Certification of the class is appropriate under O.C.G.A. § 9-11-23(b)(2) as Defendant has acted or refused to act on grounds generally applicable to each class member, thereby making appropriate final injunctive relief or corresponding declaratory relief with respect to members of the class;[2]

7) The law firms of Roberts Tate, LLC and Manly Shipley, LLP will fairly and adequately represent the interests of the Refund Class as Class Counsel; and

8) The action is manageable as a class action.

Plaintiff Lanier shall serve as class representative for the Refund Class as defined herein.

The law firms of Roberts Tate, LLC and Manly Shipley, LLP are appointed as Class Counsel for the Refund Class certified herein.

**B. Permanent Injunction**

Additionally, as of the date of this Order and Judgment and thereafter, Defendant is permanently enjoined and restrained from billing or collecting Fire Protection Fees pursuant to City of Richmond Hill Code of Ordinances Chapter 38, Article IV as adopted April 2, 2019.

**C. Judgment on the Aggregate Refund Amount**

The Court hereby approves and enters judgment pursuant to the Refund Statute in favor of Named Plaintiff and the class in the amount of Five Million and No/100 Dollars ($5,000,000.00) (hereinafter the "**Aggregate Refund Fund**") to pay refunds to the Refund Class.

Defendant shall pay the Aggregate Refund Fund as follows:

(1) $2,000,000 within fifteen (15) days from the date of Final Approval (the "**Initial Refund Fund Payment**"); and

(2) $3,000,000 on or before January 10, 2027 (the "**Final Refund Fund Payment**").

[2] Additionally, while the Court has elected to only certify the Refund Class under 9-11-23(b)(1) and 9-11-23(b)(2), the Court also finds that certification under 9-11-23(b)(3) would be appropriate as questions of law or fact common to the members of the Refund Class predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

In the event that Defendant fails to make the payment into the Aggregate Refund Fund as provided above, post judgment interest shall accrue at the rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

The Aggregate Refund Fund shall be the sole source used to pay: (i) all refunds and interest owed to Class Members as set forth herein (the "**Class Refunds**"); (ii) Plaintiff's Counsel for attorneys' fees and expenses as set forth herein and as approved by the Court; (iii) Class Representative Service Payment as set forth herein and as approved by the Court; and (iv) the costs of administering the Aggregate Refund Fund including the cost and expenses of the Administrator and the costs of notice to the Class Members as described herein, the costs and expenses of the Special Master, and the direct costs and expenses for the distribution and mailing of refunds to Class Members.

The Aggregate Refund Fund shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the "**Lanier QSF**") to carry out the payment of approved Fees and Expenses of Class Counsel and the Class Representative Service Payment set forth in Section F and the Refund Payment Process set forth in Section K herein. The Final Order will appoint Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 as administrator of the Lanier QSF (the "**Lanier QSF Administrator**"). The Lanier QSF Administrator will be paid a flat fee of $30,000.00. The costs of the Lanier QSF Administrator shall be paid from the Aggregate Refund Fund. The Aggregate Refund Fund shall be deposited into an interest-bearing bank account (the "**Aggregate Refund Fund Account**") established by the Lanier QSF Administrator. The Aggregate Refund Fund Account shall have a unique Taxpayer Identifier Number.

The Lanier QSF Administrator shall act as a fiduciary with respect to the handling, management and distribution of the Aggregate Refund Fund.

Except as set forth above, the costs of administering the Class Refunds shall not include any costs incurred by Defendant related to the webpage used for notification of Class Members or time devoted by employees of Defendant to fulfilling the terms of this Order and Judgment. The Aggregate Refund Fund shall be the sole and exclusive source for payment of the Class Refunds and fees and expenses and payment in full of the amount of the Aggregate Refund Fund owed by Defendant shall be in sole satisfaction of all claims against Defendant.

**D. Appointment of Administrator**

Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 is appointed Administrator to identify Class Members (hereinafter referred to as the "**Administrator**") entitled to refunds based on the City of Richmond Hill's databases, records and resources, and to calculate the individual refund amounts, if any, due each Class Member. The Administrator is to be given full access to the pertinent records of the City of Richmond Hill necessary to identify Class Members and determine individual refund amounts. In the event that Terry Turner cannot serve, a substitute Administrator consented to by the Parties shall be appointed.

The Administrator's fees will be paid from the Aggregate Refund Fund. The Administrator will be paid the hourly rate of $120 per hour for his services and $80 per hour for administrative personnel hired to assist. Upon completion of the Administrator's work the Administrator shall submit an accounting of all charges and expenses to Named Plaintiff's Counsel and Defendant's Counsel at least fifteen (15) days prior to submission of such charges and expenses to the Lanier QSF Administrator for payment. Named Plaintiff's Counsel and Defendant's Counsel shall notify

the Administrator of any objections to the charges and expenses within five (5) days of receipt. The Lanier QSF Administrator will pay the Administrator's charges and expenses within ten (10) days of submission provided there are no unresolved objections. Any unresolved objections shall be submitted to the Special Master as set forth below for resolution and whose decision shall be binding.

### E. Preliminary Approval of Proposed Order and Judgment, Notification of Class and Objection Procedure

Named Plaintiff and Defendant shall promptly move the Court for an Order granting preliminary approval of this Order and Judgment (the "**Preliminary Approval Order**"). The proposed Preliminary Approval Order will be attached to the motion and shall be in a form agreed upon by Named Plaintiff's Counsel and Defendant's Counsel. The Motion for Preliminary Approval shall request that the Court: (i) approve the Order and Judgment as set forth herein as being within the range of fair, adequate and reasonable; (ii) certify the proposed Refund Class and appoint Class Counsel and the Class Representative; (iii) approve the Notice program as overviewed herein and as set forth in more detail in the Motion for Preliminary Approval including the form and content of the Notices which will be attached to the Motion for Preliminary Approval; and (iv) schedule a Final Approval hearing for a time and date mutually convenient for the Court, Named Plaintiff's Counsel and Defendant's Counsel, at which time the Court will conduct an inquiry into the fairness of the Order and Judgment, determine whether it was made in good faith, finally certify the Refund Class, and determine whether to approve the Order and Judgment and Named Plaintiff's Counsel's application for attorneys' fees, service award to class representative, costs and expenses (the "**Final Approval Hearing**").

Notice of the Order and Judgment shall be sent to those set forth in **Exhibit A**. Those set forth in **Exhibit A** are potential Class Members.

The proposed notice to the Class Members shall include, among other information; a description of the material terms of the Order and Judgment; a description of the administration process; the timing of the calculation of individual refund amounts; a date by which the Class Members may object to the fee, service award and expense motion; a date by which the Class Members may object to the calculation of individual refund amounts; the address of the webpage created by the Administrator (the "**Settlement Webpage**") where Class Members may access this Order and Judgment and other related documents and information; the date that the Final Approval Hearing will occur; and the procedure for the Class Members to object (the "**Notice**"). A form of Notice to be sent to the Class will be submitted to the Court as an exhibit to the Motion for Preliminary Approval. Notice will be provided by U.S. Mail to the last known address for each taxpayer who paid the Fire Fee from November 7, 2018 to present, excluding all attorneys and law firms currently representing any Georgia county or municipality in lawsuits challenging the validity of similar assessments for fire protection or public safety services, the current members of the Richmond Hill City Council, and the Mayor of Richmond Hill. An advertisement will be placed in The Bryan County News containing the information provided in the Notice and directing the taxpayers to the Settlement Webpage.

Objections to the Order and Judgment or to the Fee Petition and Service Award (as described in Section F) must be mailed to the Clerk of Court, Named Plaintiff's Counsel and Defendant's Counsel. For an objection to be considered by the Court, the objection must be received by the Court, Named Plaintiff's Counsel and Defendant's Counsel at least thirty (30) days prior to the Final Approval Hearing. For an objection to be considered by the Court, the objection must also set forth:

a. The name of the Lawsuit;

b. The objector's full name, address and telephone number;

c. An explanation of the basis upon which the objector claims to be a Class Member;

d. All grounds for the objection, accompanied by any legal support for the objection known to the objector or the objector's counsel;

e. The number of times the objector has objected to a class action settlement within the five (5) years preceding the date on which the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders or opinions to or ruling upon the objector's prior such objections that were issued by any court in each listed case;

f. The identity of all counsel who represented the objector, including any former or current counsel who may be entitled to any compensation for any reason related to the objection to the Order and Judgment or to Fee Petition, and Service Award;

g. The number of times the objector's counsel and/or counsel's law firm have objected to a class action settlement within the last five (5) years preceding the date the objector files the objection, the caption of each case in which the counsel or the firm has made such objection, and a copy of any order or opinions related to or ruling upon counsel or the firm's prior such objections that were issued by any court in each listed case;

h. Any and all agreements that relate to the objection or the process of objecting – whether written or verbal – between the objector or objector's counsel and any other person or entity;

i. The identity of all counsel representing the objector who will appear at the Final Approval Hearing;

j. A list of all persons who will be called to testify at the Final Approval Hearing in support of the objection;

k. A statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and

l. The objector's signature (an attorney's signature is not sufficient).

The Court, in its discretion, may determine which, if any, Class Member(s) who objected and who requested to appear at the Final Approval Hearing will be entitled to appear and be heard. Any Class Member who fails to object in the manner set forth in this Section shall be deemed to have forever waived his or her objections and forfeit any and all rights the Class Member may otherwise have to appear separately and/or to object and shall be bound by all the terms of this Order and Judgment and by all proceedings, orders and judgments in the Lawsuit.

**F. Fees and Expenses**

Class Counsel intends to file a motion for attorney's fees and expenses to be awarded as well as a motion for a class service payment to the Class Representative at least thirty-five (35) days prior to the Final Approval Hearing. Class Counsel intends to seek the payment of attorneys' fees plus documented out of pocket costs and expenses for prosecuting this action from the Aggregate Refund Fund ("**Fee Petition**"). Any award of attorney's fees, costs and expenses to Class Counsel shall be payable solely out of the Aggregate Refund Fund and is subject to Court approval. The City lacks standing to either object or agree to Class Counsel's Fee Petition.

Additionally, Class Counsel intends to file on behalf of Class Representative a petition for class service payment from the Aggregate Refund Fund ("**Class Service Petition**"). Following the date of notice to the Class as described below, the Court, if necessary, will hold a hearing (see Section G) to resolve any objections and pending motions and will determine the amount of fees

and expenses to be paid to Class Counsel and fees to be paid to the Class Representative. Class Counsel's fees and expenses, Class Representative's fees, and fees regarding the administration of the Aggregate Refund Fund (including without limitation the fees and expenses of the Administrator and Lanier QSF Administrator) are collectively referred to as "**Fees and Expenses**". Fees and Expenses shall be paid from the Aggregate Refund Fund.

The Attorney's Fees and Expenses and Service Payments shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order.

All Fees and Expenses awarded by the Court to Class Counsel shall be payable from the Initial Aggregate Refund Fund Payment and shall be paid by the Lanier QSF Administrator within thirty (30) days of receipt of the Initial Refund Fund Payment, subject to the availability of sufficient funds in the Aggregate Refund Fund with any remaining Fees and Expenses owed to be paid at such time as additional funds are placed into the Aggregate Refund Fund sufficient to satisfy the award of Fees and Expenses to Class Counsel. Fees and Expenses awarded to Class Counsel shall be paid notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the award or this Order and Judgment or any part thereof, subject to Class Counsel's obligation to make appropriate refunds or repayments to the Aggregate Refund Fund plus accrued interest at the same net rate as is earned by the Aggregate Refund Fund, if and when, as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the fee or expense award is reduced or reversed. Additionally, class service payment awarded by the Court shall be payable from the Initial Aggregate Refund Fund Payment and shall be paid by the Lanier QSF Administrator within thirty (30) days of receipt of the Initial Refund Fund Payment, subject to the availability of sufficient funds in the Aggregate

Refund Fund with any remaining class service payment owed to be paid at such time as additional funds are placed into the Aggregate Refund Fund sufficient to satisfy the class service payment.

**G. Final Approval Order and Entry of Order and Judgment**

Named Plaintiff shall file its Motion for Final Approval of Order and Judgment, the Fee Petition and the Class Service Petition no later than seven (7) days prior to the date of the Final Approval Hearing. The Court, if necessary, will hold a hearing to resolve any objections properly submitted and enter the Order and Judgment and award attorneys' fees and expenses and service award for Class Representative. The Motion for Final Approval of the Order and Judgment will contain a proposed Final Order in a form agreed to by Named Plaintiff's Counsel and Defendant's Counsel. d. Determine that the Notice provided satisfies Due Process requirements;

f. Rule on the Fee Petition and award attorney's fees and expenses as may be determined to be fair, adequate, and reasonable in the discretion of the Court;

g. Rule on the Class Service Petition and award class service payment as may be determined to be fair, adequate, and reasonable in the discretion of the Court;

h. Bar and enjoin Named Plaintiff and all Class Members from asserting any of the Released Claims;

i. Release Defendant and Released Parties as set forth in Section L (1);

j. Direct payment of the Aggregate Refund Fund as provided herein; and

k. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Order and Judgment, to administer, supervise, construe and enforce this Order and Judgment in accordance with its terms.

**H. Identification of Class Members and Calculation of Individual Refunds**

Following Final Approval of the Order and Judgment, the Administrator is directed to identify the Refund Class and Class Members and determine the refunds owed. "Class Member" or "Class Members" means a member or members of the Refund Class. The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the records of and full cooperation by Defendant's departments including, but not limited to, Information Technology and Finance Departments, in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members. The period for which refunds will be determined is November 7, 2018, through the date of entry of this Order (the "**Refund Period**"). The amount of Fire Fees paid by each Class Member during the Refund Period shall be determined and then summed to determine the total of all Fire Fees paid by all Class Members during the Refund Period. The percentage of Fire Fees paid during the Refund Period for each Class Member multiplied by the amount of the Aggregate Refund Fund shall be the presumptive refund amount ("**Presumptive Refund Amount**").

The Administrator will not calculate interest on the refund from the date of payment through the date of final approval of this Order and Judgment in calculating the Presumptive Refund Amount owed to each Class Member.

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of final approval of the Order and Judgment.

Upon completion of the identification of the Class Members entitled to refunds and the Presumptive Refund Amount to each Class Member, the Administrator will post the list of Class Members and the Presumptive Refund Amount owed to each on the Settlement Webpage and provide notice in the Bryan County News.

The City and any Class Member shall have the right to object to the calculation of any individual refund calculations made by the Administrator including the City's ability to assert any individual defenses to such individual's entitlement to the refund or the amount thereof. Such objection shall be filed with the Special Master as defined below within forty-five (45) days of the Administrator's notice of completion of the Presumptive Refund Amount.

Finally, the Settlement Webpage will provide a claim form for any taxpayer who paid the Fire Fee not identified as a Class Member by the Administrator to submit in the event they believe they are entitled to a refund with a time limit of forty-five (45) days from the posting of the individual refund calculation on the Settlement Webpage ("**Missing Class Members**"). The Administrator shall review any such claims by additional applicant(s) and determine whether they are in fact entitled to any refund, submit his conclusions to the applicant(s) and Defendant who shall have fifteen (15) days to object to the Administrator's findings. Any such objections shall be heard by the Special Master as defined below. The Special Master's ruling is final and binding,

except as to questions of law, which are subject to review by the Judge and/or any appellate court of this state with jurisdiction over the subject matter. The Presumptive Refund Amount for Class Members shall be adjusted based on any refunds determined to be owed for Missing Class.

Finally, the Settlement Webpage will provide a form for any applicant identified as a Class Member to utilize to update their address.

**I. Administration of the Class**

The Presumptive Refund Amount for each Class Member will be posted on the Settlement Webpage along with information about how a Class Member can object to the Presumptive Refund Amount.

After the Administrator identifies the Presumptive Refund Amount for each Class Member, the Administrator will divide the Class Members into the following categories for purposes of distributing the refunds to the Class Members:

- Class Members still owning the property for which a refund is determined to be owed (hereinafter "**Category 1 Class Members**").
- Class Members who no longer own the property for which a refund is determined to be owed (hereinafter "**Category 2 Class Members**").

A claim form for collection of individual refunds for Category 2 Class Members will be submitted to the Court for approval along with the Motion for Preliminary Approval (the "**Category 2 Class Member Claim Form**") and claim form certifying that all Class Members satisfy the class definition will be submitted for approval with the Final Approval Motion ("**Class Member Certification Form**") (The Category 2 Class Member Claim Form and Class Member Certification Form are hereinafter referred to as the **"Claim Forms"**). Additionally, the Settlement Webpage will be created and provide the information contained in the Claim Form for the collection of individual refunds.

For all Class Members, the Class Member Certification Form will be will be sent to what is believed to be the current mailing address for each Class Member. For Category 2 Class Members, the Category 2 Class Member Claim Form will be sent to what is believed to be the current mailing address with a form requiring that the taxpayer certify that he or she is the same taxpayer for which the refund has been calculated. The taxpayer shall have sixty (60) days to return the Claim Forms.

Rita Spalding is appointed Special Master to rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master's decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

All Class Members who returned the properly executed Claim Forms shall be the "**Qualified Class Members**" to whom refunds shall be paid as set forth below. The individual refund amounts shall be mailed to the Class Members in accordance with the timing procedures set forth below.

**J. Qualified Class Member Refunds**

The Administrator will determine each Qualified Class Member's pro-rata share from the Aggregate Refund Fund (the "**Pro-Rata Refund**") following the submission of all Category 2 Claim Forms and resolution of all objections as set forth hereinabove. "Pro-Rata" shall mean the proportion each Qualified Class Members' total payment of Fire Fees during the Refund Period bears to the payments of all Qualified Class Members during the Refund Period. The Pro-Rata Refund is expected to return to each Qualified Class Member up to 60% of the Fire Fees paid during the Refund Period less fees and expenses. The Pro-Rata percentage shall be used to calculate each Qualified Class Member's share of the Fees and Expenses to be subtracted from the

Pro-Rata share of the Aggregate Refund Fund. The Fees and Expenses shall be totaled and multiplied by the Pro-Rata share. The resulting number shall be each Qualified Class Member's portion of the Fees and Expenses ("**Pro-Rata Fees and Expenses**"). The difference between the Pro-Rata share of the Aggregate Refund less the Pro-Rata Fees and Expenses shall be each Qualified Class Member's final refund ("**Final Refund**") and shall be the amount distributed to each Qualified Class Member as set forth herein.

**K. Refund Payment Process**

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any Presumptive Refund calculation, the Administrator shall identify to the Lanier QSF Administrator the amount of the Final Refund due each taxpayer and the address to which the refund is to be mailed for the Category 1 Class Members. The Lanier QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to all Qualified Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the City.

Any and all checks returned or uncashed after one hundred and twenty (120) days from issuance shall be canceled by the Lanier QSF Administrator (the "**Expiration Date**"). Following the Expiration Date, all monies remaining in the Aggregate Refund Fund after all payments have been made as outlined herein shall be returned to the City.

The Lanier QSF Administrator shall maintain accurate accounting records of all deposits and payments from the Aggregate Refund Fund Account and shall provide such accounting to Named Plaintiff's Counsel and Defendant's Counsel upon request. The Lanier QSF Administrator shall file a notice of completion of administration ("**Notice of Completion**"), the form of which shall be included in the Motion for Preliminary Approval, with the Court within thirty (30) days of completion of the administration and return of any remaining funds from the Aggregate Refund

Fund Account to the City.

**L. General Provisions**

**1. Released Claims**

Named Plaintiff and Class Members agree to release and forever discharge, and by this Agreement do, for themselves, their heirs, executors and administrators, release and forever discharge Defendant, its current and former elected officials in their official and individual capacities, its past, present and future parent and affiliate corporations, offices, authorities, commissions, committees and departments, and their respective past, present and future divisions, subsidiaries, affiliates and related governmental entities and their successors, assigns, directors, officers, employees, attorneys, agents and representatives, personally and as directors, officers, employees, attorneys, agents, or representatives (collectively, the "**Releasees**"), of and from all manner of action and actions, causes and causes of action, sums of money, covenants, contracts, controversies, agreements, promises, damages (including, but not limited to, attorneys fees), claims and demands for the payment of Fire Fees, taxes, and/or fees related to or arising out of the assessment, collection, or payment of Fire Fees as alleged or as could have been alleged in the Lawsuit from November 7, 2018 through the date of final approval of this Judgment whether in law or in equity (the "**Released Claims**").

**2. Effect of Failure to Grant Final Approval**

In the event that the Court fails to enter an Order granting Final Approval to this Order and Judgment, the Lawsuit shall resume, this Order and Judgment and any Order granted pursuant to this Order and Judgment, including but not limited to the Preliminary Approval Order shall have no res judicata or collateral estoppel effect and shall be of no force or effect, and the Parties' rights and defenses shall be restored without prejudice as if this Order and Judgment had never been entered into, and no document should be deemed to contain any purported admission, unless either:

(1) Named Plaintiff and Defendant agree in writing to a modification of the Order and Judgment and obtain approval of the [Amended] Order and Judgment with such agreed to modification, or (2) Named Plaintiff and Defendant successfully obtain reversal of the decision denying entry of the Order granting Final Approval to this Order and Judgment after reconsideration or appellate review. In the event that the Court fails to enter an Order granting Final Approval of this Order and Judgment, the terms of this Order and Judgment shall not be admissible for any purposes in this action or any other action against City of Richmond Hill regarding Fire Fees for property owners within the City limits of Richmond Hill.

**3. Continuing Jurisdiction**

The Court shall retain jurisdiction over the interpretation and implementation of this Order and Judgment, as well as any matters arising out of, or related to, the interpretation or implementation of this Order and Judgment.
